2022 TAB Quarterly Virtual Job Fair / March 21-25

The TAB will be facilitating a quarterly virtual job fair during the week of March 21-25. Please fill out this form if you wish to participate. Once you have filled out this form your next step is to post any job openings that you'd like to include at the National Alliance of State Broadcasters Association's www.CareerPage.org. If you are new to CareerPage.org, simply click on the "Register" link on the home page. Use the access code 3Sdg54 to complete your registration. Beginning the Monday of the job fair, your participating stations promote the event and drive visitors to the site. You can link to the site from your website, or send listeners/viewers directly to www.BroadcastersVirtualJobFair.com We suggest all stations air their promos DURING the week of the job fair March 21-25. Note: The Association does not require any documentation of this insertion, we only ask that make a good faith effort to air them and help get the word out. The success for this virtual job fair will depend upon you promoting the event. Thank you and good luck on finding your next big superstar! If you have not received the customizable

promo scripts, or if you have any questions, please email Lexie at Lexie@tabtn.org and she will get you everything you need.

Subject: Comscore follow-up #1 of 2 for Lockwood Broadcast Group | cheat sheets, recording link, report links and more

Good evening everyone. Apologies for the hour but as Comscore is closed on Presidents Day I didn't want you to wait any longer than I could help to follow up with you. Thanks for our inaugural Lockwood Broadcast Group Quarterly yesterday. Included in this email are these items (and based on file size, I think it safest to send you the final file in a second email) . . .

1. 1. A .pdf copy of yesterday's presentation.
2. 2. This [LINK](#) to a recording of our 39 minute webinar. The password is [REDACTED] and make sure to use the exclamation point.
3. 3. Cheat sheets and guides to the new Comscore TV™ system, including pieces on our PMX (Plan Metrix) qualitative data. Comscore TV™ became our system of record in October, with historical data going back through SEPT19. StationView Essentials is still around, too, with history going back even further.
4. 4. This [LINK](#) to a short, 17 ½ minute video tutorial for Comscore TV™ (password is [REDACTED]).
5. 5. The 17 ½ video covers these system modules:
 - a. a. Local Target Builder – featuring an example of Women 35-64 with a College+ education using Boolean Logic.
 - b. b. Program-Based Rankers – including a series level news ranker and a separate station level ranker to show users how

to access our heat maps in the new system.

c. c. Time-Based Grid – showing a simple M-F 4-8pm example.

6. 6. Support & system access – Our superb Client Services team can be reached at [REDACTED] or by calling toll free at [REDACTED]. Hours are M-F 9am-8pm. Our new system can be accessed simply go to this link [REDACTED].
7. 7. Links below my signature info to all the reports we shared with you during the webinar.

Please feel free to pass along this note to anyone else that you think may benefit from seeing it or who couldn't join us. The second email to follow shortly will contain our high res new Comscore Local Markets map. We hope you find all of these items helpful.

With regards,

Building Business with Digital Media

Our company provides solutions
for every type of business with

100% result

We have over 15 years of digital experience with more
than 12,000 digital campaigns

Customer Loyalty

Loyal customers are more profitable to a business than new ones.

We have **180 products**

Targeted Advertising

Targeting solutions include Mail, Social, Video, and Display. They are designed specifically to target your audience at the local level.

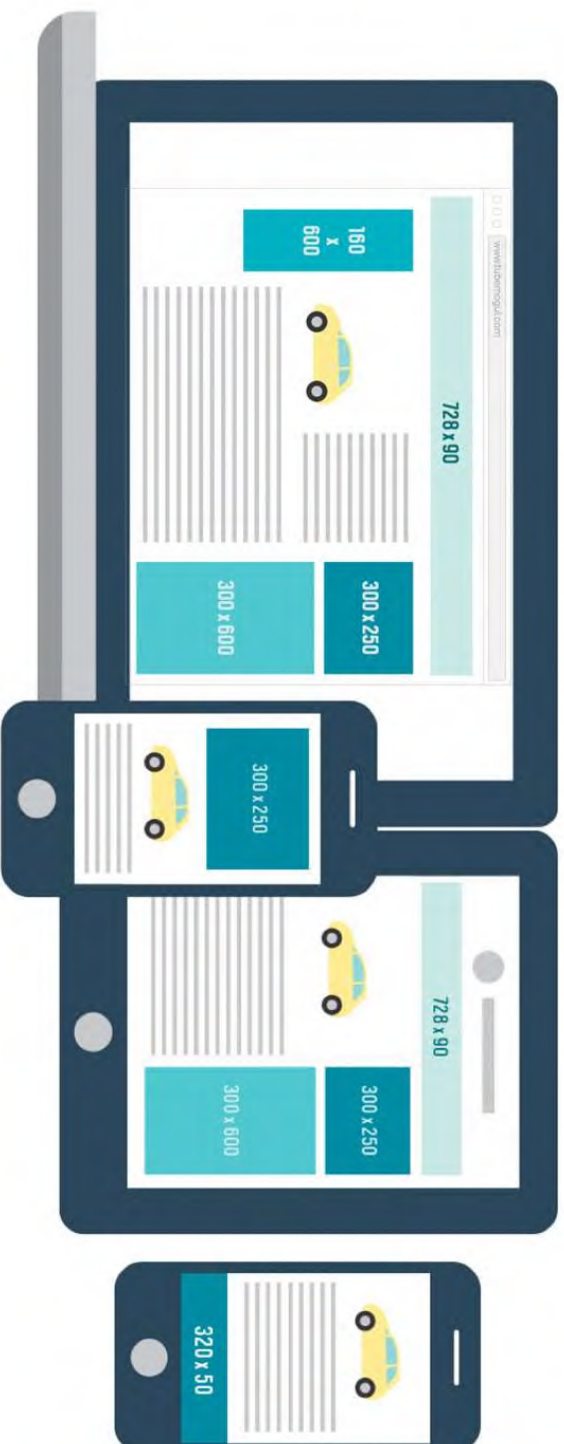

Search Engine Optimization

The process of getting traffic from the “organic” (non-paid) search results page on search engines such as Google, Yahoo, and Bing.

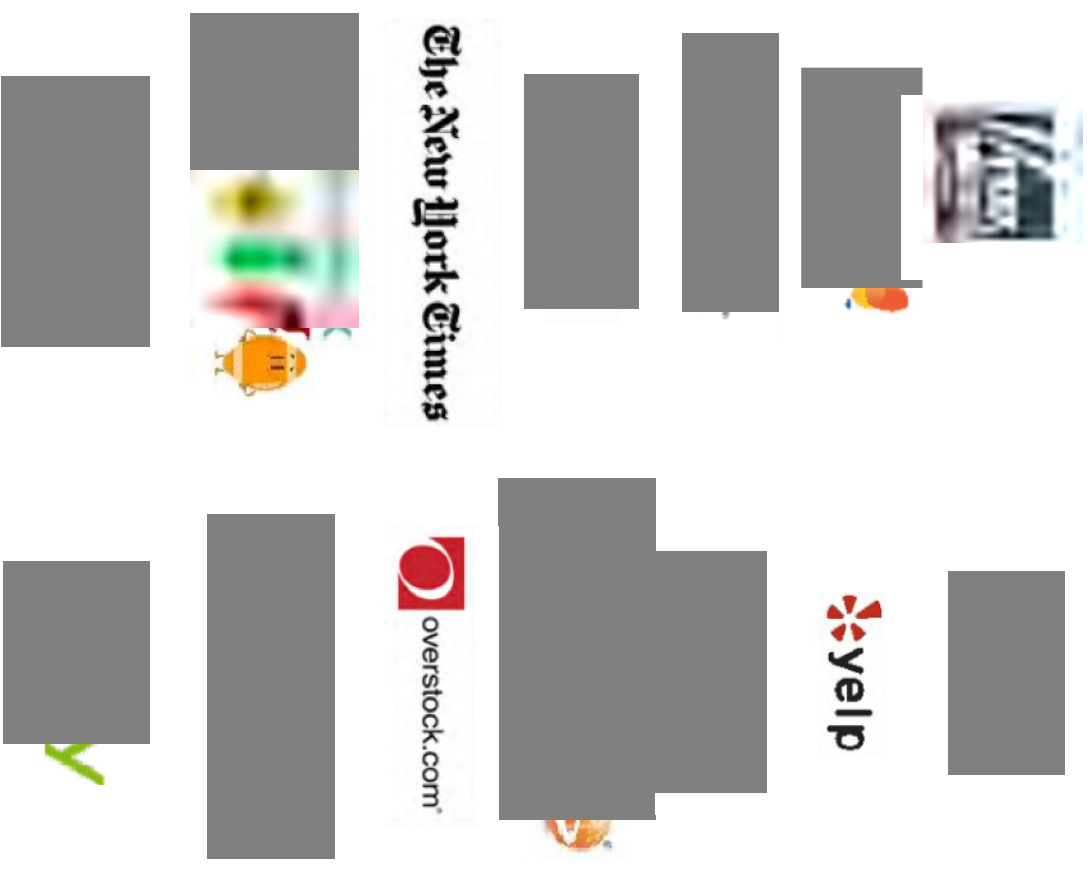

Social Media Posting

We specialize in creating powerful social media management programs for your business by placing them on the world's top social networking sites.

Customized Audience Ad Campaigns

We help protect your brand by only delivering your ads on top sites and avoiding questionable content.

An overview of what DSP is:

A **Demand Side Platform** is like a mini Google.

Our DSP allows us to not only target better but also allows us to retain the Ad control to help ensure that your ads on site where the ads have the best opportunity to be successful.

Database Building

Database building is an organized collection of data stored and accessed electronically from a computer system.

We can help you target the audience you're looking for by gathering information from:

- Trust Centers
- Google
- Amazon
- Facebook

Geotargeting

Geotargeting refers to delivering ads to people that meet a specific targeting criteria and are inside a defined radius.

Geofence Targeting

Geo-fencing is a virtual perimeter around a real-world geographic location

Targeted Addressable Offline Data

Targeted Addressable Geofencing (TAG) allows marketers to curate the ideal household-level audience across hundreds of offline data elements.

Using First-Party Address Data

Our platform Addressable capabilities allow users to directly import up to 1MM street addresses per upload.

Real-time Foot Traffic Attribution And Lift Reporting

Our platform Foot Traffic Measurement and Campaign Lift Reporting can be deployed on all Addressable Audience Campaigns including OTT/CTV.

TAG

An ad tag is a piece of code (HTML or JavaScript) that is placed on the publisher's website to display ads.

Advanced Targeted Display

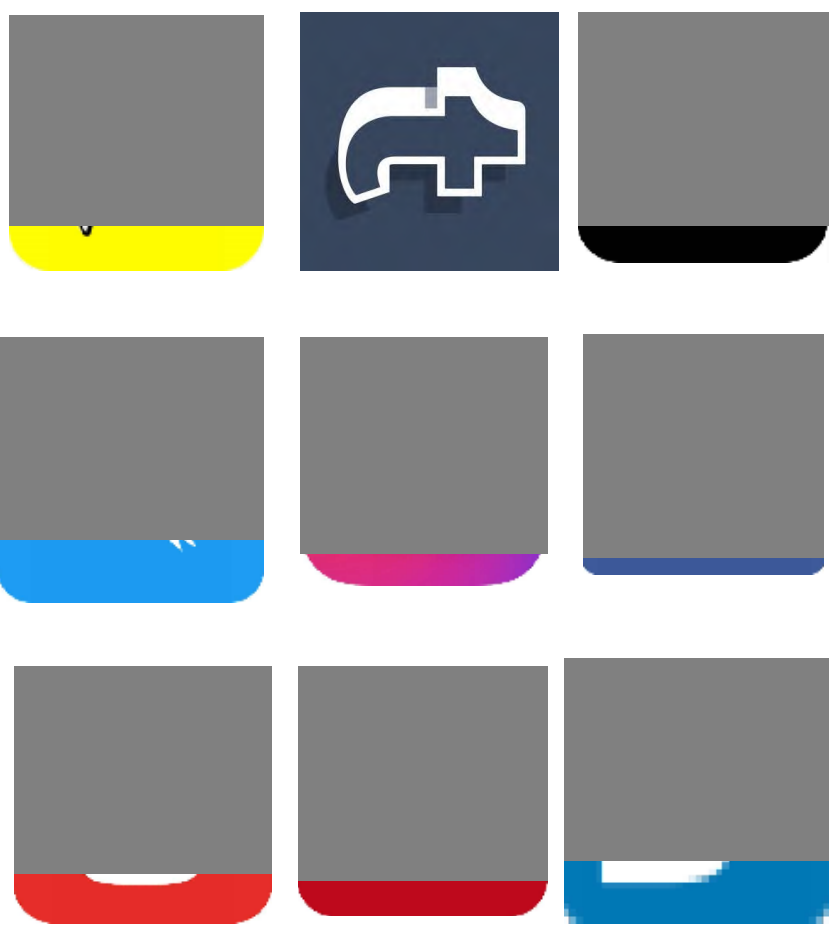

ATD uses Voice Recognition, Location Services, & Online Searches to identify your target customer and immediately serve your ad during the shopping/buying process.

Social Targeting

Target people where they spend the most time
using personal attributes.

We have **32 social media** sites we can advertise on.

Here are a few examples:

OTT/CTV Solution

OTT is commonly applied to video streaming platforms, but also refers to audio streaming, messaging services, or internet-based voice calling solutions.

General Manager

Lockwood Broadcast Group (Knoxville, Tennessee)

📅 Posted 26 mins ago

Lockwood Broadcast Group is seeking General Manager candidates for oversight for its Fox station, WTNZ. WTNZ is in beautiful Knoxville, TN nestled in the Great Smokey Mountains and home to the University of Tennessee. Knoxville offers many options for recreation and is known for its many lakes and access to the Great Smoky Mountains National Park which hosts plenty of trails and a spectacular autumn leaf display.

The successful candidate will have a proven track record of audience growth and increasing station profitability, will understand how to best utilize our social media and digital platforms to enhance our products, and be able to provide a positive work environment amongst team leaders and staff.

Duties include but are not limited to:

- » Oversight of all strategic planning and station operations
- » Maintain company policies and federal, state, and local regulations
- » Develop and direct station activities to enhance on air and digital products while also having a positive impact on the community
- » Maintain communications with Operations hub, station staff, industry groups, viewers, and customers.
- » Motivate and mentor station staff

Qualifications:

- » Bachelor’s degree in business management or equivalent training and/or experience
- » Proven track record of developing and leading teams at television stations
- » Successful experience generating revenue while also controlling expenses
- » Proficient in all MS Office programs

We are looking for a dynamic leader with a strong record of success in broadcasting who can create an environment for collaboration amongst stakeholders in order to drive station revenue and innovation while also holding station teams accountable for the attainment of station goals.

Candidates aspiring to grow their career with a solid broadcast group should send their resume to awanveer@lockwoodbroadcast.com.

Lockwood Broadcast Group provides equal employment opportunities to all employees and applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws. Pre-employment drug test is required along with a background screen as allowed by federal, state, and local laws and regulations
