Outreach

The internship for a client of Career and Employment Services (“CES”), which works with people with disabilities, ran from June 1, 2021 through August 3, 2021. The intern who participated in the WENT internship program was autistic. The intern worked with the General Manager and an Account Executive, learning how to write copy and produce commercials.

The internship for a student with HFM BOCES (Hamilton-Fulton-Montgomery Board of Cooperative Educational Services) ran from October 1, 2021, through March 21, 2022. The intern worked on the Station’s “Morning Show”, and worked specifically with the News Director and the on-air personality for program, conducting informational research and learning how to produce “bits” for the program.
