Program/Segment Title: News Story-New bill could give pregnant women more tax freedom

Broadcast Date: January 19, 2024

Broadcast Time: 6 a.m., 7 a.m., 8 a.m.

Duration: 1 minute/each story

Summary: To inform the public about a new bill introduced, this station aired a story about the bill which could give pregnant women more tax freedom.

Lawmakers at the Indiana Statehouse are reviewing a bill (Senate Bill 98) that would allow a person who is pregnant to be able to claim a fetus as a dependent on their taxes.

The bill was reviewed by this week. It was written by State Senator Andy Zay, R-District 17. Zay also brought this bill up last session. Lawmakers won't be taking any action on the bill this session, but it is being brought up to continue the discussion.

Senate Bill 98 says a fetus would be considered a dependent child, which would allow for a \$1,500 dependent child exemption at tax time. The person expecting the child would also qualify for a \$1,000 personal exemption on their taxes.

Program/Segment Title: News Story-Michiganders want gas tax to help maintain roads

Broadcast Date: March 7, 2024

Broadcast Time: 6 a.m., 7 a.m., 8 a.m.

Duration: 1 minute/each story

Summary: To inform the public about an opinion from Michigan residents, this station aired a story about where Michiganders want the state's gas tax to go towards.

A recent poll suggests most Michiganders want more of the funds raised by the state's gas tax to go to maintaining the roads.

A recent episode of the Talking Michigan Transportation podcast revealed poll results stating 82 percent of residents said all taxes paid should go to maintaining roads and bridges.

WSJM reports Michigan is one of only six states charging a sales tax on gas, and very little of the 6 percent tax funds improvements on the bridges and roads.

Program/Segment Title: News Story-Baltimore bridge collapse likely to affect automotive industry

Broadcast Date: March 28, 2024

Broadcast Time: 6 a.m., 7 a.m., 8 a.m.

Duration: 1 minute/each story

Summary: To inform the public about impacts from the Baltimore bridge collapse, this station aired a story about the automotive industry being affected.

Due to the Francis Scott Key Bridge collapsing in Baltimore, it is still being determined when the port will reopen.

However, the bridge will be out of commission for a significant amount of time. A Purdue University professor predicts that the bridge collapse will cause a reduction in car imports from Europe and the Middle East.

David explained that as a result of the bridge collapse, people in Indiana can anticipate longer waits for deliveries, fewer cars available on dealership lots, and a greater need for preordering vehicles ahead of time.

Regarding how this situation affects the Midwest or our local area, the supply chain shortage could actually present an opportunity for businesses to capture more of the market.

Program/Segment Title: News Story-Niles, Brandywine schools on lockdown again

Broadcast Date: March 29, 2024

Broadcast Time: 6 a.m., 7 a.m., 8 a.m.

Duration: 1 minute/each story

Summary: **To inform the public about more threats against area schools, this station aired a story about Niles and Brandywine schools lockdowns.**

For the second day in a row and the fourth time in recent weeks, threats were made against Niles and Brandywine Schools. According to Niles Mayor Nick Shelton, the threat, Thursday, was similar to previous threats.

He says authorities have learned that other schools, nationwide, have received similar threats and that it appears to be a "swatting" call situation. Out of an abundance of caution, the schools initiated lockdown procedures.

Just before 2 p.m. buildings at Brandywine Community Schools had been inspected and were given the "all clear."
