TIME: 06:55AM  
PROGRAM: AG ALMANAC  
LENGTH: 4:00  
ISSUES: Agriculture  
DESCRIPTION: Trends In Nebraska Agriculture Land Markets. Future prospects for cropland in Nebraska remain interlaced with the earning potential for the major commodities grown across the state, input expenses, and monetary policies influencing the cost of borrowing for future land purchases. Jim Jansen, Nebraska Extension Agriculture Economist.

TIME: 03:00PM  
PROGRAM: Focus on the Family  
LENGTH: 28:30  
ISSUES: Family  
DESCRIPTION: Embracing the Counter-cultural Message of the Cross. The culture tells you that you are the center of the universe and that your feelings are your reality. But the truth is, the course of all human history has been determined by Jesus Christ, through his death and resurrection. As Easter approaches, John Stonestreet will share about the importance of the events in Passover week.
