KANSAS LAWMAKERS HEARD FROM GOVERNOR LAURA KELLY LAST NIGHT -- SHE OUTLINED SEVERAL GOALS FOR THE NEW YEAR DURING HER STATE OF THE STATE ADDRESS AND SPENT MUCH OF IT FOCUSING ON THE TAX BATTLE THAT HAS DIVIDED STATE LAWMAKERS FOR OVER A YEAR... 13'S ALEX CARTER HAS MORE FROM THE GOVERNOR'S SPEECH -- AND REPUBLICAN REACTION.. "Now the flat tax came up last year, and I expect it will come up again this year. Despite the fact that it only benefits the super-wealthy, while doing little to nothing for working to middle class Kansans." THE GOVERNOR TOUTED HER RECENTLY INTRODUCED BI-PARTISAN TAX-BILL... "On monday I joined republican and democrat legislators to propose a responsible, comprehensive, and affordable plan that benefits every Kansan." SHE CONTENTS A SIMILAR TAX RATE IMPLEMENTED IN ARIZONA IN 20-21 LED TO WIDESPREAD BUDGET ISSUES THERE... "You know Arizona legislators passed a flat tax in 2021, and now they're facing a significant budget shortfall. and guess where the cuts are coming from? Their public schools, their law enforcement, and their infrastructure." BUT HOUSE TAX CHAIRMAN ADAM SMITH SAYS GOVERNOR KELLY USED AN UNEQUAL COMPARISON... "She used the Arizona comparison. Once again, Arizona's annual cost of their tax plan was 1.9 billion dollars. The house tax plan was 255 million. They're tax rate that they proposed was 2.5 percent. The house tax rate was 5.25, so it's not really apples-to-apples to say that 255 million is going to bankrupt the state." WHAT DO REPUBLICANS AND DEMOCRATS AGREE ON THIS YEAR? THAT TAX RELIEF IS PERHAPS THE BIGGEST ISSUE FACING STATE LEADERS IN 20-24... "That is the single biggest issue that I hear from from my constituents. I hear very little about medicaid expansion and the other priorities that the governor talked about. But i do overwhelmingly hear that property tax relief is a must, and my constituents are asking for that, especially this session." YOU CAN WATCH THE ENTIRE 'STATE OF THE STATE' SPEECH ON W-I-B-W DOT COM.

SPECIFICALLY TO APPEASE GOVERNOR KELLY... DESPITE THE PUSH FOR A FLAT TAX SHE HAS REPEATEDLY OPPOSED... "There really isn't a piece in this bill that isn't a compromise. We joke about meeting her in the middle of the road, I feel like I'm standing on the left side a little bit. We have come so far to her, it's time for her to compromise." "It's not a compromise, because we can look at rates, we can look at other things that are actually going to benefit the majority of Kansans, not just 20 percent. That's where the compromise is going to come." THE GOVERNOR'S OFFICE RESPONDED THAT REFUSING TO BUDGE ON THE FLAT TAX IS *NOT COMPROMISE... THE BILL DIDN'T RECEIVE ENOUGH VOTES IN EITHER CHAMBER TO INDICATE IT WOULD SURVIVE A VETO -- WHICH GOVERNOR KELLY IS EXPECTED TO DELIVER... A NEW POLITICAL PARTY IS OFFICIALLY RECOGNIZED IN KANSAS.... 'NO LABELS' IS A NEW POLITICAL PARTY THAT LAST WEEK GATHERED ENOUGH SIGNATURES TO OFFICIALLY BE RECOGNIZED ON THE 20-24 GENERAL ELECTION BALLOT IN THE STATE OF KANSAS... 13'S ALEX CARTER FILLS US IN AHEAD OF THIS YEAR'S PRESIDENTIAL ELECTION... "on the 16th of January, we got our 14th state, the sunflower state right there in Kansas. As we went through, we had some dates to deal with on a few things because Kansas has some appropriate requirements that the signatures must be gathered within a certain date or time. You don't want to have dead people on those petitions." FORMER MISSOURI GOVERNOR JAY NIXON SAYS THE PARTY PLANS TO RUN A PLATFORM CONSISTING OF 30 DIFFERENT KEY ISSUES... "We've got what's called a common-sense... we have 30 issues that we're talking about. If I was gonna cover one... once again the candidate's going to choose the position. cause the candidate's the one that will stand there, they're the ones that will articulate directly their positions. So we are articulating areas we're clearly there has not been movement forward. Clearly there could be, and there needs to be, one of those would be fiscal discipline." NIXON FEELS THE CURRENT POLITICAL CLIMATE NEEDS AN INJECTION OF YOUTH AND NEW IDEAS... "all of us as Americans see that a rerun off the last campaign is not what people want. Over 64 percent of the people clearly say that having a rerun is not... we want to have a centrist, third-party candidate." NIXON SAYS HIS PARTY'S CONVERSATIONS WITH UNDECIDED VOTERS HAVE REVEALED A DESIRE FOR A STRONG THIRD-PARTY TO ENTER THE CAMPAIGN IN 20-24... "our signature gatherers say it's the easiest signature they've ever gotten. They're out there working and they go to people and usually you're trying to get some of the people and they say 'what's that,' what're you doing to me' why are you here... I'm on these calls with them, they're explaining to me everybody saying to them, thanks, why weren't you here before." THE POLITICAL PARTY SAYS IT ONLY PLANS TO RUN CANDIDATES FOR THE OFFICE OF PRESIDENT AND VICE-PRESIDENT IN 20-24... THEY'LL ANNOUNCE THOSE CANDIDATES WITHIN THE TEN DAYS FOLLOWING 'SUPER TUESDAY'... THE TOPEKA-CAPITOL JOURNAL ANNOUNCED A NEW PARTNERSHIP WITH THE UNITED STATES POSTAL SERVICE -- WHO WILL DELIVER ITS PAPERS STARTING AT THE END OF JANUARY... THE BOIL WATER ADVISORY IN THE CITY OF TOPEKA HAS LOCAL COFFEE SHOPS -- SUCH AS MILK AND HONEY -- MAKING CHANGES TO THEIR OPERATION AND THEIR MENU... "We had some things stored. We had ice on hand from previous days that we were able to get the bags of that and use, but I've got an ice machine full of ice that's unusable.We've been fortunate. We've got multiple sinks that we can put bleach in to keep things sterilized and I've got a sterilizing dishwasher - that's how we've been able to continue to operate." the Topeka boulevard bridge in 2025 and the Kansas Avenue Bridge in 2026, River Road's gonna carry a lot of traffic. So we're gonna go in and do that as a mill and overlay." COPLEY SAYS YOU-BASS ALLOWS CREWS TO RESURFACE TOPEKA'S STREETS MORE EFFICIENTLY THAN OTHER METHODS... "UBAS is an ultra-thin bonded asphaltic surface. we did a pilot project last year on Kansas Avenue between 37th and 29th. It will actually last longer than our microsurfacing, and it costs far less than a mill and overlay and we can apply it very quickly." HE SAYS THE WAY IN WHICH A ROAD IS TREATED IS DETERMINED IN LARGE PART BY THE QUALITY OF THE PAVEMENT... "We're looking at what is the PCI? So PCI, pavement condition index... if a road is in that 50,60, 70 spot, that's probably going to be a prime candidate for doing UBAS, as well as maybe crack-sealing micro-surfacing, which are less expensive treatments than mill and overlay." FOR EXAMPLE - COPLEY SAYS THE CITY'S UPCOMING PROJECT ON TOPEKA BOULEVARD WILL LIKELY CALL FOR AN ASPHALT MILL AND OVERLAY DUE TO THE STREET'S LOW P-C-I... "That's in the upper-20's, I believe it's 27. So that one is absolutely... it's time for that project. Then I have a countywide half-cent sales tax project that is going to go into design in 2024, and construction in '25 and '26. And that's going to be Topeka Boulevard from 15th down to 21st."LAST YEAR... IT WAS THEIR SECOND ATTEMPT, AFTER LAST WEEK'S VOTE FAILED, AND THE FIRST TIME A CABINET SECRETARY HAS BEEN IMPEACHED SINCE THE 1870'S. THREE REPUBLICANS JOINED DEMOCRATS, AGAIN, IN OPPOSITION TO IMPEACHING MAYORKAS. NOW THE MATTER MOVES ON TO THE DEMOCRAT-CONTROLLED SENATE, WHERE IT'S LIKELY DOOMED. ASTRID MARTINEZ HAS MORE FROM NEW YORK.. BY A MARGIN OF JUST ONE VOTE, HOUSE REPUBLICANS IMPEACHED HOMELAND SECURITY SECRETARY ALEJANDRO MAYORKAS. "our conference is willing to hold the Biden administration accountable, especially when the Secretary of Homeland Security is violating our federal immigration laws." HOUSE REPUBLICANS ALLEGE THAT MAYORKAS COMMITTED HIGH CRIMES AND MISDEMEANORS BY NOT ENFORCING IMMIGRATION LAWS. U-S BORDER OFFICIALS ENCOUNTERED NEARLY 2-POINT-5 MILLION MIGRANTS LAST FISCAL YEAR ALONE -- A RECORD HIGH. IN A STATEMENT, PRESIDENT BIDEN CALLED THE HOUSE VOTE A -- QUOTE -- "BLATANT ACT OF UNCONSTITUTIONAL PARTISANSHIP." "Many of the shortcomings Republicans complain about are because they won't give him additional legislation to better secure the border. " AT THE WHITE HOUSE YESTERDAY...THE PRESIDENT PUSHED THE HOUSE TO TAKE UP A SENATE-PASSED AID PACKAGE THAT WOULD GIVE 95-BILLION-DOLLARS TO ISRAEL, TAIWAN, AND UKRAINE. "History is watching. Failure to support Ukraine at this critical moment will never be forgotten." BUT REPUBLICAN HOUSE SPEAKER MIKE

JOHNSON HAS INDICATED HE IS IN NO HURRY TO BRING UP THE LEGISLATION FOR A VOTE IN HIS CHAMBER. MEANWHILE, THE DEMOCRAT-CONTROLLED U.S. SENATE IS EXPECTED TO BEGIN THE IMPEACHMENT TRIAL FOR SECRETARY MAYORKAS BEFORE THE END OF THE MONTH, THOUGH THE BODY IS NOT LIKELY TO CONVICT AND REMOVE HIM FROM OFFICE. ASTRID MARTINEZ, CBS NEWS. THE HOUSE REPUBLICANS' MAJORITY IS SHRINKING. U-S DEFENSE OFFICIALS WARN THAT UKRAINE CANNOT SUSTAIN ITS FIGHT AGAINST RUSSIA'S INVASION WITHOUT THAT CRITICAL AID... JARRED HILL HAS THE LATEST. This morning...growing international outrage to the death of Russian opposition leader Alexi Navalny. "They're making a big mistake not responding." PRESIDENT BIDEN EVEN SAID HE'S WILLING TO MEET WITH GOP HOUSE SPEAKER MIKE JOHNSON TO DISCUSS UKRAINE AID. JOHNSON SPENT PRESIDENT'S DAY IN FLORIDA MEETING WITH FORMER PRESIDENT DONALD TRUMP... WHO HAS OPENLY OPPOSED A BIPARTISAN SENATE BILL THAT INCLUDED FUNDING FOR UKRAINE AND BORDER SECURITY. YESTERDAY, TRUMP BROKE HIS SILENCE ON NAVALNY -- WRITING ON SOCIAL MEDIA: "The sudden death of Alexey Navalny has made me more and more aware of what is happening in our Country..." HE WENT ON TO RAIL AGAINST HIS OWN LEGAL ISSUES. TRUMP'S 2024 GOP RIVAL NIKKI HALEY HAS RAMPED UP HER ATTACKS ON HIM REGARDING RUSSIA, IN RECENT DAYS. "I don't know why he keeps getting weak in the knees when it comes to Russia. But I'll tell you what, Russia is not getting weak in the knees." AS THIS WEEK MARKS TWO YEARS SINCE RUSSIA'S BRUTAL INVASION OF UKRAINE.THE PENTAGON WARNS THAT UKRAINE ABSOLUTELY NEEDS MORE AID AND THAT THE COUNTRY IS RUNNING LOW OF CRITICAL SUPPLIES -- PARTICULARLY AMMUNITIONS. THERE'S A LOT OF DEBATE AROUND WHETHER TO PAY COLLEGE ATHLETES. TOP STARS GENERATE MILLIONS FOR THEIR SCHOOLS - BUT OFTEN GET LITTLE IN RETURN. NOW, LAWMAKERS ON CAPITOL HILL ARE ENTERING THE RING. MOLLY MARTINEZ TELLS US WHY THEY'RE TRYING TO SETTLE THE SCORE ON COMPENSATION. "According to the NCAA, only about 2% of college athletes go pro. Lawmakers now want to make sure that those who have the talent are able to monetize off of it - and those who don't go pro are able to succeed outside of the arena. "The world of college sports is at a crossroads" Senators Ted Cruz, along with Jerry Moran, John Thune, and Joe Manchin are serving up new legislation that will aim to help student athletes bank-shot their celebrity. "I think it is good that young men and young women have worked incredibly hard to develop fantastic skills that in turn can generate enormous economic activity, should be entitled to enjoy the fruits of their labor" They hosted a roundtable Tuesday, to get input from coaches, school leaders and student athletes. While most agreed student stars should be able to cash in on their name, image and likeness, school leaders worried about putting athletes on the payroll. "If you look at the numbers for us at the University of Alabama with our 19 sports outside of football, men's basketball, I mentioned we lost collectively almost \$40 million and we funded that through our our revenue from a football men's basketball standpoint" The legislation is still in its first round draft, but the hope is to enshrine name image and likeness rights, establish a medical trust fund for injured athletes, and prioritize educational outcomes for life outside of the arena. "Graduation rates matter. 98% of these young men and women, maybe 99, are not going to play professional sports. Why would we discount that? But there's a needle we can thread

THIS WEEK ABORTION ACCESS RETURNS TO THE HIGH COURT, NEARLY TWO YEARS AFTER THE SUPREME COURT OVERTURNED THE LANDMARK ROE V. WADE. THIS TIME ACCESS TO THE ABORTION PILL MIFEPRISTONE HANGS IN THE BALANCE. WILLIE JAMES INMAN IS AT THE SUPREME COURT. THE SUPREME COURT IS SET TO HEAR ORAL ARGUMENTS THAT WILL DECIDE WHETHER TO REVERSE THE FDA'S DECISIONS TO EXPAND ACCESS TO MIFEPRISTONE, ONE OF TWO DRUGS USED FOR MEDICATION ABORTIONS IN THE U.S. JESSICA LEVINSON IS A LEGAL ANALYST.... "You don't want a group of judges substituting their own judgment for those of scientists and experts when it comes to approving any type of drug" IN 2023 THE MAJORITY OF ABORTIONS IN THE UNITED STATES WERE CARRIED OUT USING MEDICATION. MIFEPRISTONE WAS APPROVED BY THE FDA IN 2000 BUT HAS SINCE UNDERGONE REVIEWS EXPANDING THE TIMEFRAME IT COULD BE USED AND MAKING IT EASIER TO OBTAIN. THE COURT IS WEIGHING A DECISION TO ROLL BACK THOSE EFFORTS MADE BY THE FDA. BUT IN MOVING TO LIMIT THE USE OF MIFEPRISTONE, OVERRIDING FDA APPROVAL, IT COULD AFFECT THE AGENCY'S AUTHORITY TO REGULATE OTHER PRESCRIPTION DRUGS. "In the end, I think the court will be reticent to really undermine the power of the FDA, because they know this isn't just about mifepristone. This is also about other drugs" THE JUSTICES ARE EXPECTED TO MAKE A DECISION IN JUNE AND IF THE JUSTICES DECIDE TO ROLL BACK THE USE OF MIFEPRISTONE IT COULD STILL BE USED UP TO 7-WEEKS OF PREGNANCY INSTEAD OF TEN WEEKS BUT IT WOULD BE HARDER TO GET THROUGH THE MAIL THROUGH TELEHEALTH APPOINTMENTS. WILLIE JAMES INMAN, CBS NEWS, WASHINGTON.

HILL HAS BEEN REFURBISHING BIKES FOR OVER 40 YEARS... EVEN COLLECTING 300 OF HIS OWN... "I work on like the old schools and the new schools, I just change them over to something else and go from there and I get them going and that's all it needs. I mean I'm just so happy to see the kids have that bicycle and have something to ride and they appreciate it and its amazing what you can see what the kids do and they're happy with it." HILL RIDES HIS BICYCLE EVERYWHERE HE GOES -- INCLUDING HIS VOLUNTEER DAYS AT THE LIGHTHOUSE FOR CHRIST... "He generally works in our back donation receiving room, he helps bring in donations, he helps sort them but really he can be a jack of all trades at the Lighthouse because he's been here so long he knows just about how to do everything and he's always had a really big heart of service, he's always willing to help whenever we ask him." HILL SAYS THE LOOK ON KIDS' FACES WHEN THEY GET A NEW BIKE MAKES HIM WANT TO CONTINUE HIS WORK FOR A LONG TIME... "It makes me happy

GETS TO THE CUP AND FINISHES WITH THE LEFT HAND.. BUT RURAL'S TRAILING BY TWO AFTER A BACK AND FORTH 3RD QUARTER.. == SO TO THE FOURTH WE GO.. AZAILAH FUNCHES GETS IT IN THE POST.. TURNS AROUND AND KNOCKS DOWN THE J.. THE D1 COMMIT WAS AWESOME FOR THE RAIDERS... THAT'S NOW A *NINE POINT LEAD FOR SHAWNEE MISSION SOUTH.. == RURAL IN DANGEROUS TERRITORY.. VICKERY WITH A LITTLE CROSSOVER STEPBACK TRIPLE.. BUT IT'S JUST TOO LITTLE TOO LATE IN THIS ONE.. -- ****THE JUNIOR BLUES SETTLE FOR 2ND PLACE.. 47-37.. STILL.. THIRD STRAIGHT CHAMPIONSHIP GAME APPEARANCE.. LOTS TO BE PROUD OF. IT'S SELECTION SUNDAY... WE FINALLY KNOW THE FATES OF OUR LOCAL MEN'S AND WOMEN'S BIG 12 BASKETBALL TEAMS.. KATIE MAHER JOINS US WITH THE DETAILS. ALL FOUR OF OUR LOCAL BIG 12 TEAMS WILL BE FIGHTING FOR POSTSEASON HARDWARE... ONE IS A BIT DIFFERENT FROM THE OTHER THREE BUT WE'LL GET THERE IN A SECOND.. LET'S START WITH THE KANSAS MEN.. DANCING IS THE NORM FOR THIS PROGRAM... AND THIS YEAR THEY'RE THE 4-SEED IN THE MIDWEST REGION. THEY'LL TAKE ON 13-SEED SAMFORD IN SALT LAKE CITY UTAH. THEY'VE GOT THE THURSDAY SATURDAY SWING... AND SHOULD THEY GET PAST SAMFORD.. THEY'D HAVE THE WINNER OF GONZAGA AND MCNEESE STATE. APPROXIMATELY 5 TEAMS GOT AUTOMATIC BIDS TO THE BIG DANCE WITH CONFERENCE CHAMPIONSHIP WINS TODAY... AND ALL THOSE UPSETS LEFT NO ROOM FOR K-STATE IN THE MEN'S BRACKET. BUT THEY HAVE ACCEPTED AN INVITE TO THE NIT. THEY'LL TAKE ON 3-SEED IOWA IN THE FIRST ROUND AT A DATE AND TIME TO BE ANNOUNCED. BUT THE K-STATE WOMEN HAVE A LOT TO BE EXCITED ABOUT... THE CATS ARE THE 4-SEED IN REGION 2... WHICH MEANS THEY GET TO HOST THE FIRST WEEKEND OF ACTION. THEY'LL TAKE ON 13-SEED PORTLAND IN MANHATTAN. AND THE KU WOMEN ARE PUTTING ON THEIR DANCING SHOES TOO... THEY'RE THE 8-SEED IN REGIONAL 3... AND WILL PLAY 9-SEED MICHIGAN IN LOS ANGELES. DATE AND TIME ARE STILL YET TO BE ANNOUNCED.

WHAT STARTED AS AN IMPRESSIVE SHOWING FOR 4-SEED K-STATE AGAINST 5-SEED COLORADO.. TURNED INTO A SECOND HALF FULL OF TURNOVERS.. MISSED SHOTS.. AND ULTIMATELY HEARTBREAK.. FALLING TO THE BUFFALOES 63-50. AS YOU CAN IMAGINE.. IT WAS A PRETTY EMOTIONAL LOCKER ROOM AFTER THE GAME.. "When you end it this way there's, this one's gonna sting for a while." "I think it's just knowing how bad we wanted to make the Sweet 16. Obviously I had gone to March Madness my freshman year, and we didn't make it past the second round so I was just hopeful." TO START.. K-STATE WAS HOT ON BOTH ENDS OF THE COURT.. BRAMLAGE WAS LOUD.. IT SEEMED LIKE A PERFECT SCENARIO FOR A WIN. BUT A BIG TURNING POINT.. WAS THE INTENTIONAL FOUL CALL ON SERENA SUNDELL IN THE THIRD QUARTER.. WHEN JAYLYN SHERROD PLEADED WITH A REF FOR A CALL RIGHT IN FRONT OF K-STATE'S BENCH. "My intentional foul was a tough one. That was tough. But you know they're gonna go on runs, and we're gonna go on runs, we just couldn't seem to get on a big enough run to kinda get back in the ball game." AND K-STATE'S 22 TURNOVERS DIDN'T EXACTLY HELP THEIR OFFENSIVE STRUGGLES IN THE SECOND HALF. "I thought our defense was good enough to win this game. We held them to 35% shooting. But ultimately, turnovers were a big problem for us. We did not get to the free throw line enough to balance that out where we'd get some points there. We weren't shooting the ball well enough, it was really hard for us to put together consistent

possessions." "And that's kinda just how it goes sometimes. It's just disappointing to lose when you know that we could've played a lot better." BUT EVEN THOUGH THEIR TOURNAMENT RUN WAS CUT SHORT... THEY'RE NOT FORGETTING ABOUT EVERYTHING THEY ACCOMPLISHED TO GET HERE. "I mean being able to host, not a lot of teams get to do that. And even the ref came up to me and was like, 'Look at you guys! Like congratulations, but you guys worked to be here', so I feel like our hard work didn't go unnoticed." BECAUSE A 26-8 SEASON RANKED AMONG THE BEST TEAMS IN THE NATION... IS A LOT TO BE PROUD OF. "I think like every woman in this locker room is just amazing and means so much to me. So I think just the relationships that we have with one another like on and off the court, just those memories."

TODAY'S TECHNOLOGY PROVIDES MORE TOOLS FOR METEOROLOGIST TO LET YOU KNOW WHEN TO PUT THOSE TORNADO PREPAREDNESS PLANS INTO ACTION.... YESTERDAY'S WARNINGS INCLUDE KEY INFORMATION TO KEEP YOU ALERT. Mel - A lot goes into issuing a tornado warning. Chad - We'll use information that comes from the radar. We'll use our knowledge of the area environment and reports from people around the storm. If no one's seeing the tornado yet, but we get a report of a rotating wall cloud and radar shows a rotation, we will issue a tornado warning generally speaking. But it's radar indicated at that point. It's not until a human being actually sees something that we can then put radar confirmation or tornado has been confirmed in the information that's going with the tornado warning. Mel - Today's technology also gives a lot more information about storms. This is a tornado on radar in 1979 -- this is a tornado image of the Marysville tornado from 2022. Meteorologists say the improved resolution gives clues as to what's happening. Chad - Radar can give us this information the way that it does and it tells us that a tornado is doing damage and lofting debris into the atmosphere. Mel - All the information allows for the highest level of warning: a tornado emergency. Chad - I think the one thing that keeps us up at night is the idea of a violent tornado moving toward a city. That is the worst case scenario and that is when we issue these tornado emergencies. I can't emphasize enough the importance if you are on the air saying there is a tornado emergency. We need to be doing everything we can to get people into their shelters immediately. Mel - And make that sheltering plan - now! In a car or mobile home are your worst options. Chad - You're not going to survive a violent tornado in a mobile home. Mel - Kansas has been below average for tornado numbers seven of the last 10 years - but.... Chad - That doesn't mean the threat is gone. We still rank in the top three in the country. So we cannot get complacent. REMEMBER YOU CAN GET INSTANT ALERTS FOR YOUR AREA WITH THE WIBW WEATHER APP.

Kassandra Cantrell was supposed to meet her best friend, Alexandra McNary, on August 26th, 2020, but never showed up. Cantrell had vanished and her family and friends had no idea where she had gone. Three days after her disappearance, police located her car in an industrial area near downtown Tacoma; they also discovered surveillance footage of a mysterious man in a fedora leaving her car, later identified as Colin Dudley, an ex-boyfriend Cantrell met in 2006. Investigators questioned Dudley and he insisted he had not seen Cantrell in years, even though Cantrell had told McNary that she was pregnant and that Dudley was the father. Further investigation and digital evidence, including data from the black box of Dudley’s truck, led investigators to Cantrell’s body in a ravine on September 22nd, 2020; Dudley was arrested later that night and charged with first-degree murder. Two years later, family and friends were angry to hear that prosecutors were considering a plea deal due to the lack of physical evidence. Eventually, Colin Dudley agreed to plead guilty to murder in the first degree and formally entered his guilty plea on November 14th, 2022; he was sentenced to 26 years in prison. Cantrell’s family would like a law in Washington State that if someone is guilty of knowingly killing a pregnant woman, they would automatically get a life sentence. Original on-screen text graphic: Kassandra Cantrell’s family has filed a wrongful death lawsuit against Colin Dudley. It is scheduled to go to trial in August 2023. **On-screen text graphic for the 01/06/24 rebroadcast:** Kassandra Cantrell’s family has filed a wrongful death lawsuit against Colin Dudley. 48 HOURS (continued)

01/06/24

48 HOURS: “The Suspicious Death of Megan Parra” (10:00 – 11:00p) – a report on the death of 29-year-old Megan Parra, who was discovered on June 28th, 2014, by her parents, Missy and Steve Ducote. Found on the living room floor at her home in Cottonwood, LA, Megan had suffered a gunshot wound to her head and was still alive, but barely breathing. Steve telephoned Dustin Parra, Megan’s husband who returned home shortly thereafter; both medically trained, Missy and Dustin worked to save Megan. Airlifted to a trauma center in Lafayette, she was taken off life support the next morning. Chris Knight, the original detective on the case, closed his investigation four days after the shooting and the manner of death was ruled suicide. The family learned soon after that Detective Knight lied about testing the weapon found near Megan’s body, and questioned the thoroughness of his investigation as well as the ruling that her death was classified as a suicide. Convinced there was foul play, they suspected Dustin’s involvement, whose behavior after his wife’s death was odd and his story, regarding their daughter’s final days, inconsistent. Steve and Megan’s sister, Betsy Jeansonne, studied more than 100 images taken at the crime scene, some of which revealed signs of a struggle, and spent hours on the internet studying blood spatter patterns. Several months later, Steve went to the Avoyelles Parish district attorney, who worked to get local and state law enforcement officials to take another look at the case. Most resisted, but those who did eventually agreed with the original determination of suicide as the manner of death. Megan’s family refused to give up and continued with their own investigation. Occasionally over the years, law enforcement agreed to review the case, but never overturned the initial findings. Steve reached out to childhood friend and former FBI agent David Lemoine, who agreed to meet with Steve in 2018 and review the evidence; afterwards, he believed Megan was murdered. David came out of retirement in 2019 and worked the case, along with fellow retired FBI agent Zack Shelton; both were deputized by the Cottonport police chief, who reopened the case. In 2019, they interviewed the original detective on the case and Dustin Parra, remarried and raising Megan’s sons with his new wife, who abruptly ended the interview. Also interviewed were Megan and Dustin’s neighbors at the time of the shooting. In 2021, Steve hired an independent crime scene analyst, who determined that blood spatter on the shorts Dustin was wearing the day of the shooting proved he was there. On October 13th, 2021, the district attorney presented evidence to a grand jury seeking murder charges against Dustin Parra; they returned a charge of second-degree murder after six minutes of deliberations. On March 24th, 2023, three days before Dustin’s murder trial was set to begin, District Attorney Riddle received a call from the defense attorney, who offered a plea: negligent homicide. Megan’s family agreed to the deal, but only if Dustin agreed to answer specific questions. On March 26th, Dustin pleaded no contest to negligent homicide and answered the district attorney’s questions and admitted that he shot Megan and it was not suicide. In April 2023, Missy and Steve were granted full custody of Megan and Dustin’s sons. In late April 2023, David Begnaud was present when Dustin Parra and his wife arrived at the sheriff’s office so that Dustin could turn himself in; he never responded to any of the questions. **On-screen text graphic:** Megan’s death certificate now lists her manner of death as homicide. Dustin Parra will likely serve 18 months in prison and the remainder of his five-year sentence out on parole. Parra’s nursing license has been permanently revoked. Interviewed: Betsy Jeansonne, Megan Parra’s sister; Missy and Steve Ducote, Megan’s parents; Dave Blanchard, police officer, Cottonport Police Department, first officer on the scene; Luke Welch, Megan’s uncle; Dan Schaub, commander, Criminal Investigations Unit, Avoyelles Parish Sheriff’s Office, reviewed the case and released a report in January 2015; Charles Riddle, district attorney, Avoyelles Parish; Dr. L.J. Mayeux, then-Avoyelles Parish coroner; Peter Lemoine, attorney, brother of retired FBI agent David Lemoine, who got involved with the investigation after David died of COVID-19 in late December 2020; Zack Shelton, retired FBI agent; and Eric Richardson, crime scene analyst. (Contributor: David Begnaud – Producer: Judy Rybak)

01/13/24

48 HOURS: “Shootout at the Shaughnessys” – a report on the 2018 death of Ted Shaughnessy and how the results of the investigation forever impacted the family. On March 2nd, 2018, intruders entered the home of wealthy jewelers Ted and Corey Shaughnessy in Austin, TX. A gunfight between Ted, Corey and the intruders left 55-year-old Ted dead. At first, investigators wondered if it was a random attack, a robbery gone wrong or a targeted assassination and, consequently, suspected their profession made them targets. Corey notified their son Nick, who lived two hours away with girlfriend Jaclyn (“Jackie”) Edison in College Station, TX. All three agreed to answer questions at the police station, but Corey soon felt that they were treating her like a suspect and brought an attorney to the final police interview. Police found Corey’s behavior suspect after the shooting, but were also suspicious of Nick and Jackie, who showed more interest in speaking with the media than with the police. Additionally, Nick went unprovoked to the window used by intruders to gain entry to the home and an app on his phone, which gave him access to the house’s alarm system, indicated an activation for an open window at 4:27 that morning. A search of Nick and Jackie’s home days later resulted in the discovery of the same brand and caliber ammunition found at the crime scene and the revelation that Nick and Jackie were secretly married, unknown to both Ted and Corey. Nick and Jackie moved into the family home in Austin with Corey and police, who now believed that they had also targeted Corey, became concerned for her safety. Corey was instead concerned for her son and hired a defense attorney for him on March 10th, 2018. Police discovered incriminating evidence on Nick’s cell phone, including text messages with Jackie, which showed Nick attempted to hire a friend to kill his parents; both were arrested on May 29th, 2018, for criminal solicitation. Their arrest and the evidence shared with her, resulted in Corey’s realization that her son and his girlfriend were involved. Security footage from the couple’s home in College Station eventually led them to Johnny Leon and Arieon Smith; Arieon told police where to find the murder weapon and requested the death penalty for his involvement. A few weeks after their arrest, Jackie blamed Nick and cooperated with investigators; she was released on a reduced bond. Nick and the two alleged hitmen were charged with capital murder. By the spring of 2021, Amy Meredith had left her job as assistant district attorney; the new district attorney’s office made the three men an offer: plead guilty to a reduced charge of murder and serve 35 years with the possibility of parole, thereby avoiding the death penalty; all three men accepted the deal. Jackie was also offered a deal and accepted: plead guilty to conspiracy to commit capital murder by terror threat or other felony; she received a jail sentence of 120 days and probation. Corey, who did not agree with the deal Jackie received, testified via a recorded video to be played in court. Corey and Nick have not spoken directly since his 2018 arrest; Corey now lives out of state under a different name. Jackie was released from jail on October 17th, 2023. **On-screen text graphic:** As a parole requirement, for the next ten years, on the anniversary of Ted Shaughnessy’s murder, Jaclyn Edison must spend the night in jail. Interviewed: Corey Shaughnessy, victim, Ted’s wife and Nick’s mother; Nick Shaughnessy, admitted to hiring people to kill his parents and discussed his toxic relationship with Jackie Edison during his 2023 summer interview; Jackie Edison, interviewed by 48 HOURS producer Jenna Jackson upon her release, believes her sentence is fair; Paul Salo, detective, Travis County Sheriff’s Department; Amy Meredith, former assistant district attorney; and James Moore, detective, Travis County Sheriff’s Department. 48 HOURS: “For the Love of Cayley Mandadi” - an update to 48 HOURS: “The Final Hours of Cayley Mandadi” (OAD: 09/19/20; Rebroadcast: 06/12/21), a report on the death of Cayley Mandadi and the case against Mark Howerton for her murder. Cayley, a 19-year-old sophomore at Trinity University in San Antonio, TX, was rushed to the emergency room in Luling, TX, on October 29th, 2017, by her boyfriend Mark; she was nearly naked, bruised and not breathing. Mark told investigators that they drank alcohol, took MDMA (also known as ecstasy or Molly) and attended a music festival in San Antonio, where they argued; he claimed she passed out after they had consensual sex in his car. Medical staff were unable to revive Cayley and she died at the hospital. Cayley’s mother, Alison Steele, and stepfather, Lawrence Baitland, were suspicious of Mark and believed he killed her. An autopsy concluded Cayley died of blunt force trauma to the face and head and ruled it a homicide; Mark was arrested and charged with murder. During the first trial in December 2019, prosecutors argued that Mark was abusive and had beaten Cayley; his attorney maintained her injuries were caused during resuscitation efforts at the hospital or by a possible fall. Jurors could not reach a verdict and the judge declared a mistrial. The retrial was initially scheduled for 2021 but was delayed until 2023. Cayley’s mother, Alison, a scientist, and stepfather, Lawrence, a NASA engineer, believed the jurors needed more information about what happened inside Mark’s car and launched their own investigation. They consulted with experts and studied autopsy photos. As part of their investigation, Cayley’s parents tracked down the new owner of Mark’s car, which he sold in 2018, and they purchased it. They then commissioned a video using actors to demonstrate their theory that Mark struck Cayley and she hit her head on the car door lock knob. The second trial began on May 23rd, 2023. Prosecutors added more charges, including aggravated assault and criminally negligent homicide. In the end, the prosecutors did not use the video ordered by Alison and Lawrence because the judge determined that it would make them both witnesses and they would not be allowed to sit in the trial. Prosecutors alleged that Mark was a textbook abuser and his defense claimed that the high levels of MDMA in Cayley’s system caused the brain bleed. Jurors found Mark not guilty of murder, but guilty of aggravated assault causing serious bodily injury; he was sentenced to the maximum, 20 years in prison. Alison, who worked to pass the Texas CLEAR Alert Bill, continues to help other victims of violence. **On-screen text graphic:** Mark Howerton will be eligible for parole in 2033. 48 HOURS: “The Mysterious Death of Tiffiney Crawford” (9:00 – 10:00p) - a report on the death of Tiffiney Crawford, mother to a son and daughter, and the case against her husband, Jason Crawford. On the night of May 2nd, 2017, then-37-year-old Jason dialed 911 to report that his wife had been shot. When sheriff’s deputies arrived at their home in Cullman, AL, they found 32-year-old Tiffiney dead in the driver’s seat of her van. Two bullet wounds were in her head; one to her left jaw area, the other to her left temple. The gun was in her left hand, but Tiffiney was right-handed. It initially appeared to at least one deputy to be a suicide. Because Jason’s mother works as an office manager at the sheriff’s office, the case was turned over to the Alabama State Bureau of Investigation. Jason admitted that they fought the night of her death, after he discovered Tiffiney was having an affair. Further investigation and the death ultimately being ruled a homicide by the medical examiner, resulted in an indictment for murder; Jason surrendered on May 21st, 2018. In November 2022, Jason went on trial for Tiffiney’s murder; he was found guilty on November 18th, 2022. Cheryl McGucken, Tiffiney’s mother, supported her son-in-law until she finally viewed the evidence in the public record; she spoke at Jason’s sentencing hearing on March 10th, 2023. He was sentenced to 99 years in prison. Under Alabama law, Jason will be eligible for parole in 15 years. Original on-screen text graphic: Tiffiney’s children currently live with Jason’s parents. **On-screen text graphic for the 01/27/24 rebroadcast:** Jason Crawford’s appeal was denied by the Alabama Court of Criminal Appeals. 48 HOURS: “Capturing Moriah Wilson’s Killer” (10:00 – 11:00p) – a report on the murder of 25-year-old cyclist Moriah (“Mo”) Wilson and the international hunt to find suspected killer Kaitlin Armstrong. On May 10th, 2022, Moriah arrived in Austin, TX, to stay at the apartment of a close friend and prepare for the Gravel Locos bike race. Just before 10:00 p.m. the next evening, the friend returned home to find Moriah on the bathroom floor, shot multiple times. Investigators discovered Moriah’s expensive racing bicycle discarded in the bushes, but no sign of a break in at the apartment. They also learned she was dropped off at her friend’s apartment by Colin Strickland, a professional bike racer who Moriah dated in 2021. Video from a neighbor’s doorbell camera showed a black Jeep SUV with a bike rack drive by a minute after Colin dropped off Moriah; that vehicle belonged to Kaitlin Armstrong, a yoga instructor with a background in finance and Colin’s girlfriend. When Colin was interviewed by investigators, he claimed his relationship with Moriah was platonic and portrayed Kaitlin as the jealous type. That, and other clues pointed to Kaitlin and police picked her up on an old warrant. Kaitlin resisted questioning and police let her go when they discovered the warrant was not valid, due to a mistake with her birthdate. Two days after Kaitlin’s police interview, one of her friends called police and claimed Kaitlin was so angry over Colin’s relationship with Moriah, that she wanted to kill her. Police issued an arrest warrant, but Kaitlin had fled Austin. Deputy U.S. Marshals— members of the Lone Star Fugitive Task Force— joined the case and discovered Kaitlin used her sister’s passport to flee to Costa Rica and the Marshals traveled there in June 2022. Multiple leads took the Marshals to popular tourist destinations, where they learned she used multiple identities and changed her hair color. In the small village of Santa Teresa, they placed an ad for a yoga instructor. Days later, Kaitlin responded and a meeting was scheduled at a local hostel; local police made the arrest. At her arrest, the Marshals noticed the change in her appearance and discovered she had been getting plastic surgery. Kaitlin was returned to Texas, where she was charged and held in jail. On November 1st, 2023, Kaitlin’s trial began; her defense argued there was no direct evidence that showed Kaitlin was at the scene of the crime, even though her DNA was found on Moriah’s bike. It took the jury around two hours to find Kaitlin guilty of murder; she was sentenced to 90 years behind bars. **On-screen text graphic:** To honor Moriah, the Wilson family created the Moriah Wilson Foundation that promotes healthy living and community building. Interviewed: Pilar Melendez, senior reporter, *Daily Beast*; Jonathan Riley, detective, Austin Police Department; Marc McLeod, detective, Austin Police Department; Chris Tolley, Colin Strickland’s friend; Damien Fernandez, deputy U.S. Marshal; Emir Perez, deputy U.S. Marshal; Lisa Gosselin Lynn, editor, Vermont Sports, editor, VT Ski + Ride, CBS News consultant; Chris Godsick, host and producer of the “Chasing Evil” podcast with the U.S. Marshal Service; Greg Haber, owner, Kooks Smokehouse & Bar in Santa Teresa, Costa Rica; Juan Carlos Solano, lieutenant, Tourism Police, Santa Teresa, Costa Rica, assisted the marshals in their search for Kaitlin Armstrong; Jose Garza, district attorney, Travis County, TX; Guillermo Gonzalez, prosecutor; and Rickey Jones, prosecutor. 48 HOURS

02/03/24

48 HOURS: “Who Took Our Dad? The Abduction of Ray Wright” – a report on the disappearance of Ray Wright and the events which led to the conviction of two men for his kidnapping and murder. When Ray Wright, a 55-year-old twice divorced father of two and a master carpenter, suddenly lost contact with his family on January 11th, 2018, they were immediately concerned and feared a relapse. Ray, a recovering alcoholic, had spent time in prison for a November 2011 car accident in which he drove drunk, struck another vehicle and seriously injured the married couple inside. Two days after his 2018 disappearance, his brother Dean Wright confronted an intruder in Ray’s home in Rocklin, CA, a Sacramento suburb. The man ran out the back door but left a soda cup and straw behind in the kitchen which, when tested, gave investigators key forensic evidence. Sixteen days after Ray vanished, a high-speed chase ended with the arrest of Victor Gray, whose wrecked van contained a treasure trove of evidence, including a blood-soaked raincoat, a baseball cap printed with ‘Ray Wright Design’ and Ray’s wallet. Victor’s cellphone contained a picture of a letter he wrote to a man named Bob, in which Victor demanded payment because he “hand delivered you your revenge.” Additionally, the registration tag on the van actually belonged to Ray’s 2016 Ford pickup truck. Three months after Ray’s disappearance, the DNA left in the straw was matched to Victor Gray, which placed him in Ray’s house. Text messages on his phone led investigators to Katie Barnard, who lived in a trailer next to Ray’s cabinet shop in Rio Linda. When questioned in October 2018, Katie eventually admitted that she surveilled Ray because she believed Victor wanted to steal his truck. Additionally, Katie identified Bob as Robert “Bobby” Manor, her ex-boyfriend; she later told investigators that Bob admitted to killing Ray and threatened her to never speak of it again. Robert Manor and his wife were the couple Ray struck when he drove drunk in 2011; he was a feared methamphetamine dealer in North Sacramento who had been in prison for assault and selling drugs, armed with a gun. Multiple witnesses told investigators that he had wanted revenge and cryptically admitted his crime to others. In March 2021, Robert Manor and Victor Gray were charged with the kidnapping and murder of Ray Wright; both men pleaded not guilty. The trial began March 2023 and since there was still no body, the case had become a nobody homicide. On March 17th, Robert Manor and Victor Gray were found guilty of first degree murder and kidnapping; both were sentenced to life without the possibility of parole on April 28th. Until Ray’s body is found, the case remains an open missing person’s case with the Rocklin Police Department. **On-screen text graphic:** If you have any information about Ray Wright’s whereabouts please call Rocklin Police (916) 625-5400. Interviewed: Matt Chisholm, prosecutor; Haley Kendall, Ray Wright’s daughter; Zack Lewis, sergeant, Rocklin Police Department; Peggy Wright, Ray Wright’s ex-wife; Dean Wright, Ray Wright’s older brother; Kennedy Wright, Ray Wright’s daughter; Ashley Englefield, investigator, Placer County District Attorney; and Bob Manor, suspect in the kidnapping and murder of Ray Wright, interviewed while in the Sacramento County jail. 02/10/24

48 HOURS: “Christy and Hilda’s Last Dance” (9:00 – 10:00p) - On Friday, November 12th, 2021, model Christy Giles and her friend Hilda Marcela Cabrales-Arzola went to a warehouse party in Los Angeles, CA. The next afternoon, both women were left at separate hospitals by two men in a car with no license plate, who in each instance claimed to have found a woman “passed out on the curb somewhere nearby”: Christy at Southern California Medical Center and Hilda at Kaiser Permanente Hospital. Christy died of a drug overdose; Hilda spent two weeks on life support, before her family decided to donate her organs. The police suspected foul play and made use of the digital trail left behind. Christy’s phone led investigators to the apartment of David Pearce, who passed himself off as a Hollywood producer; surveillance footage tied him, his roommate Brandt Osborn and their friend, photographer Michael Ansbach, to the crime. Three weeks after Hilda’s death the men were arrested; Brandt and Michael were released, but David was held on four unrelated sexual assault charges. When news of David’s arrest was made public, more women came forward. In May 2022, the prosecution added three more counts of sexual assault against David; he is currently charged with eleven counts, seven counts of drugging and sexually assaulting, forcibly raping and/or sodomizing several women, two counts of murder and two counts of providing a controlled substance, that being Fentanyl. So far, the prosecution has “declined” to charge Michael Ansbach; he’s cooperating with prosecutors and will likely testify against his two friends. This broadcast features the first primetime television interview with Jan Cilliers, the husband of Christy Giles, as well as the parents and friends of Hilda Marcela Cabrales-Arzola. **On-screen text graphic:** A trial date has not been set for David Pearce or Brandt Osborn. 02/10/24

48 HOURS: “Justice for Amie Harwick” (10:00 – 11:00p) – an update on the murder of Aime Harwick, a prominent Los Angeles therapist and author, who was killed by Gareth Pursehouse, an ex-boyfriend and photographer. This broadcast contains an interview with Michael Herman, Aime’s roommate, who is publicly telling his story for the first time, as well as interviews which reveal the impact Aime had on her friends, family and clients; also included are details of the case from the lead detective and district attorney’s point of view, and the August 2023 trial. In the early morning hours of February 15th, 2020, Michael telephoned police to report that his roommate had been attacked. When police responded, they found 38-year-old Aime lying unresponsive on the ground beneath the third-floor balcony of her bedroom; Aime was transported to the hospital, where she died. Her friends and parents told investigators about Gareth Pursehouse, an abusive ex-boyfriend, who she began dating in 2009. After Aime ended the relationship, she obtained a restraining order against Gareth in 2012, who continued his obsession. In a chance encounter at an awards show in January 2020, Gareth confronted her and then stalked her through texts and phone calls; Aime blocked his number. Investigators and prosecutors believed Gareth was lying in wait in Aime’s home and hoped to catch her off guard, and that he wanted to make a statement by killing her on Valentine’s Day. Gareth was charged with Aime’s murder on February 19th, 2020; his trial began in August 2023. At first, the defense claimed that their chance encounter sent their client into a deep depression, that Gareth’s only intention that night was to speak with her and that he intended to kill himself with the nicotine-filled syringe found at her residence. After the prosecution presented their case, the defense rested without calling any witnesses. At closing arguments, the defense presented a new theory: Aime preemptively attacked Gareth in order to subdue him. The jury found Gareth guilty of first degree murder with a special circumstance of lying in wait; two months later he was sentenced to life in prison without parole. **On-screen text graphic:** If you or someone you know is experiencing domestic violence or stalking, the National Domestic Violence Hotline can be reached at 1-800-799-7233. “Justice for Aime Harwick” contains interview footage from prior broadcasts on the subject. 48 HOURS: “The Assassination of Jeff German” – a report on the murder of Jeff German, a *Las Vegas Review-Journal* investigative reporter and local legend, renowned for his reporting on infamous mobsters, crooked politicians and murderers. On September 2nd, 2022, Jeff was ambushed and stabbed seven times by an unknown assailant outside his home in Las Vegas, NV, in an attack captured on video. A neighbor discovered his body 24 hours later. Staff member at the *Las Vegas Review-Journal* started working to determine who killed their coworker; one of the names on their list of people who may have threatened him was Robert Telles, a Clark County public administrator. Jeff had written four articles about his alleged hostile behavior at the office, which included harassment, bullying, physical intimidation and discrimination, after he learned about the accusations of a toxic workplace from Clark County employees Rita Reid, Aleisha Goodwin, Jessica Coleman and Noraine Pagdanganan. The four women also said Robert was having an inappropriate relationship with a subordinate in the office and gave her power and privileges beyond her job title. The impact of Jeff’s first piece was immediate: the county assigned an outside consultant and Robert lost his bid for reelection in the primary. Jeff wrote three more articles, with another in the works at the time of his death. On September 7th, 2022, Jeff was brought in for questioning while police searched his home and cars and collected crucial evidence. After positive DNA results showed Robert’s DNA at the crime scene, police arrived to arrest him, but he refused to come out of his home and cut himself. A *Las Vegas Review-Journal* photographer was the only one who captured Robert’s arrest by SWAT and it made the front page the following morning. Six weeks later, he was indicted for murder with use of a deadly weapon. Robert maintains his innocence and claims he was framed. **On-screen text graphic:** Robert Telles’ trial is scheduled for March 18, 2024. - 02/24/24 **48 HOURS: “Alisa Mathewson’s Night Terrors”** (9:00 – 10:00p) – a report on the 55-hour ordeal Alisa Mathewson suffered at the hands of her estranged husband, Trevor Summers, who manipulated his children into believing he just wanted to get back together with his estranged wife and their mother. Just after midnight on March 11th, 2017, Trevor drove to Alisa’s home in Valrico, FL and entered through a window, left open by their 14-year-old daughter Arden, whom Trevor manipulated into believing he wanted to reconcile and make the family whole again. Once inside the house, Trevor woke up Alisa by dripping water on her head and told Arden to drive her siblings to his house and wait. Trevor tied Alisa with a string of holiday lights, kidnapped her, sexually assaulted her and then tried to kill her; he even used Alisa’s phone to record bizarre messages, admitting to his crime. Trevor was arrested on March 13th, 2017, after police received a 911 call from a Walgreens’ employee who saw a woman attempting to flee from an SUV. Trevor’s trial began in August 2022; he was found guilty of all 11 charges and the judge sentenced him to three life sentences, followed by 224 years of prison. In a wide-ranging interview, Alisa discussed her experience and the trial, in which she faced her ex-husband, who acted as his own attorney, while on the stand. **On-screen text graphic:** Trevor Summers declined our request for an interview, citing his decision to appeal his convictions. - 02/24/24 **48 HOURS: “The People v. Kouri Richins”** (10:00 – 11:00p) – a report on the death of Eric Richins and the criminal case and ongoing civil cases against his wife, Kouri Richins. Married since 2013, they had three boys; Eric started a stone masonry business and Kouri was in real estate, flipping houses. On March 4th, 2022, in Kamas, UT, Kouri found Eric unresponsive in their bed. They had celebrated Kouri’s most recent real estate deal the night before and she had prepared him a Moscow Mule (vodka and ginger beer). First responders tried to save him but were unsuccessful and said Eric died of an aneurysm. A month later, police said Eric’s death was caused by a fentanyl overdose. To help with her and her children’s grief, Kouri self-published a book, *Are You with Me?*, about coping with loss and received local media attention. On May 8th, 2023, Kouri was arrested and charged with aggravated murder; court documents allege she committed homicide by the administration of a poison. Prosecutors believe she gave Eric a lethal dose of fentanyl and his family suspects she placed it in the drink she prepared for him. Kouri’s family claims Eric was a recreational drug user and did not always buy from reputable sources. At the time of Eric’s death, there were numerous life insurance policies on him, which totaled nearly \$3 million. His family maintains their premarital agreement made Eric more valuable to Kouri than divorced and that she was having financial difficulties. There were problems in the marriage, including allegations of infidelity on Eric’s side and the couple had undergone counseling; Eric created a trust during their marital problems and it was kept secret until his death. Eric’s family told investigators that they suspected she had tried to kill him twice before: first in 2019, while the couple was in Greece, and then on Valentine’s Day in 2022. In June 2023, Kouri appeared in court for a bond hearing; testimony from the lead detective on the case stated that Kouri procured fentanyl from a convicted felon who worked for her. She was denied pre-trial release of any kind. In September 2023, Kouri suffered a medical emergency in custody. While she was away, jail officials found a letter, which the prosecution claimed was witness tampering and filed a November 2023 motion for a no contact order to deny Kouri access to her mother and one of her brothers. The judge denied the motion. Kouri’s family have been denied private visits with the children. There are multiple ongoing civil cases regarding Eric’s estate. Kouri denies all charges and maintains her innocence. **On-screen text graphic:** Kouri Richins is expected to go on trial in 2025. 48 HOURS: “The Menendez Brothers’ Fight for Freedom” – a report on the case of Lyle and Erik Menendez, who have spent nearly 34 years in prison for killing their parents, Jose and Kitty Menendez—shot to death in their Beverly Hills mansion on August 20th, 1989. About six months after the murders, police received a tip from the girlfriend of a psychologist who Lyle and Erik had been talking to; the brothers confessed to the killings in therapy and there was an audiotaped recording of it. Lyle and Erik first went on trial in 1993 and claimed they killed in self-defense after a lifetime of physical, emotional and sexual abuse suffered at the hands of their parents; prosecutors pointed out that their confession did not mention abuse or self-defense. Although the brothers were first tried together, there were two separate juries. After weeks of deliberation, a mistrial was declared with both juries divided on whether Lyle and Erik should be convicted of murder or manslaughter. At the retrial in 1995, prosecutors argued the brothers were lying about being abused and convinced a judge to exclude some of the evidence of alleged abuse. There was only one jury and Lyle and Erik were convicted of first-degree murder and sentenced to life in prison. Currently, both are incarcerated at R.J. Donovan State Prison in San Diego, CA. There is renewed attention to their case and murder convictions due to the allegations of Roy Rossello, a former member of Menudo, a boy band that originated in Puerto Rico which was very popular in the late '70s to mid '80s. Roy, who first spoke publicly in a documentary, and then in a sworn affidavit filed in 2023, claims Jose Menendez, an executive at RCA, who signed the group to a recording contract, raped and sexually abused him on three occasions. Lyle and Erik’s attorney filed a habeas petition in May 2023, asking that their convictions be vacated; they are awaiting the judge’s decision on whether new evidence supports their claim that they killed their parents in self-defense and should have been convicted of manslaughter instead of murder. If that happens, it will be up to the Los Angeles County District Attorney’s Office whether to retry the case; in a statement, the district attorney’s office said it is investigating the claims made in the habeas petition. **On-screen text graphic:** It is unclear when a ruling will be made in the case. Interviewed: Lyle Menendez (telephone interview) (Erik Menendez chose not to speak with 48 HOURS for this broadcast); Jackie Lacey, former elected district attorney, Los Angeles County, CA; Milton Andersen, Kitty Menendez’s brother, does not believe his nephew’s claims of abuse; Cliff Gardner, attorney, represents the Menendez brothers; Alan Andersen, Erik and Lyle’s cousin, testified for the defense at both trials; and Dr. Judy Ho, neuropsychologist, specializes in childhood sex abuse trauma, 48 HOURS consultant, asked to review the case. 48 HOURS: “The Monica Sementilli Affair” – an update to 48 HOURS: “Who Killed Fabio?”, a report on the January 23rd, 2017, murder of Fabio Sementilli, who was sitting by his swimming pool in Los Angeles, California, when he was stabbed to death. At first, police believed he was the victim of the “knock-knock” burglars, a ring targeting Los Angeles celebrities. Fabio, who grew up in Canada and was a celebrity hairdresser and beauty executive, moved to Los Angeles in 2008 with Monica Sementilli, his second wife. They appeared to live a charmed life, while they raised their two daughters. Although the Sementilli house had video surveillance, the digital video recorder was missing, but a neighbor’s security camera captured two figures in hoodies running close to the Sementilli home at the time of the murder. Investigators soon ruled out the “knock-knock” burglars—they had

never killed anyone before, and Fabio's \$8,000 Rolex watch was still on his wrist when his body was discovered by one of his daughters. DNA from blood left at the scene led to Robert Baker, a registered sex offender and leader of a racquetball league Monica belonged to. Clues led to the discovery that Monica and Robert were involved romantically and police believed both were responsible for Fabio's murder, motivated by his life insurance policy. Both were arrested in June 2017 and charged with murder; both pleaded not guilty and are scheduled to be tried together. The accomplice seen in the neighbor's security camera has never been identified. **03/09/24 UPDATE:** Legal delays and COVID delayed the trial. In July 2023, Robert Baker skipped trial altogether and pleaded no contest; he was sentenced to life in prison without the possibility of parole, plus one year. 48 HOURS visited him in jail; he claimed Monica had nothing to do with Fabio's murder and was unaware that he was her husband's killer. Monica's defense team and the district attorney declined to be interviewed before trial. Gessica and Isabella, the daughters Monica shared with Fabio, are supporting their mother. **On-screen text graphic:** Monica Sementilli's trial is scheduled to begin in April 2024. Interviewed for 48 HOURS: "The Monica Sementilli Affair": Julie Rendelman, New York-based defense attorney, reviewed Monica's defense team's pre-trial motions for 48 HOURS; and Mary Fulginiti, former federal prosecutor, 48 HOURS consultant, reviewed the case against Monica. 48 HOURS: "Lamar Johnson: Standing in Truth" (10:30 – 11:30p) - a report on the case against Lamar Johnson of St. Louis, MO, who spent almost three decades in prison for the murder of his friend, Markus Boyd. In 1994, 20-year-old Lamar worked at Jiffy Lube and attended community college; he also sold small amounts of crack cocaine for extra cash. On October 30th, 1994, 25-year-old Markus, who worked at a printing company and sold drugs on the side, was shot to death by two masked gunmen on his St. Louis porch. Named as a possible suspect by Markus' girlfriend and his photo selected by witness Greg Elking, who later chose Lamar in a police lineup, Lamar was arrested along with his friend Phillip Campbell, on November 3rd, 1994. Though he had an alibi – Lamar was miles away with his girlfriend and daughter – he went on trial in July 1995; it took the jury two hours to reach a guilty verdict, primarily based on Greg's testimony. Between his trial and sentencing, Lamar exchanged letters with the other suspect, Phillip Campbell, who admitted Lamar was not involved and named the other shooter: James "B.A." Howard. In September 1995, Lamar was sentenced to life in prison without parole. The Midwest Innocence Project discovered that Greg later wrote a letter to a clergyman, admitting he had lied at Johnson's trial. In 2018, St. Louis Circuit Attorney Kimberly Gardner agreed to look at Lamar's case. Convinced of his innocence, she attempted to get Lamar's conviction overturned, but was denied by the Missouri courts. In 2021, the Missouri Legislature passed a law, giving prosecutors the power to bring cases of innocence to court. On December 12th, 2022, Lamar Johnson and his legal team gathered in a St. Louis courtroom for a week-long hearing; Greg Elking testified he felt pressured by lead investigator Joe Nickerson to choose Lamar in the lineups. In February 2023, Lamar's murder conviction was overturned; the judge also found there was clear and convincing evidence of Johnson's innocence. After more than 28 years behind bars, 49-year-old Lamar Johnson was finally exonerated. **On-screen text graphic:** Under current law, Johnson is not entitled to compensation from the state of Missouri. Interviewed: Lamar Johnson; Brittany Johnson, Lamar's daughter; Kiera Barrow, Lamar and Erika's daughter; Erika Barrow, Kiera's mother, Lamar's former girlfriend; Greg Elking, lone eyewitness to Markus Boyd's murder; Ricky Kidd, Lamar's friend, met while serving a life sentence for murder before Ricky was exonerated; Lindsay Runnels, Lamar's attorney; Dwight Warren, original prosecutor; Kimberly Gardner, St. Louis circuit attorney; Robert Ogilvie, chief investigator, Circuit Attorney's office; Jonathon Potts and Charlie Weiss, attorneys appointed by Kimberly Gardner to handle Lamar's case; and Tony Messenger, columnist, [St. Louis Post-Dispatch](#). 48 HOURS: "Who Poisoned Angela Craig?" – a report on the March 18th, 2023, death of Angela Craig and the case against her husband, Dr. James (Jim) Craig. Angela, a wife and mother, was raising six children with James, a well-known dentist, in Aurora, Colorado. On March 6th, 2023, Angela reported feeling sick and James took her to the emergency room at Parker Adventist Hospital, where doctors were unable to determine why she was ill and sent her home. Within 24 hours, Angela's symptoms came back and she returned to Parker Adventist Hospital, where she was admitted. Still unable to diagnose what was making Angela so sick, doctors sent her home on March 14th. Within a day, she started feeling sick again and was admitted to nearby University Hospital on March 15th. Through it all James was in constant contact with his wife and texted his business partner and fellow dentist, Dr. Ryan Redfearn and his wife Michelle, a nurse, for advice. While at University Hospital, Angela suffered a seizure and was put on life support. James reached out to Ryan again for support, unaware that he knew James had received a package at work, which contained Potassium Cyanide, a poison not needed in a dental practice. Ryan alerted a nurse, who called the Aurora police. Hours after Angela was taken off life support and died, Jim was arrested and charged with first-degree murder; he pleaded not guilty. Angela's autopsy revealed she had been poisoned and died from lethal concentrations of cyanide and a lethal concentration of tetrahydrozoline, the chemical found in some eye drops; she also had toxic concentrations of arsenic in her blood, found in those two earlier hospital visits. Police claim the evidence pointed to her husband and allege he researched poisons online and laced Angela's protein shakes. Investigators discovered Jim began an affair with Dr. Karin Cain, an orthodontist from Austin, TX, and that his dental practice was in debt in excess of \$2 million—Angela's life insurance was valued at \$3.4 million. At a preliminary hearing in 2023, Jim's attorney said his client has a history of depression, had sought counseling in the past and had plans to die by suicide. Three of Angela and Jim's children live with his brother, the other three are now adults living on their own. **On-screen text graphic:** Jim Craig's trial is scheduled to begin on August 8, 2024. 03/30/24 **48 HOURS: “The Troubled Case Against Jane Dorotik”** (10:00 – 11:00p) – an update to 48 HOURS MYSTERIES: “A Family Torn Apart”, a 2001 report on the case against Jane Dorotik, a California mother and wife convicted of murdering her husband, Bob Dorotik. On February 14th, 2000, the murdered body of Bob Dorotik, a 55-year-old engineer and father of three, was found bludgeoned and strangled by the side of a mountain road near their home in the foothills of San Diego, CA. Despite her denial of any involvement, Jane, Bob’s wife of 30 years, was arrested for the crime. In response to the prosecution’s damaging physical evidence, including blood spatter, Jane’s attorneys tried a risky and divisive strategy—trying to shift suspicion to Claire, the couple’s daughter whose relations with her father had been strained. In 2001, Jane Dorotik was tried for murder, found guilty and sentenced to 25 years to life. **03/30/24 UPDATE:** Jane has always maintained her innocence and from prison, spent years filing motions asking for new testing of evidence; a motion was eventually granted in 2015. A wrongful conviction group, Loyola Law School’s Project for the Innocent took over her case and the court allowed them to have new DNA testing done on several items; results indicated foreign male DNA was found on several items. The state stood by its original investigation and Jane’s appellate team maintained the bedroom did not resemble a crime scene and questioned the handling of evidence. In 2020, Jane was temporarily and conditionally released from prison due to COVID health concerns. During the summer of 2020, the state requested that her murder conviction be overturned and the judge agreed; three months later, the district attorney’s office decided to retry her. In May 2022, just as jury selection was about to begin, the prosecution requested that the court dismiss the charges; the case against Jane Dorotik was dismissed without prejudice, meaning if new evidence surfaces, charges could be brought again someday. Jane works with advocacy groups that assist incarcerated women. **On-screen text graphic:** Jane Dorotik has filed a civil suit against the County of San Diego. The suit also names several members of the San Diego County Sheriff’s Department and its Crime Laboratory. (This broadcast contains footage and interviews from 48 HOURS MYSTERIES: “A Family Torn Apart”: Jane Dorotik; James Blackmon, deputy, San Diego County Sheriff’s department; Rick Empson, detective, San Diego County Sheriff’s department; Claire Dorotik, Jane and Bob’s daughter; and Kerry Steigerwalt and Cole Casey, Jane Dorotik’s attorneys.)
