### **FAMILY TALK**

**HOST: DR. TIM CLINTON - GUEST: DAN SEABORN - OCTOBER 17, 2022**

Not only are Christian parents forced to raise their kids in a culture that denies the traditional values of their faith, but also in one that strongly opposes them at every turn. On today's edition of Family Talk, Dr. Tim Clinton and his guest, author Dan Seaborn, address this concern by breaking down Dan's recent book, *Winning at Home*. Seaborn stresses the need for parents to have a solid foundation in Christ to support their parenting efforts, even when they are at their wits' end.

**HOST: DR. TIM CLINTON - GUEST: JANET PARSHALL - OCTOBER 24, 2022**

The problem in our culture is simple. Like the Israelites in Judges 17:6, everyone is doing what is right in his or her own eyes. On today's edition of Family Talk, Christian radio host Janet Parshall says that anytime people search for their significance apart from the Lord, it leads to sinful chaos. From the increase in "gender affirming" care to new definitions of marriage, Americans are rejecting their God-given design. If Christians want God-honoring, pro-family policies re-established and maintained in our nation, we must make our voices heard at the polls.

**HOST: DR. TIM CLINTON - GUEST: JANET PORTER - NOVEMBER 02, 2022**

After *Roe v. Wade* crumbled to the ground on June 24, 2022, nearly 20 states passed laws protecting unborn babies. On today's edition of Family Talk, Janet Porter, the architect behind The Heartbeat Bill, rejoices that so many states have protected babies. A federal Heartbeat bill would protect children in the womb, even in the

darkest blue states like California, Michigan, and New York. Proverbs 24:11 commands us to “rescue those being carried away to slaughter.” The church needs to rise up now and be a voice for the voiceless.

**HOST: DR. TIM CLINTON - GUEST: JANET PORTER - NOVEMBER 03, 2022**

Ever since the bad law known as *Roe v. Wade* was overturned by the Supreme Court, the current administration has wanted to codify the right to an abortion that would allow this shameful act from conception through birth and perhaps beyond. On today’s edition of Family Talk, Janet Porter, founder of Faith2Action, quotes Dietrich Bonhoeffer. He said, “Not to speak is to speak. Not to act is to act. God will not hold us guiltless if we are silent in this hour.” The people of God need to rise up in defense of the unborn.

**HOST: DR. JAMES DOBSON - GUEST: DR. WILLIAM LILE - DECEMBER 12, 2022**

In 1999, Dr. William Lile, also known as “the pro-life doc,” purchased the largest abortion practice in the Florida Panhandle. He immediately stopped all abortions and redesigned the practice, dedicating it to women and their babies’ health. On today’s edition of Family Talk, the obstetrician explains that he has two patients – the pregnant mother and her pre-born baby. With the advance of technology, Dr. Lile can perform life-saving surgeries on babies in the womb. Sadly, Christian medical students are being unfairly rejected as residents because of the evil, pro-abortion mentality of today’s medical industry.

**HOST: DR. JAMES DOBSON - GUEST: DR. WILLIAM LILE - DECEMBER 13, 2022**

Prior to the COVID-19 pandemic, 39% of all American abortions were the result of the abortion pill known as RU-486. Today, a shocking 54% of abortions occur through the deadly procedure. On today’s edition of Family Talk, Dr. William Lile discusses a resource that has rescued over 3,000 babies. After taking the lethal abortion pill, a mother can contact [AbortionPillReversal.com](http://AbortionPillReversal.com), where trained professionals will offer support and outreach to potentially help save her baby. This could be through the prescription of the natural hormone progesterone, with the hope of preserving the pregnancy. The goal is to start treatment within the first 24 hours, but many successful reversals have occurred within the first 72 hours of taking the first set of pills.

## **FOCUS ON THE FAMILY**

October 3: Abortion Pill Reversal - Medical abortions are promoted as “safe and easy,” but few women understand the long-term consequences of terminating a child. We’ll examine how the abortion pill works and how prolife doctors may be able to reverse the process.

But then God gently changed his heart. Joe shares about his repentance and restoration while addressing major controversies in today’s cancel culture.

December 5-6: Embracing God's Truth in a Hostile Culture - I & II - As our culture grows more hostile to Christianity, we can stand on the shoulders of believers who've walked before us.

December 28: Parenting Teens Toward Adulthood – II - Have you ever felt it was IMPOSSIBLE to communicate with your teenager? I know I have! Psychologist Dr. Ken Wilgus explains key strategies to improve those conversations, from giving advice to your teen, to conveying expectations and consequences.

several critical points from Dan's book, *Winning at Home*. Seaborn shares his rich experiences in parenting alongside his wife through good and difficult times. He also offers a final encouragement to parents who are having challenges raising their kids in the midst of the secular culture.

**HOST: DR. TIM CLINTON - GUEST: TORI HOPE PETERSEN - NOVEMBER 16, 2022**

As a young girl, Tori Hope Petersen grew up in a home where she experienced abuse. As a result, she was placed into the foster care system and remained there until she was 18. On today's edition of Family Talk, Tori discusses her testimony and memoir, *Fostered: One Woman's Powerful Story of Finding Faith and Family through Foster Care*. Learn how Tori's frequent moves between foster homes created instability, stress, and a lack of trust in relationships. But amazingly, she defied the odds and found Jesus in the process. She claimed Genesis 50:20 as her life verse, and as a result, she became an All-American track and field star at Hillsdale College and saw that what the devil meant for evil, God redeemed for her good.

**HOST: DR. TIM CLINTON - GUEST: TORI HOPE PETERSEN - NOVEMBER 17, 2022**

When Tori Hope Petersen was a pre-teen, her mom was diagnosed with bipolar schizophrenia. Sadly, that trauma, combined with physical abuse, forced Tori into the foster care system. The ensuing years saw her bouncing around 12 temporary homes. On today's edition of Family Talk, Dr. Tim Clinton and Tori continue discussing her book, *Fostered*, and her experiences in the system. She shares how her high school track coach became a source of encouragement for her and ultimately adopted her in her late teens. With over 400,000 children in the system, Tori urges listeners to think about providing a loving home to foster kids in desperate need of stability.

**HOST: DR. JAMES DOBSON - GUEST: CHARLIE KIRK - NOVEMBER 30, 2022**

1 Timothy 4:12 says, "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity." On today's edition of Family Talk, Dr. James Dobson interviews Charlie Kirk. They discuss the importance of reaching young people and encouraging them to step into the culture to make a difference with the gospel. When asked if there is a hunger for the Good News on college campuses today, Charlie said that beneath the noise and clamor of secular society, there are many who are looking for hope and a Savior.

**HOST: DR. JAMES DOBSON - GUEST: CHRISTINE SOULE - DECEMBER 08, 2022**

Christine Soule's family was beyond dysfunctional. Her father was married eight times and her mother was married four times. If that wasn't hard enough, Christine's adopted father had an affair with her sister and they ran off and got married. On today's edition of Family Talk, Christine shares that her traumatic childhood led her down a dark path filled with pain, confusion and sin. Miraculously, at the age of 21, she came to know Jesus Christ and He turned her life around. Today, Christine is empowering other traumatized young women to make wise decisions through her Seattle ministry, Providence Heights.

**HOST: DR. JAMES DOBSON - GUEST: CHRISTINE SOULE - DECEMBER 09, 2022**

On today's edition of Family Talk, Dr. James Dobson and his guest, Christine Soule, continue discussing her life and her book, *Broken and Beautiful*. One Scripture that has been a platform for Christine's life is Genesis 50:20,

“You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives.” Indeed, the Lord has used her pain and brokenness to bring hope and healing to women and children who have walked a similar path. Christine urges believers to welcome those curious souls who are in pain and walk into the church but who do not look like them, because they are often searching for a place to belong.

Theologian A.W. Tozer once said, “A scared world needs a fearless church.” When Russia attacked Ukraine in February 2022, fear was rampant. Five million refugees escaped into nearby countries, while another seven million Ukrainians were displaced. Over the last few months, CityServe has equipped 1,800 Ukrainian churches and another 1,000 churches in neighboring countries with food and supplies. And finally, reinforce these ideas through discussion.

**HOST: DR. JAMES DOBSON - GUEST: ERIC METAXAS - OCTOBER 04, 2022**

A fresh cut floral arrangement is symbolic of America. Severed from our historical Christian roots at the hands of a hostile culture, we are dying as a nation. On today's edition of Family Talk, Dr. James Dobson and Eric Metaxas continue to discuss the state of our country and Eric's book, *If You Can Keep It: The Forgotten Promise of American Liberty*. Dr. Dobson and Metaxas remind us of the importance of American liberty, and what we can do as a nation to save it. Without cultivating the knowledge of our country's history, we cannot hope to shape its future.

**HOST: DR. JAMES DOBSON - GUEST: DR. WILLIAM LILE - DECEMBER 13, 2022**

Prior to the COVID-19 pandemic, 39% of all American abortions were the result of the abortion pill known as RU-486. Today, a shocking 54% of abortions occur through the deadly procedure. On today's edition of Family Talk, Dr. William Lile discusses a resource that has rescued over 3,000 babies. After taking the lethal abortion pill, a mother can contact [AbortionPillReversal.com](http://AbortionPillReversal.com), where trained professionals will offer support and outreach to potentially help save her baby. This could be through the prescription of the natural hormone progesterone, with the hope of preserving the pregnancy. The goal is to start treatment within the first 24 hours, but many successful reversals have occurred within the first 72 hours of taking the first set of pills.

**HOST: DR. JAMES DOBSON - GUEST: RABBI JONATHAN CAHN - DECEMBER 19, 2022**

According to Rabbi Jonathan Cahn, America's disturbing rejection of the one true God has opened the door for the return of the ancient gods. On today's edition of Family Talk, Dr. James Dobson and Cahn discuss the research and findings in his new book, *The Return of the Gods*. Rabbi Cahn explains that the presence of the Dark Trinity — comprised of Baal, Ishtar, and Molech—on American soil has led to our embrace of wicked practices. Ephesians 6:12 warns, "For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places."

**HOST: DR. JAMES DOBSON - GUEST: RABBI JONATHAN CAHN - DECEMBER 20, 2022**

On today's edition of Family Talk, Dr. James Dobson and Rabbi Jonathan Cahn continue to discuss Rabbi Cahn's new book, *The Return of the Gods*. You'll hear more details about the Dark Trinity, comprised of Baal, Ishtar, and Molech. Following Baal, the god of apostasy, Ishtar, the goddess of sexual perversion has led

America down a road of pornography and sexual immorality. Finally, just as Molech enticed ancient Israelites to sacrifice their children in the fire, we have sacrificed our children through the atrocity of abortion.

**HOST: DR. TIM CLINTON - GUEST: DR. GARY OLIVER - OCTOBER 25, 2022**

During a period in which he survived eight cancer surgeries and the removal of 80 percent of his tongue, Dr. Gary Oliver buried his father, his son, his only sibling, and his wife in a span of just four years. Because of the suffering that Dr. Oliver endured, he has been called a "modern-day Job." On today's edition of Family Talk, he reveals that in the face of unspeakable grief, his lifeline has been gut-wrenchingly honest prayer. In return, God has given him an indescribable joy and peace.

**HOST: DR. TIM CLINTON - GUEST: TORI HOPE PETERSEN - NOVEMBER 16, 2022**

As a young girl, Tori Hope Petersen grew up in a home where she experienced abuse. As a result, she was placed into the foster care system and remained there until she was 18. On today's edition of Family Talk, Tori discusses her testimony and memoir, *Fostered: One Woman's Powerful Story of Finding Faith and Family through Foster Care*. Learn how Tori's frequent moves between foster homes created instability, stress, and a lack of trust in relationships. But amazingly, she defied the odds and found Jesus in the process. She claimed Genesis 50:20 as her life verse, and as a result, she became an All-American track and field star at Hillsdale College and saw that what the devil meant for evil, God redeemed for her good.

**HOST: DR. TIM CLINTON - GUEST: TORI HOPE PETERSEN - NOVEMBER 17, 2022**

When Tori Hope Petersen was a pre-teen, her mom was diagnosed with bipolar schizophrenia. Sadly, that trauma, combined with physical abuse, forced Tori into the foster care system. The ensuing years saw her bouncing around 12 temporary homes. On today's edition of Family Talk, Dr. Tim Clinton and Tori continue discussing her book, *Fostered*, and her experiences in the system. She shares how her high school track coach became a source of encouragement for her and ultimately adopted her in her late teens. With over 400,000 children in the system, Tori urges listeners to think about providing a loving home to foster kids in desperate need of stability.

**HOST: DR. JAMES DOBSON - GUEST: DR. WILLIAM LILE - DECEMBER 14, 2022**

On today's edition of Family Talk, Dr. William Lile shares that in the fight against abortion, the battle for life is not just for God's pre-born, but for the heart and soul of this nation. The "pro-life doc" points out that now is the time to be preparing the church and pro-life organizations for what's to come, given that *Roe v. Wade* was overturned. He points to the irony that Congress penalizes those who disturb the freshly laid eggs of endangered sea turtles on the beach with a \$100,000 fine, while a woman can terminate her pregnancy in any trimester with no legal repercussions. Dr. Lile states that every Christian, like the biblical Esther, must be prepared to become a voice for the voiceless "for such a time as this."

**HOST: DR. TIM CLINTON - GUEST: DAVE DONALDSON & WENDELL VINSON - OCTOBER 06, 2022**

Theologian A.W. Tozer once said, “A scared world needs a fearless church.” When Russia attacked Ukraine in February 2022, fear was rampant. Five million refugees escaped into nearby countries, while another seven million Ukrainians were displaced. On today's edition of Family Talk, Dave Donaldson and Wendell Vinson, the CEO and President of CityServe International, respectively, proclaim what Satan meant for great harm, God is using for His glory. Over the last few months, CityServe has equipped 1,800 Ukrainian churches and another 1,000 churches in neighboring countries with food and supplies. The ultimate mission is to lovingly care for people and unapologetically proclaim the gospel.

**HOST: DR. TIM CLINTON - GUEST: DAVE DONALDSON & WENDELL VINSON - OCTOBER 07, 2022**

According to Dave Donaldson and Wendell Vinson, the CEO and President of the CityServe International, the ability to mobilize local churches to provide resources to people in need allows for an open door to share the love of Jesus. On today's edition of Family Talk, Dr. Tim Clinton continues his conversation with Dave and Wendell, who highlight the mission of CityServe and the value of stepping up and taking initiative in serving the community. Through the Farmers to Families program and Operation Border Blessing, CityServe has been able to assist churches nationwide and be a distribution anchor to neighborhoods. 1 Peter 4:10 says, “Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.”

**HOST: DR. TIM CLINTON - GUEST: JANET PARSHALL - OCTOBER 24, 2022**

The problem in our culture is simple. Like the Israelites in Judges 17:6, everyone is doing what is right in his or her own eyes. On today's edition of Family Talk, Christian radio host Janet Parshall says that anytime people search for their significance apart from the Lord, it leads to sinful chaos. From the increase in “gender affirming” care to new definitions of marriage, Americans are rejecting their God-given design. If Christians want God-honoring, pro-family policies re-established and maintained in our nation, we must make our voices heard at the polls.

**GUEST: LT. GEN. (RET.) JERRY BOYKIN - NOVEMBER 10, 2022**

According to Lt. Gen. (Ret.) Jerry Boykin, America's military is in a steep decline. Sadly, it has been transformed by secular politics. On today's edition of Family Talk, Lt. Gen. (Ret.) Boykin explains that for every minute that young recruits are indoctrinated with this "woke" ideology, they're spending less time training to defend our country. Consequently, fewer young people are joining the military. It's long overdue for our armed forces to be restored back to greatness.

**HOST: DR. JAMES DOBSON - GUEST: LT. GEN. (RET.) JERRY BOYKIN - NOVEMBER 11, 2022**

Did you know that all branches of the U.S. military are struggling to recruit young people to serve our country? Or that the U.S. Army missed their goal this year by 15,000 soldiers? On today's edition of Family Talk, Lt. Gen. (Ret.) Jerry Boykin continues speaking on the moral decline in America's armed forces and its dangerous effect. Due to the focus and embrace of political "woke" ideology, this decorated warrior states that there are too many soldiers who are ill-equipped today for the rigors of combat.

**HOST: DR. JAMES DOBSON - GUEST: DR. WILLIAM LILE - DECEMBER 12, 2022**

In 1999, Dr. William Lile, also known as "the pro-life doc," purchased the largest abortion practice in the Florida Panhandle. He immediately stopped all abortions and redesigned the practice, dedicating it to women and their babies' health. On today's edition of Family Talk, the obstetrician explains that he has two patients – the pregnant mother and her pre-born baby. With the advance of technology, Dr. Lile can perform life-saving surgeries on babies in the womb. Sadly, Christian medical students are being unfairly rejected as residents because of the evil, pro-abortion mentality of today's medical industry.
