## **WITHERS BROADCASTING PUBLIC FILE:**

**KGMO-FM; KAPE-AM/FM; WKIB-FM; KREZ-FM; KYRX-FM; KJXX-AM/FM;  
KBXB-FM; KRHW-AM/FM; KBHI-FM**

### **Q#1: Y:2019; SEMO WEEKEND EDITION**

**-Date: 1/6/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Russel Duckworth - Mo Department of Conservation, Scott Meyer - City of Cape City manager, Kim Voelker - Cape Chamber, Justin Gereau - Jackson Chamber**

**-Description:** Russell Duckworth talks about the success of the Alternative Hunting season, Brian Gereau talks about a leadership development class the Jackson chamber offers, Kim Voelker reminds the versatility of the Cape Chamber, Scott Meyer spoke on projects happening around the heartland and the vision for the future of the city.

**-Date: 1/13/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Whitney Quick - BBB, Heather Williams - Community Counseling Center, Kim Voelker - Cape Chamber, Justin Gereau - Jackson Chamber**

**-Description:** Whitney Quick talks about the BBB helping with and gives tips for Identity Protection, Heather Williams of the Community Counseling Center discusses helping residents with various mental health disorders and other services they offer, Kim Voelker Connect Cape and the possibilities offered through it, Brian Gereau discusses the annual banquet for the chamber.

**-Date: 1/20/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Sinupa De Silva - Mo Department of Conservation, Dr Sumanth Yenduri - Grad Computer Science Professor at Southeast Missouri State University, Kim Voelker - Cape Chamber, Justin Gereau - Jackson Chamber**

**-Description:** Sinupa De Silva discusses the Year of the Fish and different events about the theme, Dr Sumanth Yenduri discusses the new online format for their masters program for computer science, Kim Voelker discusses the young professionals summit, Justin Gereau spoke on the business breakfast.

**Date: 1/27/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Mike Alford - Semo Drug Task Force, Shawn Goodman - Sikeston American Legion**

**-Description:** Male Alford of the SEMO Drug Task Force discussed the fight against drug addiction specifically opioids, Shawn Goodman of the Sikeston American Leagion discusses the first annual charity dart tournament in support of the veterans home in Cape.

**Date: 2/3/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Jason Williams - MODOT, Ivan Legrand - Cape Girardeau Fire Department**

**-Description:** Jason Williams spoke on new projects happening around the area and weather impacts on projects and roadways. Ivan Legrand discusses the dangers of Carbon Monoxide and ways to stay safe and avoid being poisoned. Also spoke on other safety tips for the winter and coming spring months.

**Date: 2/10/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Rick Shmidt - Cape Girardeau Police Department, Candice Davis - MO Department of Conservation**

**-Description:** Rick Shmidt discusses the police academy and how the program began and has evolved over the years. Also spoke on how well the academy prepares future officers. Candice Davis spoke on the rising issue of feral hogs and steps the department are taking to handle the issues.

**Date: 2/17/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Whitney Quick - BBB, Elizabeth Shelton - United Way**

**-Description:** Whitney Quick discusses current scams going on especially focusing on dating scams and ways to avoid falling for the scams and bots, Elizabeth Shelton spoke

on different charity events happening around the heartland that the organization is associated with.

**Date: 2/24/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Jeremy -Southeast Missouri State University**

**-Description:** Jeremy discusses different event the university are holding during eating disorder week. Speaks on the events and the history of events held at the university. Also discussed issues of eating disorders and ways to prevent the issues and to eat healthier.

**Date: 3/3/19 ; Time: 5:00am; Length: 28:29 min**

**-Guests: Dan Presson - Southeast Missouri State University, Brian Okenfus - MODOT**

**-Description:** Dan Presson spoke on the Career Expo the university will be holding, including some of the unique opportunities event goers have as well as tips to stand out and make the best impression. Brian Okenfus discusses current and future projects happening around the heartland as well as the impact the winter has had locally on the department.

**Date: 3/10/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Mark Hogan - Coach Cape Catfish**

**-Description:** Mark Hogan discussed the plans and expectations for the new prospect league baseball team the Cape Catfish coming to Cape. Also spoke on the hope of the impact on the community and the impact on the players.

**Date: 3/17/19; Time: 5:00am; Length: 28:29 min**

**-Guests: Caleb Jansen - Mo Department of Conservation, Kim Voelker Dana Brune - Cape Chamber**

**-Description:** Caleb Jansen spoke on the Department's Year of the Fish and various events the Department are hosting in the near future, Kim Voelker and Dana Brune spoke on Leadership Cape, an event held for local community leaders. They discussed different things the group do and are involved in and how they hope the event impacts the community.

**Date:** 3/24/19; **Time:** 5:00am; **Length:** 28:29 min

**-Guests:** Jessica - EPIC, a local youth drug prevention program, Edd Cross - Illinois Department of Conservatin

**-Description:** Jessica of EPIC spoke on the organizations efforts in preventing drug use in teens. Explained their different programs and how they both help teens put their effort and energy towards something more rewarding. Edd Cross spoke on the trout season and how the Department prepared for the season and how the season had been going.

**Date:** 3/31/19; **Time:** 5:00am; **Length:** 28:29 min

**-Guests:** Elon Gross - Expert on Dark Money in Politics, Brian Okenfus - MODOT

**-Description:** Elon Gross spoke on dark money in politics and how it impacts elections and influences candidates. Also discussed different ways dark money impact citizens. Brian Okenfus of MODOT updated the impact the winter season had on the supplies of the local MODAT crews. Also updated on upcoming spring and summer projects happening in the area.

Weekly Public Affairs Program

Call Letters: \_\_\_\_\_

**QUARTERLY ISSUES REPORT, JANUARY-MARCH, 2019**

Show # 2019-01

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Katy J. Harriger, PhD**, Chair and Professor, Department of Politics and International Affairs at Wake Forest University

Our nation's political climate is more polarized than ever, and voter turnout among young people is abysmal. But Dr. Harriger led a study that found that learning to talk about controversial issues while in college can inspire young adults to be more engaged citizens even ten years later. She explained what the students were taught and how it could be applied to voters of any age.

**Issues covered:**  
Civic Participation  
Voting  
Youth Concerns

**Length: 8:34**

**Matt Schulz**, Senior Industry Analyst at CreditCards.com

25 million credit cardholders haven't changed their go-to credit card in at least ten years. Mr. Schultz said that people are missing many rewards because card issuers are hotly competing for new customers and giving big sign-up bonuses. He outlined some of the methods savvy consumers use to get the most out of their credit cards. He also explained why many consumers are reluctant to switch cards.

**Issues covered:**  
Personal Finance  
Consumer Matters

**Length: 8:27**

Show # 2019-02

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Angela Fagerlin, Ph.D.**, Chair of Population Health Sciences at University of Utah Health, Research Scientist with the VA Salt Lake City Health System's Informatics Decision-Enhancement and Analytic Sciences (IDEAS) Center for Innovation

Dr. Fagerlin was the senior author of a study that found that 60 to 80 percent of people surveyed are not honest with their doctors about information that could be relevant to their health. She explained why people are sometimes reluctant to be truthful with their doctors, and why that can be a dangerous practice.

**Issues covered:**  
Personal Health

**Length: 7:29**

**Teresa Gil, PhD**, psychotherapist, author of *“Women Who Were Sexually Abused As Children: Mothering, Resilience and Protecting the Next Generation”*

Dr. Gil estimates that there are approximately 21 million mothers in America who experienced childhood sexual abuse. She discussed how that trauma may affect their own parenting. She talked about the value of strong mother-daughter relationships, spiritual beliefs, and therapy in coping.

**Issues covered:**

**Sexual Abuse  
Parenting  
Mental Health**

**Length: 9:40**

Show # 2019-03

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Alan Schroeder, MD**, Clinical Professor of Pediatrics at the Stanford University School of Medicine

Each year, thousands of teenagers and young adults are prescribed opioids for pain relief after having their wisdom teeth removed. Dr. Schroeder led a study that found almost 6 percent of these patients were diagnosed with opioid abuse during the 12 months after the initial prescription. He discussed alternate options for pain relief. He said wisdom tooth extraction is by far the most common surgical procedure for adolescents and young adults but there is very little research that supports the widespread use of the procedure.

**Issues covered:**

**Drug Abuse  
Personal Health**

**Length: 7:26**

**Elizabeth Emens, PhD**, Isidor and Seville Sulzbacher Professor of Law at Columbia Law School, author of *“Life Admin: How I Learned to Do Less, Do Better, and Live More”*

Every day an unseen form of labor creeps into our lives—the kind of secretarial and managerial work necessary to run a life and a household. Dr. Emens discussed how this labor is created, how it affects our lives, and how we might avoid, reduce, and redistribute admin whenever possible—as individuals and as a society.

**Issues covered:**

**Personal Productivity  
Parenting  
Career  
Education**

**Length: 9:48**

Show # 2019-04

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Tasleem Padamsee, PhD**, Assistant Professor of Health Services Management and Policy at Ohio State University

Dr. Padamsee led a study that found that African-American women at high risk of breast cancer are less likely than white women to pursue potentially life-saving preventive care. She talked about the most common preventative steps that at-risk patients can take. She also encouraged patients to talk to their physicians about cancer risk concerns.

**Issues covered:**  
Cancer Prevention  
Minority Concerns  
Women's Issues

**Length: 9:32**

**James Clear**, author of "*Atomic Habits: Tiny Changes, Remarkable Results*"

Mr. Clear offered strategies aimed at forming good habits, breaking bad ones, and mastering the tiny behaviors that lead to extraordinary results. He explained how to find the underlying causes of bad habits and why that can help to correct them. He offered examples of ways to redesign an environment to break bad habits.

**Issues covered:**  
Personal Productivity  
Personal Health

**Length: 7:41**

Show # 2019-05

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Bryan E. Robinson, PhD**, psychotherapist, Professor Emeritus at the University of North Carolina at Charlotte, author of "*#Chill: Turn Off Your Job and Turn On Your Life*"

It is common knowledge that good health and happiness depends on having proper balance between our professional and private lives. Dr. Robinson explained how ending the cycle of work addiction can be achieved by reframing priorities and cultivating mindfulness in our daily lives. He outlined the benefits of mediation to let go of anxiety and focus on the moment.

**Issues covered:**  
Mental Health  
Personal Health  
Career

**Length: 9:00**

**Jonathan Adkins**, Executive Director of the Governors Highway Safety Association

Mr. Adkins discussed a recent report from his organization that highlighted excessive vehicle speed as a persistent factor in nearly one-third of all motor vehicle-related fatalities. He believes that speeding is not given enough attention as a traffic safety issue and is widely deemed culturally acceptable by the motoring public. He outlined several public policy measures that he believes would help to reduce speeding.

**Issues covered:**  
Traffic Safety  
Government Policies

**Length: 8:10**

Show # 2019-06

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Darrell Laffoon**, Chief Technology Officer of security firms EZShield + IdentityForce

Americans are preparing to file their taxes, and fraudsters are getting ready to target taxpayers with new scams. Mr. Laffoon outlined some of the most common schemes used to commit tax fraud and tax-related identity theft. He noted that the IRS never uses email to contact taxpayers or others filing tax returns. He explained what to do if you are targeted.

**Issues covered:**

**Crime  
Identity Theft**

**Length: 8:47**

**Nancy O'Reilly, PsyD**, licensed psychologist, author of *"In This Together: How Successful Women Support Each Other in Work and Life"*

Dr. O'Reilly explained why women experience more rudeness and incivility from other women in the workplace than they do from men. She said women have not been trained to lead as women. She offered suggestions for women to offer support to each other at work, rather than competing. She explained why men should also be concerned about this trend.

**Issues covered:**

**Women's Issues  
Workplace**

**Length: 8:19**

Show # 2019-07

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Patty Ann Tublin, PhD**, author of *"Money Can Buy You Happiness: Secrets Women Need to Know To Get Paid What They Are Worth!"*

Dr. Tublin outlined ways women can close the gender wage gap and negotiate their true worth at work. She explained why women have a harder time accepting the emotional and financial value of money, and how to change that attitude. She also offered suggestions for women who would like to determine what the appropriate pay range is for a particular job.

**Issues covered:**

**Women's Issues  
Career**

**Length: 7:08**

**Henry S. Gornbein**, attorney, author of *"Divorce Demystified: Everything You Need to Know Before You File for Divorce"*

Mr. Gornbein said next to the death of a loved one, divorce is one of the most traumatic of life's experiences. He discussed the sometimes complicated steps to take when deciding whether to proceed with a divorce. He talked about the significant ways divorce has changed in recent years, including the surprising influence of social media and changes in child custody arrangements.

**Issues covered:**

**Legal Matters  
Marriage  
Parenting**

**Length: 9:57**

Show # 2019-08

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Daniel Pink, author of "When: The Scientific Secrets of Perfect Timing"**

Mr. Pink explained how timing affects everything — from work to home to school — and that it's a science, not an art or luck. He outlined research that found that 86 specific days each year are the optimal days to start a project or to get a fresh start. He offered several examples of how productivity, personal goals and even medical procedures are significantly affected by the timing of the event.

Issues covered:  
Workplace Matters  
Education  
Personal Health

Length: 8:27

**Amy Adamczyk, PhD**, Professor of Sociology and Criminal Justice, City University of New York

Americans' views about marijuana have drastically changed in a relatively short period of time. Dr. Amamczyk led a study that found that support for legalization began to increase shortly after the news media began to frame marijuana as a medical issue, rather than as a criminal or drug abuse issue. She believes that nationwide legalization of marijuana is likely in coming years.

Issues covered:  
Marijuana Legalization  
Media

Length: 8:33

Show # 2019-09

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Alicia Munnell, PhD**, economist, Director of the Center for Retirement Research at Boston College, Peter F. Drucker Professor of Management Sciences at Boston College's Carroll School of Management

Many Americans will be shocked once they reach retirement, to find that their IRA or 401(k) is not worth nearly as much as they think. Dr. Munnell said many upper income retirees will be hit with 25-32% federal tax bills on the funds they saved for retirement, and possibly even more from state taxes. She noted that those who save in tax-deferred retirement plans still come out ahead, even after paying taxes on the withdrawals.

Issues covered:  
Retirement Planning  
Taxes

Length: 6:56

**Dean Ornish M.D**, founder and President of the nonprofit Preventive Medicine Research Institute, Clinical Professor of Medicine at the University of California, San Francisco, author of "*Undo It!: How Simple Lifestyle Changes Can Reverse Most Chronic Diseases*"

Dr. Ornish is a well-known advocate for using diet and lifestyle changes to treat and prevent heart disease. He outlined four changes in lifestyle that he believes can stop the progression and even reverse many chronic diseases. He said it's surprising how rapidly our bodies can begin to heal after making simple lifestyle changes.

Issues covered:  
Personal Health  
Aging

Length: 10:12

Show # 2019-10

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Mark Hamrick**, Senior Economic Analyst for Bankrate.com

73% of Millennials (ages 23-38) who have student loan debt have delayed at least one major life or financial milestone as a result, according to a new Bankrate.com report. Mr. Hamrick said the issue has influenced large percentages of Americans of all ages, affecting decisions such as buying a home or car, saving for retirement, having children and getting married.

**Issues covered:**  
**Student Debt**  
**Education**  
**Personal Finance**

**Length: 9:47**

**David Closs, PhD**, Professor of Supply Chain Management in the Eli Broad College of Business at Michigan State University

Phony prescription drugs are big business and can be life-threatening to consumers. Dr. Closs discussed a recent change in federal regulations that requires companies to track prescription drugs from their raw materials stage to their delivery to pharmacies. He explained how copycat drugs sometimes make their way into the system and what consumers need to know.

**Issues covered:**  
**Drug Safety**  
**Government Regulations**  
**Personal Health**

**Length: 7:12**

Show # 2019-11

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Scott McCartney**, Travel Editor and author/creator of the weekly Middle Seat column on airlines and travel for The Wall Street Journal

Airlines' pricing strategies have changed in significant ways in the past several years and ticket prices can literally change by the minute. Mr. McCartney discussed the best days to find the lowest prices, how far ahead to buy and other money-saving travel tips for airline travel.

**Issues covered:**  
**Consumer Matters**  
**Transportation**

**Length: 8:26**

**Arielle O'Shea**, investing and retirement specialist, Nerdwallet.com

Ms. O'Shea said the average American must live on their retirement savings for 23 years. She explained how consumers can determine how much money they may need in retirement. She outlined four strategies to find extra income and control expenses in retirement. She recommends using a fee-only financial planner.

**Issues covered:**  
**Retirement Planning**  
**Personal Finance**

**Length: 8:40**

**Penelope Larsen**, researcher and PhD candidate, School of Exercise Science, Sport & Health, Charles Sturt University, Bathurst, New South Wales, Australia

Show # 2019-12

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**Michael J. Blaha, MD, MPH**, Preventive Cardiologist, Director of Clinical Research at the Ciccarone Center for the Prevention of Heart Disease at Johns Hopkins Hospital

Dr. Blaha recently led a study that suggests that people who exercise habitually are more likely to survive their first heart attack. He discussed the wide-ranging benefits of exercise and how much is

enough. He said even older people can get in shape and get the heart-protective benefits of physical activity. He also offered ideas for how to get started.

**Issues covered:**  
**Personal Health**  
**Senior Citizens**

**Length: 9:03**

**Janette Sadik-Khan**, transportation and urban transformation expert, former transportation commissioner of New York City, author of "Streetfight: Handbook for an Urban Revolution"

Ms. Sadik-Khan discussed the importance of incorporating innovative transportation plans into modern urban environments. She explained how cities can add protected bike paths, improve crosswalk space, and provide visual cues to reduce speeding. She said redesigning streets can reduce congestion and increase foot traffic, which often improves the bottom line of local businesses.

**Issues covered:**  
**Urban Planning**  
**Public Transportation**

**Length: 8:16**

Show # 2019-13

**Date aired:** \_\_\_\_\_ **Time Aired:** \_\_\_\_\_

**James P. Smith, PhD**, Distinguished Chair in Labor Markets and Demographic Studies at the RAND Corporation, a nonprofit research organization

Dr. Smith led a study that found that Americans under the age of 26 are much more likely to be arrested than Americans born in previous decades. He noted that the increase occurred most rapidly among white Americans and women. He said that the study also found connections between the rising rate of arrests/convictions and lower probabilities of being married, fewer weeks worked, lower hourly wages and lower family incomes during Americans' adulthood.

**Issues covered:**  
**Crime**  
**Legal**

**Length: 9:04**

**Ramon Hinojosa, PhD**, Assistant Professor in the Department of Sociology at the University of Central Florida

Prof. Hinojosa warned of a coming public health crisis for veterans. He led a study that found that veterans are more likely to have heart disease at a younger age than nonveterans. He discussed the possible differences between vets who served in Iraq and Afghanistan compared to those who served in previous conflicts. He offered advice for veterans who may have cause for concern.

**Issues covered:**  
**Veterans Issues**  
**Personal Health**

**Length: 8:09**
