

July 3, 2016

KLZR 91.7 FM
Wet Mountain Broadcasting
Westcliffe, CO

Public File Document
Quarterly Community Issues Report
2nd Quarter 2016

April, 2016

Issue: No backup studio. KLZR will lose live broadcast capabilities should main studio malfunction

Action: commitment to construct and equip a second broadcast studio with full production capabilities. Target completion by Fall, 2016

May, 2016

Issue: studio space not adequate to support all volunteer activities

Action: commitment is made to construct new workspaces in KLZR studios with completion targeted for fall 2016
