

KJLT AM 2018 2nd Quarter Issues

A number of issues relevant to our listeners were addressed including money, mental health, parenting, marriage, faith, local interviews with public service organizations, national and international interests, agriculture, human trafficking, sexual abuse, addictions, drugs, and alcohol.

DATE: 04/02/2018

TIME: 06:55AM

PROGRAM: Ag Almanac

LENGTH: 4:00

ISSUES: Agriculture

DESCRIPTION: Controlling Weeds in Winter Wheat. Many winter wheat fields were seeded late last fall because of rainfall at normal planting time. The late seeding resulted in stands that are not as competitive with weeds and younger plants that can be more susceptible to herbicide injury. Bob Klein, University of Nebraska Extension Western Crop Specialist.
