WNSX/Winter Harbor, ME Issues and Programs List Q3 2020

WNSX(FM) addresses important community issues in its service area primarily through its extensive local news coverage. WNSX broadcasts full five-minute, locally-originated newscasts 11 times daily, Monday-Friday, between the hours of 6:00 am and 6:00 pm.

Additionally, WNSX airs free public service announcements for area non-profit organizations in excess of 75 times per week.

Along with the above, WNSX frequently broadcasts live from fundraising events for non-profits. Oftentimes these events were initiated by WNSX to assist these organizations in their efforts to provide services to the public. Because of the COVID-19 pandemic, almost all third quarter WNSX public service remote broadcasts were cancelled or postponed. However, the following public service broadcasts did take place:

8/8/20 -- **Star 97.7 "Pack the Backpack"** -- Three-hour live broadcast to benefit area teachers and schoolchildren, held in the high-traffic Ellsworth Hannaford Supermarket entry area between 10:00 am and 1:00 pm. Listeners were encouraged to come by and drop off either cash donations or school supplies that would be forwarded to area classrooms and schoolchildren.

9/19/20 -- Ellsworth Public Library Open House -- Three-hour live broadcast at the Ellsworth Public Library to build awareness of the library's programs and services, and to thank the library staff for their extra efforts during the pandemic. Library personnel were interviewed on the air to promote the library's activities.

The following list details news stories broadcast on WNSX which address the most significant issues identified by WNSX in its service area: Drug Use and Abuse, Economy, Education, Employment/Underemployment, Health, and Political Issues. Dates and times of broadcasts are noted. New stories average 30 seconds in length.
