Jeramy and Jerusha Clark discuss how neuro- science and God's Word intersect in the life of our teens. You'll learn how to engage the pre-frontal cortex of your teen through conversation, and how to ride the waves of teen emotions.

DATE: 10/24/2018

TIME: 06:55AM

PROGRAM: Ag Almanac

LENGTH: 4:00

ISSUES: Agriculture

DESCRIPTION: Farm Transition: Fair vs. Equal Part 2. Early planning, family input and communication are key things to keep in mind when farmers are getting ready to pass on the operation to children. There are several other mitigating factors that should come into play however. Nebraska Extension Farm Succession Educator Allan Vyhnalek discusses how farm families should be preparing for when a farmer passes away or retires.
