WNSX/Winter Harbor, ME Issues and Programs List Q1 2020

WNSX(FM) addresses important community issues in its service area primarily through its extensive local news coverage. WNSX broadcasts full five-minute newscasts 11 times daily, Monday-Friday.

Additionally, WNSX airs free public service announcements for area non-profit organizations in excess of 75 times per week.

Along with the above, WNSX frequently broadcasts live from fundraising events for non-profits. Oftentimes these events were initiated by WNSX to assist these organizations in their efforts to provide services to the public. Two such broadcasts in Q1 2020 were:

1/25/20 -- Star 97.7 Re-Gift-a-Thon -- Three-hour live broadcast to benefit the Emmaus Homeless Shelter in Ellsworth, held in the high-traffic Hannaford Supermarket entry area between 10AM and 1PM. The "Star 97.7 Re-Gift-a-Thon" is an annual event conceived and originated by WNSX, wherein listeners are encouraged to "re-gift" holiday presents that they received but do not want... and could be put to meaningful use by residents of the homeless shelter. Listeners are also invited to contribute items from a list of needs provided by the shelter. Interviews are aired with staff from the Emmaus Shelter.

3/7/20 – Star 97.7 Washington-Hancock Community Agency Food Drive -Three-hour live broadcast to benefit the Washington-Hancock Community Agency
and its efforts to address food insecurity among the elderly and lower income
segments of the area population. Interviews with WHCA personnel and listener
contributors were aired between 10AM and 1PM.

The following list details news stories broadcast on WNSX which address the most significant issues identified by WNSX in its service area. Dates and times of broadcasts are noted. Each news story is approximately 30 seconds in length.
