<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:24	10/10/2022	11:13p	accidents and Disasters	a chaotic scene. this at a stater brothers in rialto. a woman trying to drive into a space hit the gas instead of the brake. eight people were injured including the driver, but none of the injuries appear to be life threatening.
0:49	10/12/2022	11:09p	accidents and Disasters	more than one firefighters with the lafd on scene after this commercial building in van nuys went up in flame. it was so intense, crews had to block off part of van flies boulevard when the front of the main building collapsed. one firefighter was injured and taken to the hospital for heat exhaustion. it took about four hours to get this fire under control.
2:50	10/12/2022	11:16p	accidents and Disasters	one month ago today, two mountain communities in san bernardino county were devastated by mud slides and debris floes. one woman was killed and dozens of homes and businesses were damaged or completely destroyed. nbc 4's tony shin went back tom area and found that some people are still struggling to rebuild. now i've got my driveway back. we're getting back to normal. it's been a month since a dangerous debris floe damaged the richy family home. this is what it looked like as a powerful storm brought down heavy rain on the el dorado burn scar, destroying or damaging multiple homes and also killing a 62-year-old grandmother. we've been having thunderstorms every afternoon. we're biting our finger nails. and everybody is like, i hope this isn't a repeat of what happened last month. how much worse could this get? olin richy said despite the lingering threat, they've already spent more than \$20,000 of their own money to repair the garage. and the insurance companies aren't doing much for anybody. mainly we're hearing, we don't cover this. this isn't our responsibility. reporter: so the richies have been depending on friends and volunteers from their church to help them.
0:33	10/20/2022	11:09p	accidents and Disasters	new tonight, a tear paying the video shows moments when alhambra police officers tried to pull a driver out of a burning car. can you get out? come on, get out of the car! they were successful. this happened around 2:00 this morning on north atlantic boulevard.
1:05	10/25/2022	11:09p	accidents and Disasters	heart breaking moments at san jose state university today. it is the parents of a freshman football player traveled from their home in sylmar to speat the university. this just days after their son was killed by a school bus. camden was killed on 48 morning when he was hit by a school bus while he was riding a scooter near the campus. he was a star player for saint genevieve in panorama city before earning a spot on the san jose state team. camden was a very special type of son.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
2:15	11/3/2022	11:06p	accidents and Disasters	we are learning more tonight about that worker in lax still in a coma. after a carbon dioxide leak on monday morning. hides family is speaking out about his condition and what they believe happened. nbc4's hedi chang reports. reporter: the family of christopher abraham tells us doctors have now put him in a medically induced coma. he has a long road to recovery. loved ones of christopher abraham say they have been rotating shifts at ronald reagan ucla medical center to make sure someone from the family is there by his side. we are wanting to keep chris aware he is loved. reporter: abraham, a pipe fitter an outside company is one of four workers at lax who was exposed to a dangerous carbon dioxide leak monday morning. the three others were treated for minor complaints. abraham was the only one who was not able to escape that room. he was on the ladder mending a leak. he said get the hell out of here. when they turned back, he wasn't with them in the exit.
0:26	11/11/2022	11:02p	accidents and Disasters	we also have some new video tonight of a fire that destroyed a business in san juan capistrano. heavy smoke and flames from a building. this fire started just before 8:00. firefighters quickly went into defensive mode, meaning, they did not try to fight the fire from inside the building.
0:39	11/11/2022	11:16p	accidents and Disasters	passenger in this now unrecognizable tesla is dead after a fiery crash. the driver rushed to the hospital in critical condition. several other cars were also involved. this happened around 1:00 this morning in garden grove. police believe the driver of the tesla was speeding while under the influence when he hit two other cars.
0:23	11/15/2022	11:18p	accidents and Disasters	and some scary moments for a family in anaheim where a car crashes into their home while they are asleep. surveillance video showing the moments before impact. this happened just before 2:00 this morning on belmont avenue, the car went through a brick wall and smashed into the house.
2:10	11/29/2022	11:05p	accidents and Disasters	new tonight, he was just sitting at a stop light like he's done so many times before when it happened. an out of control car slammed into a pick-up truck which then slammed into him. tonight, we're hearing from the motorcycle rider whose go pro was riding when his life changed. that driver, as you can imagine, was badly hurt. amazingly, he survived and is telling his story. nbc 4's beverly white has more from his point of view. reporter: monday, steven levy cruised malbool with a camera on his chest. his camera was rolling around noon when a speeding car struck a truck and the truck slammed into levy. aftermath shows the car in flames and levy's bike under a truck. he woke up in a hospital and remembered his camera. i had the nurses bring my phone to me. and when i went to the very last thing that was recorded, i have no recollection of the accident so i didn't, it's not like i could brace myself, knowing what happened.
0:52	12/1/2022	11:11p	accidents and Disasters	this is in west covina, a bad crash. reporter: a crash happened tonight among multiple cars and multiple injuries with at least one person extremely critical. there's more vehicles involved in that collision. the police department is investigating the cause. streets in the area will be shut down for the investigation.
0:33	12/15/2022	11:16p	accidents and Disasters	take a look at this dramatic video tonight of a pilot ejecting from a fighter jet after a failed landing attempt today. this happened at the naval air station joint reserve base in fort worth, texas. the old carswell air force base.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:36	10/27/2022	11:08p	Business & Industry	the chief twit as he calls himself has taken over twitter with a major shakeup. elon musk, the richest person in the world wasted no time in firing the company's top management. all of them. musk tweeted tonight, quote, the bird is freed. in april of last year, elon musk offered \$44 billion to buy the company and take it private.
0:26	11/3/2022	11:18p	Business & Industry	for employees, the dust hasn't settled yet on elon musk's \$44 billion takeover of twitter. he could begin laying off hundreds of people tomorrow. that is according to an internal email obtained by nbc news.
2:41	11/11/2022	11:04p	Business & Industry	a rise in crime in growing number of congress in downtown long beach has business owners there at a boiling point. sales are down and many are promising to leave the city if a solution does not come from. hedy chang is live in long beach tonight with more. reporter: a lot of the business owners blamed these ongoing safety issues, one restaurant owner told me, his business has not been this bad since the pandemic. even the crisp, cool night did not stop people from grabbing their favorite bolo drink. woodworkers peer has hit customers most-- in this area, downtown long beach, there is a rise of crime. reporter: this is now among the many businesses here who feel a rise in homelessness, crime, and safety concerns is driving away customers and its own, their own employees. throughout the day or night, there has been a couple of occasions where some of our workers have been threatened. reporter: across the way at the portuguese bin distillery-- i don't think it is a matter of whether businesses will close down, it is a matter of when. reporter: owner, simon haxton, says, his business is that bouncing pandemic levels.
0:29	11/16/2022	11:18p	Business & Industry	after a chaotic takeover of twitter, elon musk employees and ultimatum. commit to working long hours, or leave. a company having white the center sturdy and shared with cnbc for current twitter employees demanding employees work long hours at high intensity, or get three months severance pay .
0:32	12/12/2022	11:15p	Business & Industry	the founder and former ceo of the \$32 billion cryptocurrency giant known as ftx has been arrested. sam bankman-fried was taken into custody in the bahamas after u.s. prosecutors filed criminal charges against him. now, we still don't know exactly what those charges are.
0:40	12/15/2022	11:06p	Business & Industry	and developing tonight, twitter has suspended several journalists who have been covering the company and its new owner elon musk. musk says their accounts broke the rules when they posted links to websites that track private jets, including the one he he owns. now, some of the messages said the accounts were permanently suspended, but elon musk has indicated the suspensions would only last about seven days.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
2:29	10/18/2022	11:09p	children & youth	a high school senior making gridiron history's going two touchdowns. she is the first high school girl in california history to do so. we introduce you now to the star football player who says that she has dreamt of this moment since childhood. reporter: keep your eye on number 24. a running back and defensive and one of the toughest players. her name is bella rasmussen. the 17-year-old senior made history on friday becoming the first girl in state history to score 2 touchdowns. when it happened a second time i thought it was incredible. i didn't find out until later that night that it was state history. in us that i am on cloud nine right now when i found that out. she tells us history making touchdown against santa ana has been a dream of hers that she fell in love with football at six years old. her playground was the gridiron. my brother and my cousins always played football. and i was such a rambunctious kid. i was always playing with them. we were all such physical kids. reporter: and people told her know it only fueled her fire.
0:27	10/18/2022	11:33p	children & youth	more than 80% of students are living in poverty. the new project is giving them a lesson and healthy eating from start to finish. they receive bags of free fruits and vegetables sponsored by nonprofits like common threads and more offering afterschool cooking programs on campus teaching young people how to cook healthy meals for their families.
1:55	10/20/2022	11:14p	children & youth	students holding a was goneout and parents -- a walkout and parents demanding accountability. two teenagers were stabbed there yesterday and so far, no one is in custody. nbc 4's lauren coronado spoke with parents after a very heated school meeting tonight. we weren't allowed into the meeting that lasted about two and a half hours. parents tell us it was a packed auditorium and unfortunately, many say they just didn't receive the the answers they were hoping for. a lot of parents were angry. we were yelling. everybody wanted to be heard. reporter: rosa was one of dozens of parents had a showed up to a schoolwide meeting at john marshall high school in los feliz tonight. the principal trying to address parents' concerns a day after two students were stabbed on campus and rush to a local hospital.
0:47	10/20/2022	11:33p	children & youth	and a special night at the onlyra for hundreds of kids from the laud and other locations. they attended the final dress rehearsal of omar. it is about a person whose autobiography in 1831 is the only known american narrative of slavery written in arabic. for many of these students, this was their first time watching live opera at the dorothy chandler.
0:45	11/11/2022	11:15p	children & youth	narcan has saved another high school teenager. a 15-year-old at arlington high school in riverside nearly died from a pill laced with fentanyl. she was in the school's office for another reason when all of a sudden, she just collapsed. a staff member quickly called 911. first responders then quickly assessed the situation when they got there and administered narcan.

4:26	12/1/2022	11:15p	consumer	<p>what if you had an illegal airbnb with tourists coming all hours of the day and night. would the city of l.a. do enough to help you? angry neighbors say no. desperate for help they turn to joe grover. reporter: most lly rent controlled apartments with long time tenants except this duplex where the unit is listed on airbnb as a beverly hills apartment. reporter: how important is it for the city to protect rent stabilized apartments? it's essential to the character of los angeles. reporter: tourists come and go night and day, slamming dars and mangi making noise. everybody is constantly coming and going with suitcases. reporter: the i-team says the city rarely takes tough action against illegal air for over two years. in 2020 the city issued a warning letter to the owner. then three months later another warning but no fine. the city issues warnings but very few fines. the city fines me if i park in the wrong zone. the city has no problem. reporter: the l.a. housing department regulates airbnb rentals. the number of citations with fines keeps dropper. in most cases the fine was just \$500, a small fraction of what the host can make with just one visitor. is the city issuing enough fin fines to stop them? absolutely not. i think one of the best ways to protect housing to make sure we're preserving it. reporter: we asked a manage about the rentals in the building. are these units airbnb's? most of them yes. odid you have any trouble renting it for two nights? no. in an e-mail they said the process is set by city ordinance and for the illegal airbnbs the housing department says it's continuing to pursue additional enforcement. i'm joel grover. the i team tried to reach out to the hosts and owners of their properties b propertie properties.</p>
0:52	12/12/2022	11:16p	consumer	<p>we have a very important reminder for families who buy their own health insurance. one of covered california's open enrollment deadlines is at the end of this month. now, for benefits that kick in on january 1st the last day to sign up is december 31st. and you'll get one more month for benefits that start february 1st. this year many people qualify for plans as low as zero dollars.</p>
0:42	12/19/2022	11:10p	court and legal decisions	<p>the u.s. supreme court has issued a temporary stay to keep title 42 in place. that is the covid-era immigration ban that was set to expire on wednesday. 19 republican-led states asked the u.s. supreme court to intervene, saying lifting that ban would cause a crisis at the u.s. border. the-city of el paso in texas has already declared a state of emergency.</p>

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
2:47	10/3/2022	11:00p	crime and Law Enforcement	<p>now at 11:00, a studio city community rallies behind one of its neighbors after a random attack in front of his home. police are looking for that man, and the second man, who the victim says was yelling threats. good evening, everyone. that attack happened on friday night. nbc for is live tonight in studio city with more on the search and that victims condition. heady? reporter: chuck and colleen, that homeowner is going to be okay. he did suffer some serious injuries after his family says two men attacked him, one holding a very large metal pole. now, since the attack on friday, neighbors have been putting up signs like that one, and they have been on the lookout for those two men. originally, we bought the house because we like to be able to walk places. reporter: proximity to restaurants and shops along ventura boulevard made this a studio city neighborhood appealing for cecelia gato and her family. it is a quick access, in a doubt. reporter: for those very same reasons, got to enter neighbors say homeless have been camping out on and around their property. on friday, i also is an encounter with one of them turned violent for her husband, seen here in his hospital bed.</p>
0:48	10/3/2022	11:03p	crime and Law Enforcement	<p>developing tonight, the search for a family of four, allegedly kidnapped and taken against their will, including an 8-month-old child. mercer county deputies say they were taken from a business in south merced. tonight, there is a statewide manhunt for the person responsible. here is a photo of the suspect that he is considered armed and dangerous.</p>
2:15	10/3/2022	11:06p	crime and Law Enforcement	<p>there will be no charges filed against the l.a. sheriff's deputy who, two years ago, shot a man in the back, killing him at a home in willowbrook. beverly white, now, with the response from the family. reporter: fred williams the third was pursued, shot, and killed by an l.a. sheriff's deputy in october of 2020 after meeting with the das office today, his father says he is not surprised the deputy will not be prosecuted. i am disappointed, today, are -- i expected it, knew what would happen when i continue to meet these guys. reporter: fred williams jr. says he is mentally drained after a meeting with l.a. da staff confirmed the unnamed deputy who fatally shot his son, 25-year-old fred williams the third will face no charges for the killing. basically, they said they did not have enough evidence to prosecute the officer. which, not saying that he was wrong or right. reporter: deputy buddy camera showed deputy williams trying to escape century station patrols, running through backyards, hopping onto a shed, where he was shot by the deputy.</p>
2:14	10/3/2022	11:15p	crime and Law Enforcement	<p>a gunman held up and carjacked an amazon truck and driver in san bernardino. police say they caught one person but others are still on the run. now, for the first time, we are hearing from the driver and one of the owners of the truck. here is vicki vargas. reporter: the driver of this amazon truck says he was on his delivery route when he was carjacked at gunpoint. he says the gunmen took his load of amazon packages and then took off. what they did not know is that the truck has a tracking device inside and the owner of the van was hot on their trail. our truck to the van to a field i walk up to the field, he saw me and shot at me. i took off running back toward my car. reporter: j says he ducked, then he stopped long enough to take these photos. he says they show the suspect opening some of the amazon boxes. when police arrived, the suspect scattered. one of them hopped in the van and drove away, leaving a trail of empty boxes behind.</p>

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
2:23	10/4/2022	11:00p	crime and Law Enforcement	nbc 4 news at 11:00 starts with breaking news. he is carjacking this guy right now! right now at 11:00, a carjacking in a newport beach neighborhood causes a lockdown for hours. good evening. i am chuck henry. and i am colleen williams. the standoff came to an end tonight with an arrest. let's get to robert kovacic who was live right now in newport beach. robert? reporter: colleen and chuck, this is something that the people of newport beach are not used to. a dangerous day shattering this tranquil neighborhood. this was a guy who gave them a little bit of everything. a double carjack or who even demanded a wardrobe change. newport beach police say that they got their man, but not everything. there was a report that he was armed with a handgun. the handgun has not been located, but we are searching the area for that handgun. reporter: the original crime was a carjacking at nearby fashion island. an armed man allegedly pulling a woman from her car, then taking the car and crashing it into a nearby office.
0:16	10/4/2022	11:02p	crime and Law Enforcement	news chopper 4 was overhead for a high-speed chase in l.a. tonight. one of them was wanted for assault with a deadly weapon.
0:33	10/4/2022	11:03p	crime and Law Enforcement	we have new details on an issue in studio city. last night on our broadcast we told you about a resident who was assaulted in front of his home by a homeless man. police say that have arrested the person responsible. police approached the people squatting on their property and told them and that they were trespassing.
2:52	10/4/2022	11:03p	crime and Law Enforcement	and lapd officer died during training last may. his family thinks otherwise. an attorney for the family says that something more was going on when officer tipping died. investigative reporter eric leonard has some more developments in this case. reporter: this is 34-year- old officer houston tipping who died during a training exercise inside a police academy classroom back in may. we have free reign to look at anything and everything that could be an ingredient and what happened. reporter: lapd director of constitutional policing elizabeth rhodes was in charge of the inquiry. she says that she found no evidence of misconduct on the part of anyone involved. there are a number of allegations for which we have not seen any evidence out there. reporter: the report, being made public today, details what happened in the bicycle tactics class in which tipping was one of the instructors and was role- playing as an aggressive person confronting one of the officers who was a student in the class. chief michael moore told the police commission today that the injury happened when tipping, while teaching a specific tactic, grabbed the student officer and the two fell to the floor of the classroom.
0:48	10/4/2022	11:06p	crime and Law Enforcement	stockton police released this photo of the person of interest, saying that the man has an uneven stride and walks extremely upright. during a press conference, investigators told reporters that the suspect looked for an opportunity to attack his victims in dark areas. by definition, the shootings are a series of killings, so we believe we could have a potential serial killer.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:44	10/4/2022	11:17p	crime and Law Enforcement	new 11:00, some scary moments for a mother and her son in santa clarita after they became victims of a fake 911 call. it is called swatting. that is where somebody calls police and tells them that there is an emergency when there isn't one. santa clarita sheriff's office got a call this evening from someone who claimed that they had shot their father, pistol- wept their girlfriend, and tied them both up.
0:32	10/4/2022	11:17p	crime and Law Enforcement	new tonight, hundreds of la county poll workers may have had their personal information stolen. today, district attorney george gascon announced the arrest of a software company ceo by the name of eugene yu. he was arrested in michigan.
0:26	10/10/2022	11:09p	crime and Law Enforcement	news chopper 4 was over the tail end of a stolen car pursue. it started in san bernardino county. then orange county and ended up in watts. the driver and his passengers jumped out of the car there.
0:40	10/10/2022	11:10p	crime and Law Enforcement	today family and friends remembered and honored a store clerk who was killed on the job in highland park. last week, police say 69-year-old stein reyes was trying to stop a group of teenagers from stealing some beer at tony's market. one of the teenagers hit him in the head with a scooter.
0:24	10/12/2022	11:05p	crime and Law Enforcement	new tonight at 11:00, lapd detectives asking for your help identifying a murder suspect. take a look at the person they're looking for. police say he shot someone on january 1st in the central alameda area of south l.
2:16	10/12/2022	11:05p	crime and Law Enforcement	young mothers asking for help finding the driver that hit her and her 3-year-old son and then took off. that little boy was badly injured and she tells us, doctors are not sure he will ever fully recover. nbc 4's hetty chang has the mother's plea. and security footage of the car police want to find. reporter: the security video is really hard to watch because that car is going so fast just before it hits her and her 3-year-old son, dominick. lapd now offering a 25,000 reward for any information leading to an arrest. this as dominick recovers here at children's hospital. elsa is walking with a limp. she tells us she has bruising all over her legs. she refused to be admitted to the hospital because she said she doesn't want to be away from her son's bed side. the 21-year-old mom said 3-year-old dominick has fractures, spinal cord injuries, and has already endured several surgeries. he's getting better every day, she says. but he may never be back to his happy, energetic self.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
3:15	10/18/2022	11:00p	crime and Law Enforcement	<p>breaking news tonight, a half naked kidnapping suspect is under arrest. in the course of 30 minutes last night he kidnapped someone then went after another. if it wasn't for the man that you can see in this video another teenage girl would've been dragged away. for the first time only here on nbc 4 we spoke to victim and also the person they came to the rescue. robert? reporter: here is the very latest within the last hour, the lapd did confirm that they have arrested 39-year-old stephen ellis of hollywood. they picked him up in the same neighborhood where they say last night he kidnapped someone. they did manage to get away. then at 10:35 yuan after someone else. the 16-year-old also got away. but not without help. she was walking home with a friend last night after watching a high school volleyball game when he pounced. he started grabbing me and choking me. and pushing me toward the street. reporter: a 16-year-old being dragged away by half naked men. what was the teenager to think? i was scared. but she cried for help. people came out and were screaming at him. right across from purgatory pizza. i was waiting at the train station and i heard a young lady yelling. he jumped into accident action. as he takes off, the cell phone video here shows gabriel trying to stop him. using a bicycle. i did not even realize he did not have pants on until i got closer to him.</p>
2:20	10/18/2022	11:03p	crime and Law Enforcement	<p>decades of mystery to justice now. the family of kristin smart now has answers. today a jury found paul florez guilty of her murder. we have worn out from conan nolan. reporter: a quarter century after her late-night disappearance a measure of resolution in the death of the 19-year-old kristin smart. today justice delayed was not justice denied. reporter: paul florez was a fellow student at the time and was the last person to see the freshman alive. this afternoon he was found guilty of murder in the 1st degree by a jury in monterey county. this guilty verdict does provide some sense of justice. from the start he had been the focus of the probe and law enforcement have made numerous blunders including lost evidence, failure to interview witnesses and more. but chris lambert started a podcast on the case that went viral. it resulted in uncovering new evidence prompting the sheriff's office to issue another search warrant at the home in nearby rio grande. there was anomalies under the house.</p>
1:05	10/18/2022	11:08p	crime and Law Enforcement	<p>we are hearing from the mother of a 24-year-old woman who was stabbed in the head by a homeless man in north hollywood. kylie watts was walking along the boulevard last week when without warning police say 30- year-old jonathan coles stabbed her with a pair of garden shears. the weapon was still in her head as she went to a nearby restaurant and called 911. she then called her mother. she had to have two hours of emergency surgery. this week she started to stand and walk but her recovery will take time.</p>
0:48	10/18/2022	11:15p	crime and Law Enforcement	<p>their new details about the woman found dead inside a hotel. the body of the 36 row griselda was found in the weekend over by hotel employees. we spoke with friends of the victim who said she leaves three children behind and they all hope for justice. she was a mother and a daughter. she really meant something. what happened to her should not have happened.</p>

0:27	10/12/2022	11:10p	safety	tonight the l.a. county health leaders are responding to the rise in fentanyl overdoses with young people. the health department held a virtual town hall to spread awareness and brain storm ideas.
2:55	10/18/2022	11:16p	safety	small and bright colors and sometimes even package to look like candy. these are pills now dubbed rainbow fentanyl. pasadena pd seized more than 300,000 pills. investigators are giving the i team a closer look at what exactly they found. this was an investigation that started locally. they are inside the evidence room at the pasadena police major narcotics and special investigation unit showing us hundreds of thousands of recently seized fentanyl pills. we started to see some of these rainbow colored pills. that's what they call candy fentanyl. reporter: almost 10,000 pills in each package. a total haul of nearly 328,000 was discovered last month during the search of a truck. this is the first time we are opening it. the whole package is rainbow fentanyl? correct. it was found inside the truck tires. this is just another way to get illegal narcotics here in the u.s. without being detected. reporter: it's part of a disturbing trend seen across the country. in some cases it doesn't look like this. seemingly legitimate candy and toy boxes. inside there are pills that can kill. it is intended to disarm law enforcement and deceive them thinking it's an innocent box. marketing rainbow fentanyl like candy this is every parents worst nightmare.
2:10	11/1/2022	11:10p	safety	an alarming new fentanyl statistic. this come from the los angeles police department. it shows how prevalent the drug is in our community. beverly white spoke to a father who knows how easy it can be for a kid to get fentanyl in their hands. reporter: the drug fentanyl is the most pressing safety issue of our time. more than suicides, more than street violence. four out of every ten counterfeit pills being made by the millions contain a fatal dose of fentanyl. reporter: that update coming at a virtual meeting with a grim side show frye the commanding officer for gangs and drugs. this year, up to semi, we had recovered 904,043 pill. the captain said l.a., orange, riverside and san bernardino counties work closely with the feds. collaboration matters when they arrest fentanyl dealers. they will go to prison, as opposed to the regular arrests that are made, if we file state charges. and like it was eloquently explained earlier.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
3:50	11/3/2022	11:13p	safety	<p>it is a highly addictive synthetic opioid that is causing family to lose loved ones every day. fentanyl. federal and local law enforcement are trying to combat the crisis and our i team was on call with a new la county sheriff task force. this is designed to exclusively respond to and investigate drug overdose deaths. our investigative reporter lolita lopez shows us how they are changing the way they go after dealers and has one mother's story on why investigation and education can save lives. he wanted to live. he didn't want to die. he was a very special boy. and i miss him so much. reporter: her only child was at his grandmother's house in long beach, unable to sleep. and looking for relief, he asked a friend where he could get a prescription pill. he thought he was going to a trusted source. because it was recommended to him by a friend. reporter: that friend told 20-year-old elijah to check out a person selling pills on social media. he ordered 15 percocets. the day we found him, there were 14 left. we know he took one and that one pill had so much fentanyl, it could have killed four healthy adults from that one pill. reporter: and elijah isn't alone. this recent study by ucla researchers shows young people and teenage overdose deaths doubled in 2020. and rose by another 20% in the first six months of 2021. yet, teens who report using drugs are at the lowest rate seen in years. the spike in deaths leading the la county sheriff's department to create a team that only responds to and investigates overdose deaths as possible homicides. we are starting to kind of change our view on this and take these seriously.</p>
1:16	11/16/2022	11:14p	safety	<p>learning from each other, today loved ones of people who have died from drug overdoses joint law enforcement and others to elevate their voices. the first ever regional slum hosted by the drug enforcement administration or dea brought to do more than a dozen victim families, agents and substance abuse treatment experts. the summit was monitored moderated by our own lolita lopez who has been reporting on the crisis concerning the synthetic opioid for more than a year. discussed the lies and fentanyl deaths and information on how drugs are getting into our neighborhoods there still a lot of work to do, we have some incredibly motivated and passionate people in the community that are going to really help us do the things that quite frankly, they are better at doing and we are, that is going to be the education piece, building awareness .</p>
0:23	12/12/2022	11:07p	safety	<p>and new at 11:00, two dogs were killed by coyotes yesterday in the back yard of a home in granada hills and the yard was fenced. the family said they had just let the dogs out yesterday morning when those coyotes attacked.</p>
0:27	11/3/2022	11:04p	severe weather	<p>now let's turn to the weather. cold night and snow up in the mountains. could mean an early start to the ski season. we went up to big bear where snow summit is getting ready and they are firing up the snow making machines.</p>

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
1:24	11/7/2022	11:01p	severe weather	we will be tracking moisture that develops during the overnight hours but the bulk of rain comes in as we get into monday morning and will continue through the afternoon. we are looking at long beach. lots of clouds will roll in and the first alert radar network hooking up some light activity across areas in ventura county which will spread across la county but what we are watching is this area of low pressure out across the pacific northwest and this is the cold front that will sweep through and with that we have widespread wayne, mountain snow and wind. especially for the burn scar areas, rainfall amounts range anywhere from half an inch to an inch of rain especially during the height of the storm so the bulk of energy moves in tomorrow.
2:24	11/7/2022	11:02p	severe weather	in the foothills the threat of mudslides that has led to a mandatory tory evacuation. the order went into effect just a couple minutes ago. darsha? reporter: that mandatory evacuation order now officially in effect. you can see the sheriff's deputy behind me. this road is now shut down to traffic. the city really taking this very seriously. taking many precautions, but a lot of residents that we spoke to said they are not going to leave their homes. they are going to take their chances and wait and see what happens. people who live on mel canyon road bracing for rain and potential mudslides. sheriff's deputies went door to door earlier today alerting people to the mandatory evacuation order. you will be able to go out but you can't go back in. we are not going to lean make anybody leave. we make them sign a refusal to evacuate. they expect significant flow to come off of the hillside that burned in june meaning roadways could be impacted much like they were in this video from 2017. it will potentially leave people who choose to stay trapped in their homes.
2:32	11/7/2022	11:05p	severe weather	meantime people in silverado and the canyons are being encouraged to leave ahead of the incoming storm. that evacuation order goes into effect in a few hours. hetty chang is live in silverado canyon where some homeowners are picking up and leaving. unlike where darsha is, this is an evacuation warning and is voluntary. goes into effect in about five hours at 4:00 a.m. tomorrow and we did talk with one or two folks who are planning to leave and they have left their places and property with plenty of protection. back to front of bianca's home is a fortress. sandbags are piled 3 feet high. it's a lot of work. we had about 1000 bags that used to go to the front and they completely got torn down in december. there's the slide. this is what happened during a storm in december. the daily use of mud and debris devastated the silverado canyon neighborhood. they can only hope the burn reinforced will weather the next few days of rain. it is the price we pay for living here and i love it here. the bennett family who tonight is packing up their car. their home is right up against the bonfire burn scar.
0:23	11/9/2022	11:19p	severe weather	this powerful storm left behind perfect snow conditions. as you can see here, this as at bigbear. mountain resorts are optimistic that this fresh powder could signal an early season.
0:21	11/15/2022	11:02p	severe weather	turning out to our weather out there tonight, the santa anna winds are back in a big way. this is video of the trees whipping around tonight, in simi valley.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:37	11/16/2022	11:08p	severe weather	turning now to the weather, the center and the winds continue tonight. this is video just in from fontana . high wind this afternoon, also knocking down a lot of trees and power poles, this is in woodland hills, this victory came down. i don't know if you can, it smashed a car that happened to be sitting there.
2:09	12/12/2022	11:01p	severe weather	we're going to get to melissa in just a bit but first we want to start off with hetty chang who's live in phelan where a large winter jacket like the one hetty's got on is a must tonight. hetty, go ahead. reporter: hello, chuck and colleen from a very chilly phelan where yes, it's about 30 degrees right now. so yes, the winter hat and the big jacket had to come out tonight. and just about 20 miles north from where we are is where people are just starting to defrost from an amazing day on the slopes. pillows, our comforters, our blankets. reporter: oriz felix has her back seat filled with all the essentials for a winter road trip. she's moving her daughter to colorado and expects to see plenty of snow-covered scenery from the winter storm. we're just ready. we'll take our time, not going to rush. slow and easy. that's it. we need to pull over we pull over. make a stop, make a stop. that's just it.
0:21	12/12/2022	11:04p	severe weather	take a look at this. sunny skies in the sierra in northern california today but people were digging out there from several feet of snow over the weekend.
0:23	10/12/2022	11:34p	technology	nasa set a new date for the artemis one rocket launch. it is now targeting november 14th for liftoff. it is an uncrewed test to send the spacecraft around the moon and back to earth.
0:26	10/25/2022	11:34p	technology	nasa engineers are working on the next mission to the moon in the desert of arizona. lunar transportation will come from a rover. doesn't this look a lot like the rover used by matt damon in the movie, the martian? just like it.
1:05	10/27/2022	11:33p	technology	nasa is revealing new details about the surface of the red planet. seems just like earth, mars has earthquakes or should we say mars quakes. look at that damage there, chuck. i will explain this in just a minute. you keep looking at the photo. first, we have spooky sounds of what shaking on the red planet sounds like. i'm not sure, but i think that is the sound. all right. it was a magnitude 4 on the martian surface and happened last year on christmas eve and was detected by the nasa rover on the planet.
0:50	11/15/2022	11:07p	technology	successful launch for nasa's artemis 1 rocket tonight. just about 20 minutes ago in fact, that rocket blasted off from cape canaveral in florida. ushering in a new era of space exploration. -- five, four stage engine start. three, two, one jousters ignition. lift off of artemis 1, we rise together, back to the moon and beyond. -- always so exciting to see, not the first time nasa has tried to launch artemis 1.
0:21	11/16/2022	11:34p	technology	finally tonight, new images from nasa's artemis one rocket as it begins to orbit the moon, that is its mission. check out this new view of planet earth from the rocket.
