**Re: Valu-Net LLC ("ValuNet"); Notice of commencing operations under 47 CFR § 76.64(k);
Notice of principal headend under 47 CFR §§ 76.1607 and 76.1617;
KCTV and KSMO**

Dear Sir or Madam:

On behalf of ValuNet and in accordance with 47 C.F.R. §§ 76.64(k), 76.1607, and 76.1617, we provide notice of ValuNet's plans to deliver cable services and other services to customers within the Kansas City DMA. ValuNet anticipates commencing commercial delivery of services within 60 days from the date of this letter.

ValuNet principal headend is located at: 2914 West Hwy 50, Suite A, Emporia KS, 66801.

If you have any questions, please contact:

Jelinda Watts
Manager, Customer Operations

Re: KCTV/KSMO-TV, 5/62, Fairway, KS

Dear Jelinda:

Meredith Corporation (“Licensee”), which is the licensee of television stations KCTV5/KSMO-TV Fairway, KS (the “Station”), understands that Valu-Net LLC (“Operator”) intends to begin operating a commercial video service in the Kansas City Designated Market Area (“DMA”). Nielsen Media Research has assigned Station to the DMA.

Pursuant to Section 76.64(k) of the FCC’s rules, Licensee hereby notifies you that it elects retransmission consent status for Station for the current election cycle, with respect to any and all multichannel video programming distribution systems serving the DMA that are owned and/or operated by Operator, including but not limited to any system serving ValueNet.

Please contact me at 913-677-7131 or Linlee.Vanderhoof@kctv5.com to begin negotiations for a mutually beneficial retransmission consent agreement.

Very truly yours,

Mike Cukyne, VP/General Manager
