Unique EEO hiring program and church recruitment: Radio Vision Cristiana Management ("RVC") is a "religious broadcaster" as the Federal Communications Commission defines that term. As a religious entity, we have established certain job qualifications that all applicants must have in order to fill the requirements of the job. They must share our religious beliefs or affiliation and be bilingual in English and Spanish. We provide equal employment opportunity to all, regardless of race, color, national origin, age, and gender, but must stipulate the requirement of religious beliefs and being bilingual, because of our Spanish-speaking religious status and audience.

Based on these requirements and our desire to supply our listening audience with appropriate programming, we are affiliated with a great number of churches and ministries through which we are able to recruit employees for job openings when they arise.
