Dear Affiliate:

In response to your recent request, this is to certify that HSNi, LLC (“Network”), during the calendar quarter ending December 31, 2022:

- 1) provided closed captioning services on its HSN and HSN2 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission (“FCC”).
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network’s programming during such quarter constituted “children’s programming” as defined by Section 73.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none were subject to the commercialization limits imposed on children’s programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would comply with all pertinent FCC requirements and would, at that time, provide notice of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. (“QVC”), during the calendar quarter ending December 31, 2022:

- 1) provided closed captioning services on its QVC, QVC2 and QVC3 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission (“FCC”); and
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC’s programming during such quarter constituted “children’s programming” as defined by Section 76.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none was subject to the commercialization limits imposed on children’s programming (see 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

David R. Caputo

* "The Children's Television Programming Rules Order, FCC 19-67 (released July 12, 2019), deleted the obligation for station's that multicast to air three (3) hours of digital Children's CORE programming for each multicast channel. The primary signal of a station may complete its Children's CORE obligation by airing either (i) three (3) hours per week (as averaged over a six-month period) of CORE Programming, or (ii) 156 hours of CORE Programming annually, including at least 26 hours per quarter of regularly scheduled weekly programming of at least 30 minutes in length and up to 52 hours annually of CORE Programs of at least 30 minutes in length that are not aired on a regularly scheduled weekly basis, such as educational specials and regularly scheduled non-weekly programming, and/or other non-regularly scheduled programming and short-form programming, such as PSAs and interstitials. In retaining the existing three (3) hour per week (on average) requirement the FCC also expanded CORE Programming hours to be between 6 a.m. to 10 p.m. local time, and allows stations to also air thirteen (13) hours per quarter of the regularly scheduled weekly CORE programming on a multicast stream. Accordingly, stations need to air at least two-thirds of their total annual CORE Programming hours (i.e., 104 hours) on their primary streams and no more than one-third of their total CORE Programming (i.e., 52 hours) hours on a multicast stream. All Core Programming that is not regularly scheduled weekly programming must be aired on a station's primary stream. TBN and its affiliated stations provide three (3) or more hours of CORE programming on the primary signal, and provide additional Children's Programming on its multicast channel SMILE 24-hours per day. Further, TBN's multicast channel, Enlace (a Spanish language service), also provides additional Children's Programming."

* “The Children’s Television Programming Rules Order, FCC 19-67 (released July 12, 2019), deleted the obligation for station’s that multicast to air three (3) hours of digital Children’s CORE programming for each multicast channel. The primary signal of a station may complete its Children’s CORE obligation by airing either (i) three (3) hours per week (as averaged over a six-month period) of CORE Programming, or (ii) 156 hours of CORE Programming annually, including at least 26 hours per quarter of regularly scheduled weekly programming of at least 30 minutes in length and up to 52 hours annually of CORE Programs of at least 30 minutes in length that are not aired on a regularly scheduled weekly basis, such as educational specials and regularly scheduled non-weekly programming, and/or

other non-regularly scheduled programming and short-form programming, such as PSAs and interstitials. In retaining the existing three (3) hour per week (on average) requirement the FCC also expanded CORE Programming hours to be between 6 a.m. to 10 p.m. local time, and allows stations to also air thirteen (13) hours per quarter of the regularly scheduled weekly CORE programming on a multicast stream. Accordingly, stations need to air at least two-thirds of their total annual CORE Programming hours (i.e., 104 hours) on their primary streams and no more than one-third of their total CORE Programming (i.e., 52 hours) hours on a multicast stream. All Core Programming that is not regularly scheduled weekly programming must be aired on a station's primary stream. TBN and its affiliated stations provide three (3) or more hours of CORE programming on the primary signal, and provide additional Children's Programming on its multicast channel SMILE 24-hours per day. Further, TBN's multicast channel, Enlace (a Spanish language service), also provides additional Children's Programming.

Certification of Compliance: FCC Children’s Television Requirements for the Year 2022

On behalf of the Trinity Broadcasting Network (TBN), this is to certify that the program services named below comply with the FCC’s children’s television programming and commercial time limit obligations specified in FCC Rules 73.671 and 73.670 (47 CFR 73.671 and 73.670), respectively.

TBN is a not-for-profit, tax-exempt church corporation qualified under section 501(c)(3) of the Internal Revenue Code (26 USC 501(c)(3)). During the period of time covered by this certification, TBN did not air more than 10.5 minutes of commercial matter per hour during children’s programming on weekends, or more than 12 minutes of commercial matter per hour on weekdays.

**TBS/ TNT/TruTV/TCM
CERTIFICATE OF COMPLIANCE WITH
COMMERCIAL LIMITS FOR CHILDREN'S PROGRAMMING**

I, Toni Millner, hereby certify that for the period from October 1, 2022, to December 31, 2022:

- 1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the Federal Communications Commission ("FCC") regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be broadcast during children's programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) As a standard practice, Warner Bros Discovery formats any children's programming (as defined under the Act) within the commercial limits set forth in the Act to the extent the FCC regulations are applicable to the programming.
- 3) To the best of my information, knowledge, and belief, no children's programming aired in the period noted above on TBS, TNT, TruTV, or TCM with the limited exception of 2 programs that were scheduled on the dates as follows:
 - a) "***Dr. Seuss' How the Grinch Stole Christmas!***" aired seven (7) times collectively on TBS and TNT, with telecasts on 11/6, 11/12, 11/19, 12/05, 12/11, and 12/15.
 - b) "***Year Without a Santa Claus***" aired two (2) times collectively on TBS and TNT, with telecasts on 11/12 and 11/19.
- 4) To the best of my information, knowledge, and belief, TBS and TNT formatted these children's programs within the commercial limits set forth with the Act when they were telecast and TCM and TruTV did not telecast any children's programs during this period and the 2022 calendar year.

Certified by me this 9th day of January, 2023.

Toni Millner
Senior Vice President, Legal and Business Affairs

*"Children's programming" for the purpose of the commercial limits means programs originally produced and telecast for an audience of children 12 years old and under.

**TELEMUNDO NETWORK
ANNUAL CERTIFICATION OF COMPLIANCE
WITH COMMERCIAL LIMITS IN CHILDREN’S PROGRAMMING
January 1, 2022 – December 31, 2022**

This certification confirms that during the above-referenced year, Telemundo Network (the “Network”) complied with the commercial limits in children’s programming imposed by the FCC as follows:

Please check one:

During 2022, the Network televised no programming originally produced and televised for an audience primarily of children 12 years old and younger. The targeted age range for the three hours of Children’s Educational and Informational Programming broadcast per week by the Network was 13 to 16 years of age. Therefore, the programming presented on the Network was not subject to the commercial limits or website restrictions set forth in Section 73.670 of the FCC’s Rules.

OR

During 2022, the Network televised programming originally produced and televised for an audience primarily of children 12 years old and younger, and that programming complied with the FCC commercial limits of 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays.
