On January 27, 2012, WRSO was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 01, 2020. Our license will expire on February 01, 2020. We have filed an application for license renewal with the FCC.

A copy of this application is available online via the station's public inspection file for public inspection. It contains information concerning the station's performance over the last 8 years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest, should file comments and petitions with the FCC by January 1, 2020. Further information concerning the FCC's broadcast license renewal process is available via the station's online public inspection file available at publicfiles.fcc.gov or may be obtained from the FCC, Washington, D. C. 20554.

On October 09, 2014, WXXL was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 01, 2020. Our license will expire on February 01, 2020. We have filed an application for license renewal with the FCC.

A copy of this application is available online via the station's public inspection file for public inspection. It contains information concerning the station's performance over the last 5 years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest, should file comments and petitions with the FCC by January 1, 2020. Further information concerning the FCC's broadcast license renewal process is available via the station's online public inspection file available at publicfiles.fcc.gov or may be obtained from the FCC, Washington, D. C. 20554.

On July 23, 2014, WTKS-FM was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 01, 2020. Our license will expire on February 01, 2020. We have filed an application for license renewal with the FCC.

A copy of this application is available online via the station's public inspection file for public inspection. It contains information concerning the station's performance over the last 6 years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest, should file comments and petitions with the FCC by January 1, 2020. Further information concerning the FCC's broadcast license renewal process is available via the station's online public inspection file available at publicfiles.fcc.gov or may be obtained from the FCC, Washington, D. C. 20554.

On January 27, 2012, WMGF was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 01, 2020. Our license will expire on February 01, 2020. We have filed an application for license renewal with the FCC.
