Re: Commencement of Program Test Operation at KXRY, Portland, OR
Licensee: Cascade Educational Broadcast Service
FAC ID: 66303
Application File: 0000152112

KXRY, a grandfathered Class D station, has begun operation by Automatic Program Test Authority, in accordance with the Construction Permit indicated above. The permittee is employing an EPA Type 2 antenna, which preserves the Automatic Program Test privilege under the provisions of the CP.

The permittee has also satisfied the other Special Operating Conditions or Restrictions of the CP, and will file an FCC Form 2100, Schedule 302-FM, within 10 days of this letter. The form will include full documentation of compliance.

Thank you.

Sincerely

A handwritten signature in black ink, appearing to read "Michael D. Brown", with a long horizontal flourish extending to the right.

Michael D. Brown
Engineering Consultant to KXRY
