Quarterly Report

There follows a listing of some of the significant issues responded to by Station WOAI-TV, along with the most significant programming treatment of those issues for the period October 1, 2019 to December 31, 2019. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of	Program/				Narration of Type &
Issue	Segment	Date	Time	Duration	Description of Program/Segment
					A busy intersection is causing some major traffic problems outside of a brand
					new school. Since the area is not a marked school zone - drivers come full
Safety Issues	News 4 WOAI	10/1/2019	12pm	:26	speed around a curve as a police officer blows a whistle to stop traffic.
					A new study finds large pharmacy chains offer the lowest prices. Researchers
					compared cash prices for 10 generic and 6 brand-name drugs across a variety
					of pharmacies within the same zip code. They found independent pharmacies
					and small chains had the highest prices for generic drugs, while big-box
Financial Issues	News 4 WOAI			:24	pharmacies had the lowest.
					New research suggests off-label cancer drugs could help patients who have
					no standard options left. The study included about 200 patients who were given
					targeted genetic therapies not routinely prescribed for their specific tumor type.
					It showed one-third of patients experienced either a partial or complete
Health	News 4 WOAI			:18	response for at least 16 weeks.
					Human remains were found near UTSA's main campus. A survey crew found
Crime and Drug					them just before 11 this morning. Police couldn't tell us if they were male or
Abuse	News 4 WOAI		5pm	:21	female.
					The American Cancer Society suggests about 268 thousand women will be
					diagnosed with invasive breast cancer this year. One of the biggest things to
					watch for is a lump that feels different from the surrounding tissue. Women
	NI 414/0AI				should never ignore any changes in the size, shape or apearance of their
Health Issues	News 4 WOAI			:28	breast.
					A company is making paper out of stone. Instead of using pulp from trees
Consumer Issues	News 4 WOAI			:18	they use stone waste from construction sites. They then grind it into a fine powder and mix it with resin.
Consumer issues	News 4 WOAI			.18	Bexar County Commissioners have selected five finalists to replace embattled
					Precinct 2 constable, Michelle Barrientes Vela. Candidates will be interviewed
					tomorrow. It'll be up to a judge next week to decide whether the new person
Government Issues	News 4 WOAI		6pm	:14	can take over the job.
Ooverninent issues	INCWS 4 VVOAI		орііі	. 14	Uvalde police saysomeone is calling around claiming to be with the Uvalde
					Volunteer Fire Department. The scammer is asking for donations of money
Consumer Issues	News 4 WOAI			:14	over the phone.

There's concern the egg use din the product may be part of a nationwide recall of hard-boiled eggs possibly contaminated with listeria. Consumer Issues News 4 WOAI :20 Achurch shootin gup in north texasthe killer stiooed by the head of church security. We're hearing from that man, Jack Wilson, and how he was able to save so many lives in just seconds. The search is on for suspects responsible for a deadly shooting. The 19-year-old victim was driving when police say at least 3 gunmen fired into the back						1
Conditions are good enough in Bexar county to allow fireworks in the unincorporated areas for new year's eve. But fire officials are warning it's still dry enough to spark grass fires. No one ever wants it to happen, but gradually, more people are coming to accept that shootings like the one in White Settlement could happen naywhere at any time. It's what's motivating pastors around town to start talking about serious changes to their security. Cas prices are on their way back up after hovering just above 2.00 the past few weeks.
