WNSX/Winter Harbor, ME Issues and Programs List 04 2020

WNSX(FM) addresses important community issues in its service area primarily through its extensive local news coverage. WNSX broadcasts full five-minute, locally originated newscasts 11 times daily, Monday-Friday, between the hours of 6:00 am and 6:00 pm.

Additionally, WNSX airs free public service announcements for area non-profit organizations in excess of 75 times per week.

Along with the above, WNSX frequently broadcasts live from fundraising events for non-profits. Oftentimes these events are initiated by WNSX to assist these organizations in their efforts to provide services to the public. Because of the COVID-19 pandemic, many fourth quarter WNSX public service remote broadcasts were cancelled or postponed. However, the following public service events and broadcasts did take place:

- 10/31/20 **Star 97.7/Downeast Family YMCA Trunk or Treat** A four-hour Saturday afternoon event for youngsters and their families. Area non-profits and businesses set up vehicles in the local YMCA parking lot -- practicing social distancing -- and distributed Halloween treats between 1:00 pm and 5:00 pm. The event was initiated by WNSX and was heavily promoted on the air in the days and weeks prior to the event.
- 11/21/20 **Star 97.7/Ellsworth Rotary Food Drive** Three-hour live broadcast to benefit area families with food insecurity, held in the high-traffic Ellsworth Hannaford Supermarket entry area between 10:00 am and 1:00 pm. Listeners were encouraged to come by and drop off either non-perishable foods or cash donations that could be distributed by the Rotary to those in need.
- 11/30/20 SPCA of Hancock County Free Microchipping Event Three-hour live broadcast based in a Trenton auto dealer's parking lot. Listeners were invited to bring their pets to the broadcast to receive free ID microchipping between 11:00 am and 2:00 pm.
- 12/5/20 **Annual Ellsworth Christmas Parade** Because of COVID, the longtime Ellsworth Christmas Parade was forced to reinvent itself. It became a stationary parade in the long, crescent-shaped driveway of the Ellsworth Elementary-Middle School. Spectators' vehicles drove by the parade to view the floats. WNSX broadcast live from the site prior to and during the activities to encourage a large turnout.

The following list details news stories broadcast on WNSX which address the most significant issues identified by WNSX in its service area: Drug Use and Abuse, Economy, Education, Employment/Underemployment, Health, and Political Issues. Dates and times of broadcasts are noted. News stories average 30 seconds in length.
