3:48:33 The reason I'm with Romney is because I think he has the best chance of beating Obama Mitt Romney 3:52:40

We're gonna hopefully pick up a few more states and become the nominee 3:53:50

Jason Chaffetz Mitt Romney's done something no one's every done before and that's win in Iowa and win in New Hampshire, it really is a historical night, nobody's every done that before.

3:49:43 Laurie MacCall/New Hampshire Voter Do you feel like you sent a message with this vote and if so what?

I hope we sent a message and I hope the message is we can't tolerate another four years of Barack Obama's policies. They've put our country in the mess that we're in today.

3:54:10 Jason Chaffetz

This campaign has gotten tough. If you think it's tough now wait until the DNC and the White House and president Obama's coming after you so it's a good warm up and uh Mitt's on the right path, he's gonna be the republican nominee I'm convinced of it.

Romney

3:53:05 we're on to victory, thank you!
