arohler@uwayscc.org

Funding Available for Emergency Food and Shelter Programs

Chautauqua County has been chosen to receive \$45,132 to supplement emergency food and shelter programs throughout the county. The award was made by the Emergency Food & Shelter Program's (EFSP) National Board, which is chaired by FEMA and consists of representatives from the American Red Cross, Catholic Charities USA, National Council of the Churches of Christ USA, The Salvation Army, United Jewish Communities, and United Way Worldwide.

Locally, the United Way of Southern Chautauqua County leads the Emergency Food and Shelter Program and is responsible for distributing these awards. The purpose of these dollars is to expand the capacity of food and shelter programs in high-need areas. "Any organization that operates in our county is eligible and they can contact United Way to better understand how the program works," said Amy Rohler, Executive Director. "These are federal grant dollars so there are some reporting requirements to consider before applying. However, it is our goal to see that they are distributed equitably across the entire county."

Members of the Local EFSP Board include the American Red Cross, Catholic Charities, Chautauqua Opportunities, Inc., UCAN City Mission, Jamestown Meals on Wheels, FeedMore WNY, Pathstone, the Salvation Army of Jamestown, and the United Ways of Northern and Southern Chautauqua County. Many of the local board members have years of experience in understanding the food and shelter needs of Chautauqua County.

Applications are due Wednesday, March 1, 2023. Those interested should contact Amy Rohler at United Way immediately for the application instructions at (716) 483-1561.

About United Way of Southern Chautauqua County

United Way of Southern Chautauqua County fights for Academic Success, Health & Independence, A Ready Workforce, and Self Sufficiency of every person in our local

community. Our human and financial services invest more than \$1.3 million annually in 42 local programs to create sustainable solutions to the challenges facing our community.
