## WNSX/Winter Harbor, ME Issues and Programs List Q2 2020

WNSX(FM) addresses important community issues in its service area primarily through its extensive local news coverage. WNSX broadcasts full five-minute newscasts 11 times daily, Monday-Friday.

Additionally, WNSX airs free public service announcements for area non-profit organizations in excess of 75 times per week.

Along with the above, WNSX frequently broadcasts live from fundraising events for non-profits. Oftentimes these events were initiated by WNSX to assist these organizations in their efforts to provide services to the public. Because of the COVID-19 pandemic, almost all second quarter WNSX public service remote broadcasts were cancelled or postponed. One broadcast was able to be completed after several postponements:

6/13/20 -- Star 97.7 "Feed the Need" -- Two-hour live broadcast to benefit area food banks, held in the high-traffic Hannaford Supermarket entry area between 10AM and 12N. Star 97.7's "Feed the Need" event conceived and originated by WNSX, wherein listeners are encouraged to donate non-perishable food items and cash to the local non-profits who address food insecurity issues. Interviews were aired with staff from the non-profit organization(s).

3/18 – 6/2/20 – **Star 97.7 Coronavirus Updates** – Aired hourly Monday-Friday between 9AM and 5PM, these 90 second locally-produced features brought listeners up to date on the most recent news regarding coronavirus infections, hospitalizations, deaths, and progress being made in treatment of the disease. A total of 440 reports were aired in this time frame.

The following list details news stories broadcast on WNSX which address the most significant issues identified by WNSX in its service area: Drug Use and Abuse, Economy, Education, Employment/Underemployment, Health, and Political Issues. Dates and times of broadcasts are noted. Each news story is approximately 30 seconds in length.
