Hello Ms. Fox, Wbsm news,

Please consider a PSA announcement for the Westport Friends' 55th Annual Book Fair. They are celebrating their **300th anniversary** this year and this is their primary fundraiser. Anything you can do to publicize the event would help. (See info below)

I am also including a press release for you to look over. We would love it if you would consider interviewing one or two of the Westport Friends members on-air to discuss the long history of their book fair as well as the 300th anniversary of their meeting. There are several historical figures who were members of the Westport Friends Meeting including (probably the most famous) Paul Cuffe who is buried on the Meeting House grounds.

Thanks for your time,  
Laura
