Dear Dr. Griffin:

Per our phone conversation last week this letter will confirm that the Mesquite Public Schools will be receiving TSN programming via satellite for an in-advance fee of \$100 per year to cover postage and handling of TSN related scheduling materials.

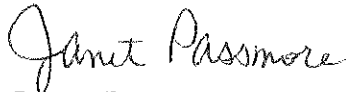

You are allowed at the present time to utilize any programs we carry on the Texas State News Network. We also have three other networks: The Agribusiness Network, The Spanish Information Service and, of course, the TSN Dallas Cowboys Radio Network in both English and Spanish. All of these networks are carried on the same channel except Spanish Cowboys. If you wish to utilize any part of the other Networks (excluding the Cowboys broadcasts) you must get our written permission.

We are going to uplink from our studio site here in Dallas before the end of the year and will be putting some of the programming (probably the Spanish) on B channel.

As I mentioned to you, you will not be allowed to use any part of the Cowboys broadcasts.

If you have any questions, just give me a call.

Sincerely,

Janet Passmore
Affiliate Relations Director

P.S. I will have our Business Manager send you an invoice for the \$100 fee to cover the first year.
