

2024 KTLX ISSUES LIST

The following are the primary issues addressed by KTLX programming during 2024:

- 1) Follow the Great Commission specified in the Bible. KTLX programming provides Christ centered teaching about Jesus and His command to spread His Word throughout the world. You will reach the unseen, unknown person that needs to hear your passion of love. You will reach that person who only you can lead to Christ. You will impact and change the lives of both the lost and those who know Jesus as you teach and preach the Gospel of our Lord Jesus over FM91.3 KTLX. Your greatest reward for helping others may never be known until this life is over, and God Himself reveals the lives that He has transformed through you.
- 2) Issue involving shut-ins or people unable to attend a church service on Sunday. KTLX Broadcasts Trinity Lutheran Church services every weekend.
- 3) Access to worship music. KTLX broadcasts Christian worship music throughout the week in various programs.
- 4) Issue involving contemporary morality, cultural, and social issues. KTLX broadcasts programs that give spiritual guidance by knowledgeable people concerning contemporary morality, cultural, and social issues.
- 5) Issue involving Christians and the handling of money. KTLX broadcasts programs that teach Christians how to handle money using Biblical principles.
