04/01/23 PREEMPTION

04/08/23 **48 HOURS: “Katrina Brownlee: The Good Cop”** (9:00 – 10:00p) – an interview/profile of Katrina Cooke Brownlee, who retired in 2021 as one of the New York City Police Department’s top-ranked detectives. In her first primetime television interview, Brownlee details the abuse she suffered, how she met the so-called blue wall of silence, how she fought to live and how she vowed to be a good police officer. When she was 22-years-old, Brownlee, a mother to two daughters, lived with her then-fiancé, Alex Irvin, a New York City correction officer at Rikers Island. She says that every time she called the police after Irvin abused her, they would leave without taking action. On January 9th, 1993, a pregnant Brownlee met Irvin at the Medford, Long Island home they formally shared. Irvin, she says, had a weird look on his face. He shot Brownlee five times, reloaded his gun and shot five more times. A family friend of Irvin’s who happened to stop by saw Brownlee bleeding and insisted on taking her to the hospital. Investigators initially thought Brownlee would die, but she survived. Irvin eventually pled guilty to all charges and was sentenced to only 5 to 15 years in prison; he was released after serving 10 years. It would take months, but Brownlee learned how to walk again. During that time Brownlee decided to change the system that let her down and became a police officer in 2001. Brownlee became a top-ranked detective and one of the few Black women in the NYPD chosen to protect a New York City mayor; she even kept her history of being abused from then-Mayor Bill de Blasio until their last meeting together. Brownlee continues to work on her organization, “Young Ladies of Our Future”. Original on-screen text graphic: Katrina has just finished a book about her life that she’s calling, “And Then Came the Blues.” **On-screen text graphic for the 04/08/23 rebroadcast:** Katrina wrote a book about her life called, “And Then Came the Blues.” Interviewed: Katrina Brownlee; Keri Herzog, former assistant district attorney; and Raymond Blasko, lead detective. 04/08/23 **48 HOURS: “Kassandra’s Secret”** (10:00 – 11:00p) - a report on the August 25th, 2020 disappearance and murder of 33-year-old Kassandra Cantrell of Tacoma, WA and how her ex-boyfriend, Colin Dudley, was involved. Kassandra Cantrell was supposed to meet her best friend, Alexandra McNary, on August 26th, 2020, but never showed up. Cantrell had vanished and her family and friends had no idea where she had gone. Three days after her disappearance, police located her car in an industrial area near downtown Tacoma; they also discovered surveillance footage of a mysterious man in a fedora leaving her car, later identified as Colin Dudley, an ex-boyfriend Cantrell met in 2006. Investigators questioned Dudley and he insisted he hadn’t seen Cantrell in years, even though Cantrell had told McNary that she was pregnant and that Dudley was the father. Further investigation and digital evidence, including data from the black box of Dudley’s truck, led investigators to Cantrell’s body in a ravine on September 22nd, 2020; Dudley was arrested later that night and charged with first-degree murder. Two years later, family and friends were angry to hear that prosecutors were considering a plea deal due to the lack of physical evidence. Eventually, Colin Dudley agreed to plead guilty to murder in the first degree and formally entered his guilty plea on November 14th, 2022; he was sentenced to 26 years in prison. Cantrell’s family would like a law in Washington State that if someone is guilty of knowingly killing a pregnant woman, they would automatically get a life sentence. **On-screen text graphic:** Kassandra Cantrell’s family has filed a wrongful death lawsuit against Colin Dudley. It is scheduled to go to trial in August 2023. Interviewed: Alexandra McNary, Kassandra’s friend; Marie Smith, Kassandra’s mother; Detective Franz Helmcke, detective, Pierce County Sheriff’s Department; Kristi Sinclair, Marie Smith’s friend; Cheri Mueller, produced a local production of “Rocky Horror Picture Show” that Cantrell and Dudley appeared in; Rob Cantrell, Kassandra’s twin brother; Brent Van Dyke, detective sergeant, Pierce County Sheriff’s Department; Steve Ammann, former friend of Colin Dudley, wrote a letter protesting the prison sentence to the judge; Ryan Salmon, detective, Pierce County Sheriff’s Department; and Brian Wasankari, Pierce County deputy prosecutor (Patrick Vincent, Pierce County deputy prosecutor, appeared on camera during interview – did not speak). 04/15/23 **48 HOURS: “Christy and Hilda’s Last Dance”** – On Friday, November 12th, 2021, model Christy Giles and her friend Hilda Marcela Cabrales-Arzola went to a warehouse party in Los Angeles, CA. The next afternoon, both women were left at separate hospitals by two men in a car with no license plate, who in each instance claimed to have found a woman “passed out on the curb somewhere nearby”: Christy at Southern California Medical Center and Hilda at Kaiser Permanente Hospital. Christy died of a drug overdose; Hilda spent two weeks on life support, before her family decided to donate her organs. The police suspected foul play and made use of the digital trail left behind. Christy’s phone led investigators to the apartment of David Pearce, who passed himself off as a Hollywood producer; surveillance footage tied him, his roommate Brandt Osborn and their friend, photographer Michael Ansbach, to the crime. Three weeks after Hilda’s death the men were arrested; Brandt and Michael were released, but David was held on four unrelated sexual assault charges. When news of David’s arrest was made public, more women came forward. In May 2022, the prosecution added three more counts of sexual assault against David; he is currently charged with eleven counts, seven counts of drugging and sexually assaulting, forcibly raping and/or sodomizing several women, two counts of murder and two counts of providing a controlled substance, that being Fentanyl. So far, the prosecution has “declined” to charge Michael Ansbach; he’s cooperating with prosecutors and will likely testify against his two friends. This broadcast features the first primetime television interview with Jan Cilliers, the husband of Christy Giles, as well as the parents and friends of Hilda Marcela Cabrales-Arzola. **On-screen text graphic:** A trial date has not been set for David Pearce or Brandt Osborn. Interviewed: Barry Telis, retired homicide detective, Los Angeles Police Department, CBS News consultant; Mary Fulginiti, former prosecutor and defense attorney; Fernanda Cabrales-Arzola, Hilda Marcela’s sister; Jan Cilliers, Christy’s husband; Dr. Hilda Marcela Arzola-Plascencia, Hilda Marcela’s mother; Dusty and Leslie Giles, Christy’s parents; Misty Weldon, Christy’s sister; Luis Cabrales, Hilda Marcela’s father; Fernanda Cantisani and Alan Betancourt, Hilda Marcela’s friends; Erica Bergman (aka Erykah Poe), assaulted by David Pearce and tried to warn others about him on “The Dirty” blog; and Josh Ritter, former Los

Angeles assistant district attorney, practicing defense attorney, advising Jan Cilliers on legal issues. Brandt Osborn, charged as an accessory to murder after the fact, responded to a question from Greg Fisher, a 48 HOURS producer, outside of court. 04/22/23

48 HOURS: “Crosley Green’s Hard Time” (9:00 – 10:00p) - an updated rebroadcast, containing the most recent reporting on the case of Crosley Green. In 2021, Crosley Green’s release from prison was featured in “Crosley Green Comes Home”, OAD: 04/17/21, an update to the original 2020 broadcast of “Crosley Green’s Hard Time”, which was an update to “Last Chance for Freedom” (OAD: 05/30/15; updated 08/19/17), a follow-up to both “Reasonable Doubt” (OAD: 11/01/99); and its retitled rebroadcast, which included an update: “Impossible Mission” (OAD: 07/10/00). Recently, the Florida man who was free from prison for two years, was sent back for a murder he swears he didn’t commit. 48 HOURS has been covering this questionable conviction for 24 years. Despite his claims of innocence, Green was convicted and sentenced to death in 1990 for the April 1989 murder of Charles “Chip” Flynn in a Titusville, FL orange grove. Green has spent decades trying to prove his innocence. At the time of the murder, he was a small-time drug dealer who said he was two miles away when Flynn was killed. Green was arrested after Flynn’s former girlfriend, Kim Hallock, told police that she and Flynn had been carjacked by a Black man with a gun and driven to a remote orange grove. Flynn was killed, but Hallock escaped. She identified Green from a photo lineup. Green’s nine state appeals are exhausted, but his current attorneys Keith Harrison, Bob Rhoad and Jeane Thomas, along with an original private investigator Joe Moura (now a 48 HOURS consultant) have one last hope, federal court. They believe they have enough evidence to prove that the conviction is part of a distinct pattern and practice of government misconduct in Brevard County. Three other men, - Bill Dillion, Juan Ramos and Wilton Dedge - have had their convictions overturned; two of them were also prosecuted by Christopher White. Green’s attorneys believe what makes this case different is the great deal of evidence. At the heart of their case are notes from White’s meeting with officers Mark Rixey and Diane Clarke (who spoke to 48 HOURS for the first time for the 05/30/15 broadcast). Green’s lawyer says that their notes say they think the girl (former girlfriend Kim Hallock) killed Flynn. In June 2017, the 11th Circuit Federal Court of Appeals said it would allow Green’s attorneys to argue in person why his case should not have been dismissed. The Florida Attorney General’s Office continues to fight to uphold Crosley Green’s conviction, claiming Green failed to meet a filing deadline for his appeal. Original 04/18/20 UPDATE: In July 2018, a federal judge ruled that withholding prosecutor notes from Green’s defense violated his right to a fair trial. His conviction was overturned and a new trial was ordered. The state of Florida appealed. On March 12, 2020, the Federal Appeals Court in Jacksonville heard from Green’s defense team and state attorneys. Original on screen text graphic: 48 Hours will continue to follow Crosley Green’s case. 04/17/21 UPDATE, featured in “Crosley Green Come Home”: In March 2021, due to the coronavirus pandemic and Green’s diagnosis of latent tuberculosis, his attorneys filed a motion for his immediate release, which the court granted. A decision from the Federal Appeals Court is still pending. *(No on screen text graphic for the 04/17/21 broadcast.)* **04/22/23 UPDATE:** In March 2022, the U.S. Court of Appeals came back with a decision; the court ruled that those notes Christopher White failed to turn over to Crosley’s defense would not have changed the outcome of his trial and his conviction was reinstated. Crosley’s last hope was to ask the U.S. Supreme Court to take this case. In February 2023, the attorneys gathered the Green family together to break the bad news - the Supreme Court will not hear his case and Crosley has run out of legal options. On April 17th, 2023, two years after Crosley’s conditional release, he was returned to prison. **On screen text graphic for the 04/22/23 updated rebroadcast:** Crosley Green’s only remaining options for freedom are to seek parole or clemency. New interviews for the 04/22/23 updated rebroadcast: Crosley Green; Keith Harrison and Jeane Thomas, Green’s attorneys; and Katharine Spikes, Crosley’s fiancé. Also contains interviews from prior broadcasts: Crosley Green; Keith Harrison and Jeane Thomas, Green’s attorneys; Diane Clarke and Mark Rixey, Brevard County officers; David Stroup, Chip’s friend (1999); Christopher White, prosecutor (2015); Charles and Peggy Flynn, Chip’s parents (1999); Tim Curtis, who sold the car to Chip; Lisa DiMeo, criminalist; Sheila Green, Crosley’s sister (1999); Kenneth Nunn, University of Florida law professor; O’Connor Green, Crosley’s brother; Degrah Green, Crosley’s sister; Shuma Green, Crosley’s son; Shirley Green, Crosley’s sister. 48 HOURS: “Alisa Mathewson’s Night Terrors” (10:00 – 11:00p) – a report on the 55-hour ordeal Alisa Mathewson suffered at the hands of her estranged husband, Trevor Summers, who manipulated his children into believing he just wanted to get back together with his estranged wife and their mother. Just after midnight on March 11th, 2017, Trevor drove to Alisa’s home in Valrico, FL and entered through a window, left open by their 14-year-old daughter Arden, whom Trevor manipulated into believing he wanted to reconcile and make the family whole again. Once inside the house, Trevor woke up Alisa by dripping water on her head and told Arden to drive her siblings to his house and wait. Trevor tied Alisa with a string of holiday lights, kidnapped her, sexually assaulted her and then tried to kill her; he even used Alisa’s phone to record bizarre messages, admitting to his crime. Trevor was arrested on March 13th, 2017, after police received a 911 call from a Walgreens’ employee who saw a woman attempting to flee from an SUV. Trevor’s trial began in August 2022; he was found guilty of all 11 charges and the judge sentenced him to three life sentences, followed by 224 years of prison. In a wide-ranging interview, Alisa discussed her experience and the trial, in which she faced her ex-husband, who acted as his own attorney, while on the stand. **On-screen text graphic:** Trevor Summers declined our request for an interview, citing his decision to appeal his convictions. If you or someone you know is a victim of domestic violence, contact the National Domestic Violence Hotline at 1-800-799-7233. Interviewed: Alisa Mathewson; Arden Summers, Alisa and Trevor’s daughter; Jennifer Johnson and Jessica O’Connor, prosecutors, Hillsborough County State Attorney’s Office; Anthony Marchese, Trevor Summers’ court-appointed attorney (Trevor fired him before he was set to cross-examine Alisa and took over his own defense); Sgt. Christopher Steele and Sgt. Edward Remia, Hillsborough County Sheriff’s Office; and Jeff Mathewson, Alisa’s husband (married in 2018). 04/29/23

48 HOURS: “Lamar Johnson: Standing in Truth” – a report on the case against Lamar Johnson of St. Louis, MO, who spent almost three decades in prison for the murder of his friend, Markus Boyd. In 1994, 20-year-old Lamar worked at Jiffy Lube and attended community college; he also sold small amounts of crack cocaine for extra cash. On October 30th, 1994, 25-year-old Markus, who worked at a printing company and sold drugs on the side, was shot to death by two masked gunmen on his St. Louis porch. Named as a possible suspect by Markus’ girlfriend and his photo selected by witness Greg Elking, who later chose Lamar in a police lineup, Lamar was arrested along with his friend Phillip Campbell, on November 3rd, 1994. Though he had an alibi – Lamar was miles away with his girlfriend and daughter – he went on trial in July 1995; it took the jury two hours to reach a guilty verdict, primarily based on Greg’s testimony. Between his trial and sentencing, Lamar exchanged letters with the other suspect, Phillip Campbell, who admitted Lamar was not involved and named the other shooter: James “B.A.” Howard. In September 1995, Lamar was sentenced to life in prison without parole. The Midwest Innocence Project discovered that Greg later wrote a letter to a clergyman, admitting he had lied at Johnson’s trial. In 2018, St. Louis Circuit Attorney Kimberly Gardner agreed to look at Lamar’s case. Convinced of his innocence, she attempted to get Lamar’s conviction overturned, but was denied by the Missouri courts. In 2021, the Missouri Legislature passed a law, giving prosecutors the power to bring cases of innocence to court. On December 12th, 2022, Lamar Johnson and his legal team gathered in a St. Louis courtroom for a week-long hearing; Greg Elking testified he felt pressured by lead investigator Joe Nickerson to choose Lamar in the lineups. In February 2023, Lamar’s murder conviction was overturned; the judge also found there was clear and convincing evidence of Johnson’s innocence. After more than 28 years behind bars, 49-year-old Lamar Johnson was finally exonerated. **On-screen text graphic:** Under current law, Johnson is not entitled to compensation from the state of Missouri. Interviewed: Lamar Johnson; Brittany Johnson, Lamar’s daughter; Kiera Barrow, Lamar and Erika’s daughter; Erika Barrow, Kiera’s mother, Lamar’s former girlfriend; Greg Elking, lone eyewitness to Markus Boyd’s murder; Ricky Kidd, Lamar’s friend, met while serving a life sentence for murder before Ricky was exonerated; Lindsay Runnels, Lamar’s attorney; Dwight Warren, original prosecutor; Kimberly Gardner, St. Louis circuit attorney; Robert Ogilvie, chief investigator, Circuit Attorney’s office; Jonathon Potts and Charlie Weiss, attorneys appointed by Kimberly Gardner to handle Lamar’s case; and Tony Messenger, columnist, [St. Louis Post-Dispatch](#). 48 HOURS: "Where Is Diana Duve?" (10:00 – 11:00p) – a report on the 2014 death of Diana Duve, a 26-year-old nurse, who vanished one night in Vero Beach, FL. Diana was last seen leaving a bar on June 20th with her on-again, off-again boyfriend, 32-year-old Michael (Mike) Jones, who worked in wealth management at PNC Bank. Witnesses reported that the couple seemed to be having a good time, but also told police at one point it looked like Diana was upset. She never returned home; her mother knew something was wrong when her daughter didn't call her, something she did every day. Investigators looked into Mike Jones and learned he was well educated, had gone to law school and thrived at his job as a wealth manager at PNC Bank; they also learned he told outlandish lies and was a convicted felon on probation for threatening to kill an ex-girlfriend near Fort Lauderdale in 2012. Initially unable to locate Mike, investigators found his car in a Hampton Inn parking lot in the Fort Pierce area; he claimed to not know of Diana's location. Three days after she had gone missing, further investigation led to the discovery of Diana's car in a Publix parking lot in Melbourne; her body was in the trunk. Two days after Diana's body was found, Mike Jones was charged with her murder; he pleaded not guilty. In October 2019, his trial began in Vero Beach; prosecutors sought the death penalty. After seven days of testimony, the case went to the jury, who found Mike guilty in less than an hour. Nearly a month after the verdict, the penalty phase began; Mike ultimately received a life sentence. **On-screen text graphic:** If you or someone you know is a victim of domestic violence, call the National Domestic Violence Hotline at 1-800-799-7233. 48 HOURS: "Lori Vallow Daybell: Guilty" – an update on the case against Lori Vallow Daybell, who was found guilty on Friday, May 12th, 2023, by a Boise, ID jury for murdering her two children, JJ Vallow and Tylee Ryan, and conspiring in the murder of her husband's ex-wife, Tammy Daybell. Lori's husband, Chad Daybell, a former gravedigger-turned-doomsday novelist and podcaster, will be tried later. Chad and Lori were charged in May 2021 with murdering her children, 7-year-old JJ Vallow and 16-year-old Tylee Ryan, who disappeared in September 2019, shortly after the family moved to Idaho, from Arizona. Tylee was last seen in Yellowstone National Park with her family on September 8th, 2019; JJ vanished on September 23rd, 2019. In June 2020, their bodies were found in shallow graves on Chad Daybell's property, just outside of Rexburg, ID. The Daybells pleaded not guilty to the murder charges. During the trial, prosecutors argued that Lori's true motive was money; the defense claimed she did not commit the murders and suggested that Lori was manipulated by Chad. After 60 witnesses and four weeks of testimony, the prosecution rested its case; the defense declined to call any witnesses. The jury deliberated for seven hours over the course of two days; Lori appeared emotionless as the guilty verdicts were read. She will be sentenced at a later date. **On-screen text graphic:** Chad Daybell may stand trial as early as June

05/20/23 **48 HOURS: "The Plot to Kill Jamie Faith"** (9:00 – 10:00p) - a report on the murder of American Airlines manager Jamie Faith. Jamie and his wife, Jennifer, set out from their Oak Cliff neighborhood in Dallas, TX for an early morning dog walk on October 9th, 2020. Moments after they left home, Jamie was shot dead; Jennifer was unharmed. The murder stunned their friends and neighbors and the community rallied around Jennifer, raising more than \$60,000 in a GoFundMe account to help her and her daughter make up for Jamie's lost income; they also provided meals for the grieving family. Investigators learned that starting in April 2020, Jennifer had been in constant contact with a man she dated in high school, Darrin Lopez. Darrin drove the same make and model as the gunman's getaway truck in Jamie's murder; text messages between Darrin and Jennifer, cell phone data and GPS coordinates further linked him to the crime. Darrin was arrested on January 11th, 2021, in Dickson, TN and charged with a federal gun crime and, at the state level, charged with murder; he pleaded not guilty to both charges. On February 24th, Jennifer was arrested on obstruction of justice charges. Along with other evidence, prosecutors discovered an email account in Jamie's name, in which Jennifer pretended to be Jamie, in order to taunt Darrin. In September 2021, Jennifer was charged with murder-for-hire. On February 7th, 2022, Jennifer appeared in a Dallas courtroom and pleaded guilty to one count of use of interstate commerce in the commission of murder-for-hire. In exchange for the guilty plea, prosecutors agreed to take the death penalty off the table and recommended a life sentence. Original on-screen text graphic: Jennifer Faith is scheduled to be sentenced on May 26. Darrin Lopez's trial date has not been set. 05/20/23 **48 HOURS: "A Stabbing in Colts Neck"** (10:00 – 11:00p) - a report on Donna Ongsiako's story of survival and her ongoing efforts to help other victims of random violence. In early July 2013, Donna was alone in her Colts Neck, NJ home after midnight, when she heard a noise downstairs near the door. Donna thought that she forgot to let the cat in; when she opened the door, a young man with a knife pushed his way in and repeatedly stabbed her. He asked for her car keys and a lighter, stabbed her one last time in the chest and left her for dead. Although it was later determined she lost three quarters of the blood in her body, Donna made her way upstairs to where her phone was charging and dialed 911; she was able to give a description of her attacker. A tip from one of the assailant's relatives led investigators to 16-year-old Brennan Doyle, a local teen with no criminal record. In September 2013, investigators obtained a warrant for Brennan's DNA, fingerprints and photos. The results indicated a fingerprint match and his DNA was found in Donna's recovered car; the knife used in the attack was found in early October 2013 and was matched to another knife police had taken from the Doyle home a few months prior to Donna's attack, when police responded to an altercation between Brennan and his brother. A new search of the Doyle residence turned up the rest of the knife set and Brennan was arrested in late October 2013. He pleaded not guilty and claimed he was under the influence of hallucinogenic mushrooms the night of July 6th, early morning July 7th, 2013. In August 2015, Brennan Doyle agreed to a plea deal; in October 2015, he was sentenced to 15 years in state prison. Donna continued to struggle with PTSD and unable to find support groups for victims of random attacks, she created her own in 2015 - Survivors of Violent Crimes, a peer support group. **On-screen text graphic:** Donna filed a civil suit against Brennan Doyle and his father. She was awarded \$5 million. Donna has yet to receive payment. Brennan Doyle will be eligible for parole in 2027. He will be 30 years old. (OAD: 09/25/21), which takes a deeper look at the murder of 22-year-old "van life" vlogger Gabby Petito, as well as raising awareness about the warning signs of domestic violence. Petito went missing in August 2021 during a cross-country trip with her fiancé, Brian Laundrie. Laundrie returned home to North Port, FL on September 1st, 2021; he and his parents did not speak to police. On September 17th, his

parents reported that he left for a hike at the Carlton Reserve on the 14th and that they didn't know where he was. Petito's remains were found inside Bridger-Teton National Forest in Wyoming on September 19th, 2021. 09/17/22 UPDATE: After a massive manhunt, Laundrie's remains were found on October 20th, 2021; an autopsy revealed he had died from a self-inflicted gunshot to the head. A notebook was found belonging to Laundrie; his writings claimed that Petito's death was a mercy killing by him of her because she was suffering after an accident. Petito's parents are suing Laundrie's estate for wrongful death, and his parents for intentional infliction of emotional distress; they are in the process of filing a lawsuit against the Moab Police Department in Utah, related to how they handled the domestic violence stop in 2021. An independent review of the officers' actions that day found fault and recommended more training. 48 HOURS

- 06/03/23 **48 HOURS: “Death Hits Home: The Hargan Killings”** (9:00 – 10:00p) - a report on the July 2017 murders of millionaire mother Pamela Hargan and her adult daughter Helen who were discovered by police in their Fairfax County, VA home, after Helen’s boyfriend in Dallas, TX, Carlos Gutierrez, alerted authorities. Hours after the bodies were found in separate locations with a rifle near Helen, police informed the family and then went public with their murder-suicide theory. Pamela’s other daughters, Ashley and Megan - who along with her 8-year-old daughter Molly was living with Pamela and Helen while her husband was in the military - both described Helen as struggling emotionally. Soon, Helen’s autopsy report revealed that someone else pulled the trigger, casting doubt on the murder-suicide theory; further investigation revealed that Megan attempted to steal money from Pamela’s account to purchase a home by impersonating her over the phone. In November 2018, Megan was arrested in West Virginia. At her trial, the defense argued that the prosecution’s forensics were inconclusive and that Helen shot their mother and then took her own life by pulling the trigger with her toe. In March 2022, Megan Harman was found guilty of two counts of first degree murder; the jury recommended a sentence of life in prison on each murder count. Original on-screen text graphic: Megan Hargan and her husband divorced. Their daughter Molly is living with her father in another state. Megan Hargan is scheduled to be sentenced on October 28th. **On-screen text graphic for the 06/03/23 rebroadcast:** In November 2022, the judge overturned Megan Hargan’s double murder conviction because of juror misconduct. Interviewed: Brian Byerson, lead detective; Julia Elliott, crime scene detective; Michelle Sigona, CBS News; Tami Mallios, former neighbor; Erin Roughneen, Helen’s friend; Rebecca Wolfe, Megan’s friend; Whitney Gregory, prosecutor; Tyler Bezilla, prosecutor; Iris Graff, crime scene reconstructionist, hired by the prosecution; and Matt Troiano, attorney, hired by 48 HOURS to review the file. Viktoria poisoned Olga by giving her a piece of cheesecake laced with Phenazepam, a sedative primarily used in Russia. Investigators realized both women bear an uncanny physical resemblance and determined identity theft as the motive. Viktoria was arrested on March 20th, 2017. Due to delays caused by the Coronavirus pandemic, Viktoria remained in custody for nearly six years; her trial began in January 2023. Found guilty of attempted murder in the second degree; the judge sentenced Viktoria to a 21-year sentence with credit for time served. Nadia and Olga, who met because of Viktoria’s crimes, have become friends. (This broadcast includes extensive footage and interviews from 48 HOURS: “Red Notice For Murder”, which detailed the international search conducted by Nadia Ford and private detective Herman Weisberg for Viktoria, suspected of the 2014 murder of Ford’s mother, Alla Aleksenko, in her Russian hometown and of stealing her money and other valuables, as well as the victims from the crimes she committed in America -- from a man who met her on a dating site, to a woman with similar looks who believes she was out to kill her and steal her identity.) **On-screen text graphic:** In 2018, Viktoria Nasyrova sued New York City for negligence in the Rikers Island jail attack. - 06/10/23 **48 HOURS: “The Dexter Killer”** (9:00 – 10:00p) - a reedited and updated rebroadcast of 48 HOURS MYSTERY: “Screenplay for Murder” (OAD: 02/11/12; Rebroadcast: 07/10/12), a report on Canadian filmmaker Mark Twitchell, whose obsession with the *Showtime* television series “Dexter” turned to reality and led to murder. His film, “House of Cards”, was about a male serial killer who created a fake online profile as a woman, lured men from a dating website to his garage -- and then killed them. Police became interested in Twitchell when they were investigating a missing persons case, 38-year-old computer enthusiast John Altinger, and were led to the garage where he had just wrapped shooting his movie. A

Facebook page where he compared himself to the serial killer “Dexter” and the discovery of a secret journal, which was essentially a blueprint for murder, allowed Edmonton police to eventually link Twitchell to the 2008 murder of Altinger and to the attempted murder of 33-year old Gilles Tetreault -- both of whom had answered an online dating ad. In March 2011, Twitchell went on trial for the murder of Johnny Altinger; he was sentenced to 25 years to life. **UPDATE:** Twitchell began correspondence with journalist Steve Lillebuen before he was convicted in 2011. Lillebuen wrote a book on the case; he sold the rights to a film company. In 2023, Twitchell will be eligible to apply for early parole. Tetreault, who escaped from him nearly 14 years ago, is worried that Twitchell could come after him. Includes interviews from the 2012 original broadcasts with: Gilles Tetreault, victim; Bill Clark, Edmonton Police homicide detective; Gary Altinger, John’s older brother; and Renee Waring, Twitchell’s Facebook friend. Includes new interviews with: Julia Crowley, retired FBI criminal profiler, spoke with Detective Clark and reviewed Twitchell’s writings and letters for 48 HOURS; Gilles Tetreault, victim; and Steve Lillebuen, college professor, investigative journalist, author, *The Devil’s Cinema: The Untold Story Behind Mark Twitchell’s Kill Room*. 06/10/23 **48 HOURS: “The Shooting of Lauren Kanarek”** (10:00 – 11:00p) – a report on the case against Michael Barisone, a former Olympic equestrian and trainer, for the attempted murder of former student Lauren Kanarek and her boyfriend, Robert Goodwin. Barisone and Kanarek’s paths first crossed in March 2018, when Barisone hosted a clinic at his Florida horse farm. Soon, Kanarek was being trained and housed by Barisone and his staff at Hawthorne Hill, his Long Valley, NJ training center and farm. Their relationship eventually soured over the level of training Barisone provided personally to Kanarek, who retaliated by posting messages on Facebook branding him a bully, racist and antisemitic – allegations Barisone denies. The posts rattled and unnerved Barisone to the point where he called 911 four times and told police he “feared” for his life. Kanarek also filed a complaint with SafeSport, a watchdog group authorized by Congress. On August 7th, 2019, he confronted Kanarek and shot her in the chest; she managed to call 911 and after emergency surgery, survived. Charged with attempted murder and weapons charges, Barisone went on trial in March 2022; his attorney argued Barisone was driven temporarily insane by Kanarek’s attacks and then snapped. Kanarek testified during the trial that Barisone bullied her. The jury found Barisone not guilty by reason of insanity. Barisone claims to recall Kanarek’s social media posts about him but has no memory of the shooting; Kanarek and her family do not believe his story. Original on-screen text graphic: Michael Barisone was evaluated at the psychiatric hospital. Just last week, a judge ruled he should be transferred to a less restrictive facility. In six months, another hearing will be held to check his progress. *No on-screen text graphic for the 06/10/23 rebroadcast.* Interviewed: Michael Barisone (his first television interview since the end of his trial); Lauren Kanarek; Jonathan Kanarek, Lauren’s father, retired Wall Street attorney; Christopher Schellhorn, prosecutor; Ed Bilinkas, defense attorney; Chris Deininger, defense attorney; Michael Poulin, rider, Olympic medalist; Phillip Dutton, rider, Olympic medalist; Boyd Martin, rider, Olympian; Jordan Osborne, former student; Lara Osborne, Jordan’s mother, former student, Barisone’s girlfriend; Chelsea Westra, former student; Corporal Derek Heymer, police officer; Dr. Steven Simring, forensic psychiatrist for the defense; and Dr. Charles Hasson, forensic psychiatrist for the defense. 06/17/23 **48 HOURS: “Please Don’t Tell”** (9:00 - 10:00p) – a report on the case against Vincent Simmons, who was released from a Louisiana prison earlier this year after serving 44 years. In 1977, Simmons was convicted of two counts of attempted aggravated rape of identical 14-year-old twins, Karen and Sharon Sanders, who lived with their grandparents in Marksville, LA. Simmons was sentenced to 100 years in prison. The Sanders sisters say their cousin, Keith Laborde, was driving them when he gave Simmons a ride. They claim Simmons directed Laborde to a desolate area of Little California Road and then forced him into the trunk; he then raped them. The Sanders sisters also say Simmons warned them not to tell anyone about what had happened and they initially intended to keep it a secret, but Karen Sanders decided to confide in a family member. The police soon found out and Simmons was arrested, convicted and sentenced to prison. The sisters don’t doubt that they picked the right man out of the lineup. Simmons’ attorney, Justin Bonus, believes the twins are lying to protect Keith Laborde. Laborde’s cousin, Dana Brouillette, told a private investigator and swore in an affidavit in 2020 that Laborde admitted to her that Simmons was never with them that night. Instead, she said in the affidavit that Laborde told her “he had consensual sex with one of the girls and locked the other in the trunk.” Laborde denied ever having sex with them. This year, Simmons was released after a judge vacated his conviction after finding he didn’t get a fair trial. The court did not rule on his innocence or guilt, and the district attorney declined to retry him. Original on-screen text graphic: Vincent Simmons intends to go back to court to seek compensation for wrongful imprisonment. Under Louisiana State law, if he is unable to present clear and convincing evidence of his innocence, he is entitled to nothing. **On-screen text graphic for the 06/17/23 rebroadcast:** Vincent Simmons filed a federal civil rights lawsuit accusing officials of fabricating evidence against him and suppressing other evidence that could have prevented his conviction. Interviewed: Karen Sanders; Sharon Sanders; Charles Riddle, district attorney; Vincent Simmons; Justin Bonus, Vincent Simmons’ defense attorney; Jason Flom, recording industry executive, criminal justice advocate, and host, “Wrongful Conviction” podcast; Brian Andrews, private investigator in Louisiana; Diane Prater, lone surviving juror and the only African American on the jury; Keith Laborde (via telephone); and Judge William Bennett. Also includes excerpts from: (1) “The Farm”, a documentary which profiled inmates at Angola; (2) documentary footage from the late 1990s, when Simmons and the Sanders sisters agreed to a reconciliation meeting; and (3) Brian Andrews’ videotaped interview with Dana Brouillette, Keith Laborde’s cousin. 06/17/23 **48 HOURS: “The Strange Death of Professor Shockley”** (10:00 – 11:00p) - a report on the death of Marianne Shockley, a popular University of Georgia professor. After a day of barhopping, Marianne and her boyfriend Marcus Lillard ended up at the Milledgeville, GA home of former psychologist Clark Heindel, to use his hot tub; all three of them took ecstasy (MDMA). Marcus exited the hot tub and when he returned, Marianne wasn’t breathing. Marcus and Clark delayed in calling the police and attempted to perform CPR on Marianne.

Sheriff's deputies arrived at Clark's home in the early morning hours of May 12th, 2019; Marianne was pronounced dead at the scene. While deputies investigated, Clark slipped into the house and took his own life. Autopsy results indicated Marianne "died as a result of asphyxia due to strangulation". Within a day, Marcus was charged with his girlfriend's murder. Marcus was formally indicted in March 2021 and charged with four counts; he was ordered held without bond. Largely due to the COVID pandemic, the trial was delayed until April 4th, 2022. Prosecutors maintained that Marcus strangled Marianne during sex and they included the testimony of six former girlfriends; the case went to the jury on April 8th, 2022. Marcus was found not guilty on all counts, but the judge found that he violated his probation for his 2015 drug conviction and he was remanded to prison. **On-screen text graphic:** Marcus could remain in prison until October 2030. But it's likely he'll be released sooner. Marianne's children settled a wrongful death lawsuit against Clark Heindel's estate for \$500,000. There was no admission of liability or fault. This story discusses suicide. If you or someone you know is having thoughts of suicide, please contact the Suicide & Crisis Lifeline at 988. Interviewed: Marcus Lillard; Ayla Crippen, Marianne's younger sister; Penny Dearmin, creator of "Blood Town", a podcast about the Marianne Shockley case; Carson Lillard, Marcus' son; Shakara Maggitt, Marianne's student; Bill Massee, sheriff, Baldwin County, GA; Matt Tucker, defense attorney; Tammy Coffey, assistant district attorney; and Tyisha Davis, juror #11. 48 HOURS: "A Man With A Past" – a report on the disappearance of Lori Slesinski and the case against her killer, Derrill Richard Ennis, aka Rick Ennis. Slesinski, a recent college graduate, disappeared on June 10th, 2006, from Auburn, AL. Four days after Slesinski vanished, her car was found engulfed in flames on a deserted street; she was nowhere to be found. Her friend, Rick Ennis, claimed Slesinski had gone to make a big drug deal. Investigators found no evidence of a drug deal and suspected Ennis, who police believed was the last person to be with her before she disappeared. Ennis moved away from Auburn after his third police interview and the case went cold. Investigators learned Ennis murdered his mother Dolly Flowers and stepfather Eddie Joe Flowers in 1993, when he was 12-years-old; he later claimed his mother molested him. It took 12 years before authorities made a case against him. In 2018, Ennis was charged with Slesinski's murder, even though her body was never found. Delayed by the pandemic, Ennis went on trial for the offense of capital murder and was found guilty almost 16 years after Lori Slesinski's disappearance. He was sentenced for a term of life without the possibility of parole. **On-screen text graphic:** Arlene Slesinski gained a new companion in 2021. Her dog, Daisey. Interviewed: Arlene Slesinski, Lori's mother; Jessica Ventiere, prosecutor; Lindsay Braun, Lori's friend; Mark Whitaker, special agent, Alabama State Bureau of Investigation; John Clark, former Alabama state trooper; Eddie Joe Flowers' daughters and Ennis' stepsisters: Angela Flowers, Tina Sexton and Donna Furr; JW Barnes, agent, Alabama State Bureau of Investigation, Mark Whitaker's partner; Sharon Morley, Rick Ennis' former employer; Alana Atkinson, Rick Ennis' fiancée; Terry Booth, Rick Ennis' former friend; and Rick Ennis (by phone).
