

PRE-FILING ANNOUNCEMENT FOR WGYL

On January 27, 2012, WGYL was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 1, 2020. Our license will expire on February 1, 2020, and we must file an application for license renewal with the FCC on October 1, 2019. When filed, a copy of the application will be available for online inspection in the WGYL online public inspection file, which can be found on the FCC's website at www.fcc.gov. The application will contain information concerning the station's performance over the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether this station has operated in the public interest, should file comments and petitions with the FCC by January 2, 2020. Further information concerning the FCC's broadcast license renewal process is available from the FCC, Washington, DC, 20554 or www.fcc.gov.
