

Radio Station WINI and W228DP
AM-1420 kHz and FM 93.5 Murphysboro, Illinois
Program Report for Treatment of Significant Public Issues
Quarterly programming report
Report Date: October 10, 2023

In order to address significant public issues and provide for the public good within the Murphysboro, Illinois broadcasting area, Radio Station WINI has identified the following significant issues for the current reporting quarter.

- 1) The need for the public to know about local, regional, national and world news events, with the focus on local news.
- 2) The need for the public to be informed about special local notices and events.
- 3) The need for the public to be informed about various important public issues and events from various public officials and community leaders.
- 4) The need for emergency notices and severe weather alerts.
- 5) The need for broadcasting local school sporting events.
- 6) Religious services to serve the shut-ins of the community or those unable to travel to religious services.

In order to address these significant public issues, Radio Station WINI operates under a format of classic rock from the 1960's, 1970's, and 1980's to provide the following programming services to the community of Murphysboro, Illinois and the surrounding area:

- 1) Regional, National and World news at the top of each hour from 6:00 am to 10:00 pm associated with the Westwood One News Network.
- 2) Local News covering regional and local events produced by WINI ten (10) times per day after the Regional/National and World news.
- 3) Local weather, including severe weather alerts as they occur, and broadcast at least 4 times per hour.
- 4) Public notices and alerts and news releases as requested by the local Police, Fire and School Districts as a free service.

- 5) Religious services and/or announcements of various community churches covering different dominations.
- 6) Additional public notices concerning local announcements concerning COVID-19 and related topics and issues, including area wide closures, re-openings and the distribution of vaccines.

Radio Station WINI (and W228DP) believes these programs provide the public the appropriate venue for significant public issues and provide for the public good within the Murphysboro, Illinois and the surrounding broadcasting area.
