

KJNW-FM Life 88.5  
 QUARTERLY ISSUES / PROGRAMS LIST AND REPORT  
 Greater Kansas City  
 April, May, June 2022

1. Charities – Local charitable organizations helping people in the community with various issues
2. Health – Awareness of community programs offering mental help to local residents
3. Public Safety – Making listeners alert to various recalls of vehicles and food products
4. Economics - Budget shortfall has led to the Olathe School District making a 25% cut across the board from department and school budgets
5. Recreation – Bringing awareness to the public of recreation events happening in the community

The above issues, determined at the beginning of the quarter to be issues in need of coverage, were aired during this quarter in the following Program Segment formats: If the relevancy of other issues becomes evident as the quarter progresses, those issues would be added.

Morning Show - Local. Five hour program with segments with T.J. Jackson & Melony McKaye throughout airs on FM M-F 5a-10  
 Mid-Day Show - Local. Four hour program with segments with Tracy Leek throughout airs on FM M-F 10a-2p  
 Afternoon Show - Local. Five hour program with segments with Joe Cheesman throughout airs on FM M-F 2p-7p  
 Evening Show - Local. Five hour program with segments with Rich Hall throughout airs on FM M-F 7p-12a  
 Special Report: (Special). Local. News or Public Affairs. Varying in length, these are aired when need or interest

Following is a description of program treatment of the above-listed issues. This was the most significant programming treatment of the issues during the quarter. The listing is by no means exhaustive.

ISSUES	PRO-GRAM	DATE	TIME	LENGTH	AM /FM	PROGRAM DESCRIPTION
CHARITIES	Morning Show	April 4	6:00a 7:00a 8:00a	60 sec	FM	Students at Olathe South rallied to let Aly Arenholz know she's not alone. More than \$4,000 was raised for Aly Arenholz's Kick Cancer Like a Girlboss charity which she started after her diagnoses with thyroid cancer. The charity has raised more than \$11,000 and donated 200+ pairs of shoes to kids all over the country.
CHARITIES	Morning Show	April 8	6:00a 7:00a 8:00a	60 sec	FM	Lenexa, KS based Heart to Heart International is making a big difference in the lives of Ukrainian refugees. It has delivered shipments of medications and other supplies to help Ukraine, including "one of the largest medical humanitarian shipments that have arrived in Ukraine since the Russian invasion." In addition to medical supplies, Heart to Heart has shipped more than 35,000 hygiene kits to help refugees in Ukraine and surrounding countries, and it currently looking for volunteers to help their efforts.

CHARITIES	Morning Show	April 8	6:00a 7:00a 8:00a	60 sec	FM	A local charity helping struggling families pay for diapers and training pants for children is raising funds to expand. Happy Bottoms says more than 23,000 kids in the area need diaper support. A donation of \$9 can pay for diapers for one child for a month.
CHARITIES	Morning Show	May 12	6:00a 7:00a 8:00a	60 sec	FM	The Linwood YMCA/James B. Nutter Community Center just finished a project they've been working on since before the pandemic--a Teen Tech Center. The new center will provide access to brand new gaming consoles, equipment, and high-speed internet; things local kids may not get to experience at home. The locations Associate Executive Director says the gaming is just to get them in the door, allowing the staff a chance to connect with them to provide the mentorship or help they need.
CHARITIES	Morning Show	May 26	6:00a 7:00a 8:00a	60 sec	FM	The 15 and the Mahomies Foundation announced "Volunteer for 15," a new program that encourages teens to spend at least 15 hours giving back to their community. The program starts on June 1 and runs through the end of August, volunteers can register through YVC.org.
CRIME/LAWLESSNESS	Morning Show	Apr 15	6:00a 7:00a 8:00a	60 sec	FM	The Lawrence Police Department posted on Twitter that it is seeing an increased number of catalytic converter thefts recently--averaging about 10 reports a month since the beginning of the year. The department says, "In case you don't know anything about car repairs: If you see someone under a car and hear the sound of a power saw, that's probably bad — call us!"
CRIME/LAWLESSNESS	Morning Show	Apr 19	6:00a 7:00a 8:00a	60 sec	FM	The Kansas City Police Department recently uncovered over \$350,000 of property that had been stolen from various storage units. Police have a suspect in custody, though no charges have been filed yet. The department recommends that people check on their belongings.
CRIME/LAWLESSNESS	Morning Show	Apr 28	6:00a 7:00a 8:00a	60 sec	FM	Scammers are trying a new tactic to try and defraud utility customers. Evergy says it's received reports that scammers are calling customers, claiming the customers were overcharged on their electric bill and are owed a credit. The customer is then told to provide credit card information and other personal details in order to get their refund. Evergy says the calls are not legit and that customers should verify that the caller is an Evergy employee.
CRIME/LAWLESSNESS	Morning Show	May 2	6:00a 7:00a 8:00a	60 sec	FM	The Clay County Sheriff's Office said someone is calling people and impersonating a Clay County sergeant, which has already led to one person losing \$7,000. The scammer says they have a warrant and that you need to pay up to clear it. Deputies said they never call about warrants, so if you receive a call like this one, simply hang up the phone.
ECONOMICS	Morning Show	April 7	6:00a 7:00a 8:00a	60 sec	FM	President Biden announced that the Kansas City area will receive more than \$27 million in transit funding for the 2022 fiscal year. The funding will allow transit industries to invest in new busses and railcars, respond to repairs and use new technologies.
ECONOMICS	Morning Show	April 7	6:00a 7:00a 8:00a	60 sec	FM	Several local business are benefitting from the Kansas University recent basketball championship win. Many are seeing huge increases in sales since the victory. John Doole of Ultimate Athletic Sportswear reported going from 1,000 to 100,000 in just a matter of minutes.
ECONOMICS	Morning Show	Apr 11	6:00a 7:00a 8:00a	60 sec	FM	The Missouri House recently passed the largest budget in the state's history, but their colleagues in the Senate said they are prepared to spend even more, especially on teachers. Representatives approved a \$46.5 billion budget, but there's still nearly \$@ billion left on the table, and Governor Mike Parson said he know how he would like to spend it. The starting salary for teachers in Missouri is \$25,000, but the governor would like to see it increased to \$38,000/

ECONOMICS	Morning Show	Apr 11	6:00a 7:00a 8:00a	60 sec	FM	A bit of extra time has been given for those who need to figure out how to squeeze student loan payments back into the budget. Payments had been scheduled to restart beginning May 2; however, a recent extension pushes them through August 31. The US Department of Education described the additional pause as a way for borrowers to plan for payments to begin again, which can help reduce “the risk of delinquency and defaults after restart.”
ECONOMICS	Morning Show	Apr 13	6:00a 7:00a 8:00a	60 sec	FM	Help is on the way for those struggling to keep a roof over their head. Kansas City will receive \$3 million to support affordable housing in low-income neighborhoods. The funding will be used to provide loans and grants to help families afford housing, as well as help with minor home repairs, and home ownership education.
ECONOMICS	Morning Show	Apr 14	6:00a 7:00a 8:00a	60 sec	FM	A \$28 million budget shortfall has led to the Olathe School District making a 25% cut across the board from department and school budgets. As a result the Olathe Virtual School will be closed, as well as forty Kindergarten aide positions and 15 library secondary aide positions will be eliminated, among other cuts.
ECONOMICS	Morning Show	May 9	6:00a 7:00a 8:00a	60 sec	FM	The largest budget in Missouri’s history is on the governor’s desk waiting for his signature this morning. In total, the spending plan comes to \$49 billion, roughly \$10 billion more than last year’s budget. It includes increasing the baseline pay for teachers, fully funding the Medicaid expansion population and, a tax credit for some Missourians. The governor has until July 1 to either sign the budget, or he can veto any item within the spending plan.
ECONOMICS	Morning Show	May 10	6:00a 7:00a 8:00a	60 sec	FM	The internet will soon be more accessible for lower-income households. Last year, Congress began the Affordable Connectivity Program, which gives low-income families \$30 monthly subsidies for internet. On Monday, the president announced a new deal with internet providers to offer high-speed internet to qualified families for the price of that subsidy, making their internet essentially free.
ECONOMICS	Morning Show	June 16	6:00a 7:00a 8:00a	60 sec	FM	The Federal government hiked the rate interest rate by 3/4 of a point yesterday in an attempt to slow spending and the inflation. Mortgage rates are now hitting 6.25 percent up from 3.25 in January. Car loans and credit debit will also be directly affected. It’s the biggest jump since 1994.
EDUCATION	Morning Show	April 5	6:00a 7:00a 8:00a	60 sec	FM	The Missouri Talent Pathways programs is an initiative to recruit and retain skilled and dedicated workers. The program will provide on-the-job mentoring in the health care workforce.
EDUCATION	Morning Show	Apr 13	6:00a 7:00a 8:00a	60 sec	FM	A local farmer is working with the Gardner-Edgerton School District to provide veggies straight from the garden to the plate. The new Farm to Fork program not only gives students local, healthy options in the cafeteria line but also teaches them why those foods are better for them as part of the district’s curriculum.
EDUCATION	Morning Show	Apr 15	6:00a 7:00a 8:00a	60 sec	FM	This spring, Chick-fil-A invested \$24 million in Remarkable Futures Scholarships, impacting over 12 thousand restaurant team member’s goals for higher education. 2,200 of those scholarships were funded entirely by last year’s retail sales of Chick-fil-A® bottled sauces.
EDUCATION	Morning Show	Apr 27	6:00a 7:00a 8:00a	60 sec	FM	A high school in Kansas City, Kansas has once again been ranked as the best high school in the state of Kansas for the fourth time in a row. U.S. News rated the best high schools throughout the nation and ranked Sumner Academy of Arts and Sciences as the number one best high school in Kansas, and number 32 in the nation (out of 18,000). Schools were ranked on six factors based on their performance on state assessments and how well they prepare students for college.

EDUCATION	Morning Show	May 2	6:00a 7:00a 8:00a	60 sec	FM	Future Kansas high school students may have to take a few more classes than this year's seniors. The Graduation Requirements Task Force is considering changing high school graduation requirements to hopefully leave future students better prepared before graduating. Six requirement changes are being considered at the moment, two of which are another math class, and a computer science class.
EDUCATION	Morning Show	May 19	6:00a 7:00a 8:00a	60 sec	FM	High school graduates hoping to attend college in Missouri will have to save up a little more than expected this summer. The University of Missouri System approved a tuition hike for the 2022-2023 academic year with more changes starting in 2023. The biggest change at the start will be the introduction of a differential tuition plan which will consolidate students into degree programs to determine course fees, as well as implement a flat rate for full-time students' course fees (this means taking 12 credit hours will cost the same as taking 15 or 18 credit hours).
EMPLOYMENT/ UNEMPLOYMENT	Morning Show	Apr 11	6:00a 7:00a 8:00a	60 sec	FM	Help and support is coming to Johnson County residents with developmental disabilities. The county is working on hiring direct support professionals to help people with intellectual and developmental disabilities with daily tasks outside of an instructional setting.
EMPLOYMENT/ UNEMPLOYMENT	Morning Show	June 13	6:00a 7:00a 8:00a	60 sec	FM	The Johnson County Election Office will need approximately 1,300 election workers for the August 2 primary. Paid training is provided by the county and poll workers receive a \$110 daily stipend for election day and each day of advanced voting they work.
ENVIRONMENT	Morning Show	Apr 26	6:00a 7:00a 8:00a	60 sec	FM	People who live in the City of Merriam can now earn a little extra cash. The city wants to encourage more residents to compost their food waste and is offering a \$40 rebate to those who buy or build a backyard compost bin. A virtual composting workshop in May that, if attended, can earn residents an additional \$35.
ENVIRONMENT	Morning Show	Apr 28	6:00a 7:00a 8:00a	60 sec	FM	The Biden administration is pulling the plug on old-fashioned incandescent light bulbs. Retailers are encouraged to phase out incandescent lightbulbs before the end of the year, with the ban officially starting in July 2023. The Energy Department Says once the new rules are fully in place, consumers should save nearly \$3 billion per year on their utility bills.
ENVIRONMENT	Morning Show	May 4	6:00a 7:00a 8:00a	60 sec	FM	Several entities are working together in the fight against KCMO's ongoing litter problem. Recently, street sweepers targeted Highway 71, cleaning up about 77 miles and gather 80,000 pounds of garbage and debris. On top of that, MoDOT just hired a contractor to assist highway cleanup twice a month for one year.
ENVIRONMENT	Morning Show	May 19	6:00a 7:00a 8:00a	60 sec	FM	Kansas City, Kansas residents can finally get rid of those old car batteries, used motor oil, or anything else you can't just toss in the trash. The Household Hazardous Waste Collection Center will be opening their doors totally free of charge to all Wyandotte County Residents for their Household Hazardous Waste Disposal Event. There is a list of acceptable and unacceptable waste items on their website.
FAMILY LIFE	Family Life Blended	Apr 25	6:24a	60 sec	FM	Ron Deal – A Life-Giving Rebuke (Proverbs 15:25) Discipline and a stern lecture are only for the young, right? That is what adults would like to think – discipline is for kids. A humble person listens to life giving correction so they gain understanding and wisdom yes, delivery matters but we need a mentor to deliver it and we need to be humble to receive it.

HEALTH	Morning Show	Apr 12	6:00a 7:00a 8:00a	60 sec	FM	Treatment for substance abuse will soon be more readily available in KC. University Health announced it will soon begin renovations on what will eventually be known as The Center for Recovery and Wellness. Not only will the new facility allow more people to have access to treatment options faster, but it will also help train new doctors.
HEALTH	Morning Show	May 4	6:00a 7:00a 8:00a	60 sec	FM	The Johnson County Med-Act is offering residents a free magnet that could help save time and lives. The magnet has a pouch on the front where residents can store a form containing their medical information in case of emergency. The File of Life magnet is meant to provide first responders information should the patient be unable to communicate. Anyone interested in receiving a free File of Life magnet should call the Johnson County MED-ACT.
HEALTH	Morning Show	May 10	6:00a 7:00a 8:00a	60 sec	FM	Help is on the way for expectant mothers who are experiencing mental health challenges. Experts say mental health symptoms have become the number one complication for women during the childbirth period, and less than 15% of women get connected to treatment for them. To help, the government is spending \$3 million on a hotline staffed by counselors who can provide mental health support.
HEALTH	Morning Show	May 12	6:00a 7:00a 8:00a	60 sec	FM	The nationwide shortage of infant formula isn't getting any better. In the beginning of April, the out-of-stock percentage of formula was 31%--this week, that number is 43%. Inflation, supply chain issues cause the start of the shortage, which was then exacerbated by a nationwide recall of formula made by Abbott Nutrition, one of the largest formula suppliers in the country. Other manufacturers have said they're ramping up production, but we've yet to see that translated to more formula on the shelves.
HEALTH	Morning Show	May 31	6:00a 7:00a 8:00a	60 sec	FM	The Missouri Department of Conservation and A.T. Stills University-Health are asking Missourians to mail in ticks they encounter throughout the state. Researchers want to gain a better understanding of the unique communities of ticks and the diseases they carry.
HEALTH	Morning Show	June 1	6:00a 7:00a 8:00a	60 sec	FM	The Olathe School District is offering free mental health services for all students, staff and their families in June and July. Services include individual and group mental health sessions, family therapy sessions, parent support groups and Olathe Public School staff wellness groups. All sessions will be held at the Millcreek Learning Center.
HEALTH	Morning Show	June 14	6:00a 7:00a 8:00a	60 sec	FM	City leaders are doing what they can to help those who caught out in the heat and those without air conditioning. Those in Kansas City or Independence can visit many community centers that are open and operating as cooling centers during normal business hours; Johnson County residents can visit any Johnson County Library branch to use as cooling centers.
HEALTH	Morning Show	June 20	6:00a 7:00a 8:00a	60 sec	FM	Blood shortages happen seasonally, but for the last couple of years, the shortages have been ongoing. At the Community Blood Center, they like to have a seven-day supply of all blood types, but right now, they're sitting at just 3-4 days. Their platelet supply is critically low as well, sitting at just one day right now. They need all blood types, but they're most in need of "O" blood.
LOCAL	Morning Show	April 4	6:00a 7:00a 8:00a	60 sec	FM	The Kansas City Housing and Community Development Department is working on a website that will make it easier for people and families to find affordable housing. The city hopes to have the website up and running by late summer or fall.
LOCAL	Morning Show	April 4	6:00a 7:00a 8:00a	60 sec	FM	The Goodwill says others could be helped with items you no longer want. Good will says there are several items they are in need of such as appliances, utensils, vases and small décor.

LOCAL	Morning Show	April 5	6:00a 7:00a 8:00a	60 sec	FM	The Jackson County Legislature approved a \$9 million purchase of a building at 13 <sup>th</sup> and Washington Street. The building will allow the county to address needs at the downtown courthouse.
LOCAL	Morning Show	April 7	6:00a 7:00a 8:00a	60 sec	FM	Groundbreaking ceremonies for the new Kansas City Streetcar expansion which will run through Midtown KC along Main Street, down to 51 <sup>st</sup> Street and Brookside Boulevard will add eight new stops to the route.
LOCAL	Morning Show	April 8	6:00a 7:00a 8:00a	60 sec	FM	The National Trust for Historic Preservation awarded \$25,000 to the Shawnee Tribe through the Telling the Full History Preservation Fund. With the help of the grant, the Shawnee Tribe has plans to prepare an official Historic Structure Report for the Shawnee Indian Mission in Fairway, KS.
LOCAL	Morning Show	Apr 13	6:00a 7:00a 8:00a	60 sec	FM	You may need to include some walking shoes in next year's back to school shopping list. Due to a lack of bus drivers, the Blue Valley School District will no longer provide transportation to students who live within 1.5 miles from school. The change will take effect starting next school year, and will not impact transportation the district provides for elementary students or students with special needs.
LOCAL	Morning Show	Apr 20	6:00a 7:00a 8:00a	60 sec	FM	Kansas City Police Chief, Rick Smith said his farewells to the city. After 34 years of service, Rick Smith is officially retiring from the force. He said he hopes people will see that "The enforcement is a fraction of what we do, and it's about helping people every day."
LOCAL	Morning Show	Apr 25	6:00a 7:00a 8:00a	60 sec	FM	Conservationists in Kansas are working to make local turtle races safer for the turtles involved after years of mistreatment and neglect. Turtle races gained popularity in the 1920's and today over 140 races operate in Kansas alone. The Turtle Race Task Force has been encouraging and working with the organizers and participants of turtle races in Kansas to help educate them on how to properly take care of these animals.
LOCAL	Morning Show	Apr 26	6:00a 7:00a 8:00a	60 sec	FM	Electric scooters are zipping their way into Leavenworth this week. The city plans to eventually have between 50 and 75 Bird e-scooters available for anyone over the age of 18 to use. Bird says it offers community pricing for low-income riders as well as free rides for healthcare workers and emergency personnel.
LOCAL	Morning Show	May 6	6:00a 7:00a 8:00a	60 sec	FM	Kansas and Missouri Law enforcement officers are keeping a close eye on drivers this weekend. Patrols want to make sure drivers stick to that posted speed limit, and warn there will be zero tolerance for anyone caught speeding or failing to move over for emergency crews. They say the best way to avoid a ticket, is to "drive like your mom. Slow down. Buckle up. Move over."
LOCAL	Morning Show	June 15	6:00a 7:00a 8:00a	60 sec	FM	Around 15,000 bees were relocated in Olathe yesterday afternoon thanks to the Olathe police, and a brave beekeeper. The massive hive was on the curb near 119th and Nelson Rd. Olathe police tweeting the beekeeper said it is late in the swarming season, and rare to have one this big.
POLITICS	Morning Show	May 5	6:00a 7:00a 8:00a	60 sec	FM	Missouri senators are slated to pass a bill requiring voters to show photo identification at the polls. Republicans and Democrats compromised on the legislation Tuesday evening after adding an amendment to allow two weeks of no-excuse absentee voting. Voters who don't bring valid IDs could cast provisional ballots.
PUBLIC HEALTH SAFETY	Morning Show	April 5	6:00a 7:00a 8:00a	60 sec	FM	Over 700,000 Ford vehicles will be impacted as Ford issued two recalls to fix oil leaks and trailer braking systems that won't work. Dealers will replace the housing if needed and owners will be notified starting April 18.

PUBLIC HEALTH SAFETY	Morning Show	Apr 15	6:00a 7:00a 8:00a	60 sec	FM	A new trend has local police officers trying to spread word of its dangers. The "Orbeez Challenge" has many people shooting small gel or water-based beads out of realistic-looking toy guns, often out of vehicles and towards random citizens. Officers warn "It is not always apparent the 'gun' is fake, especially coming from a moving vehicle. This has the potential to turn a 'fun' trend into a deadly situation."
PUBLIC HEALTH SAFETY	Morning Show	Apr 19	6:00a 7:00a 8:00a	60 sec	FM	A federal judge's ruling, wiping out the federal requirement to wear masks on public transportation. The White House said Monday the TSA isn't enforcing the mask mandate at airports. Many airlines now say masks are optional.
PUBLIC HEALTH SAFETY	Morning Show	Apr 19	6:00a 7:00a 8:00a	60 sec	FM	Toyota has issued a safety recall to address a software glitch affecting approximately 460,000 Toyota and Lexus vehicles. The problem concerns the cars' Vehicle Stability Control and can be fixed free of charge at Toyota and Lexus dealers. If your vehicle is included in the recall, Toyota says you will be notified by the middle of June 2022.
PUBLIC HEALTH SAFETY	Morning Show	Apr 22	6:00a 7:00a 8:00a	60 sec	FM	Ford is recalling more than 650,000 F-series trucks and big SUVs because the windshield wipers can break and fail. Owners will be notified by letter starting May 23.
PUBLIC HEALTH SAFETY	Morning Show	Apr 27	6:00a 7:00a 8:00a	60 sec	FM	Due to recent recalls, supply chain issues, and inflation, parents may notice it getting more difficult to find their preferred baby formula. To combat the shortage, some stores have started rationing stock and manufacturers are ramping up their production, but it could take a while for them to catch up. In the meantime, pediatricians say it's OK to switch between brands if the baby is healthy, and some even encourage it to avoid picky eaters.
PUBLIC HEALTH SAFETY	Morning Show	May 9	6:00a 7:00a 8:00a	60 sec	FM	You could save on gas, all by pressing a button on your dash. The "air recirculation button" is used to cut off the outside air to the inside of the car and 'recirculate' the air inside your vehicle. Experts say this ensures that you're recirculating air-conditioned air rather than hot air from outside thus keeping your car from working harder than it needs to therefore making it more fuel-efficient. (Having this button activated will also help greatly reduce pollen when driving)
PUBLIC HEALTH SAFETY	Morning Show	May 11	6:00a 7:00a 8:00a	60 sec	FM	Missouri traffic fatalities are on the rise but the Missouri Department of Transportation is doing what it can to change that. State engineers are working to improve Kansas City roadways, specifically by catering street construction for crash prevention by implementing J turns at certain crossings, rumble strips, and additional dividers where they can. MoDOT said they've made similar changers in years past and they've proven effective, so they're hoping they once again bring those traffic fatality rates down.
PUBLIC HEALTH SAFETY	Morning Show	May 13	6:00a 7:00a 8:00a	60 sec	FM	A recent study shows it could save your child's life. A series of tests was recently done to determine which color of swimsuit is the most easily visible when submerged below water. The conclusion: neon pink and neon orange are the easiest to see through all water conditions, white and light blue.
PUBLIC HEALTH SAFETY	Morning Show	May 23	6:00a 7:00a 8:00a	60 sec	FM	The makers of the Jif peanut butter brand have issued a recall for the product due to potential salmonella contamination. The company said more than 45 kinds of products are affected, including both creamy and crunchy peanut butters, peanut butter to-go packs, and the natural squeeze pouch.
PUBLIC HEALTH SAFETY	Morning Show	May 26	6:00a 7:00a 8:00a	60 sec	FM	The Hyundai manufacturer is recalling nearly 240 thousand cars because the seat belt parts can explode and injure vehicle occupants. The recall includes Accents, Elantras and Elantra HEVs all released within the last two or three years. There is an online resource to see which vehicles are included.

PUBLIC HEALTH SAFETY	Morning Show	June 2	6:00a 7:00a 8:00a	60 sec	FM	The Missouri Department of Public Safety is launching a free Critical Incident Stress Management training program. It's open to any first responder – law enforcement, fire service, EMS and dispatch personnel – in the state. The training is designed to assist individuals experiencing stress or trauma related to their first responder duties, help agencies build critical incident support teams, and strengthen supportive environments within responder agencies.
RECREATION	Morning Show	Apr 12	6:00a 7:00a 8:00a	60 sec	FM	Kansas City, Missouri, plans to add 15 miles of protected bike lanes by the end of the year and is asking for community input. Officials say the plan has been in the works for several years and will also form part of the city's five-year plan to create a bike network in Kansas City.
RECREATION	Morning Show	May 17	6:00a 7:00a 8:00a	60 sec	FM	The Moonlight Market will be making its return this week. It'll take place in downtown Shawnee on the third Thursday of each month through October. Residents can check out local art and handmade goods, and pick up some fresh produce from area farmers.
RECREATION	Morning Show	May 17	6:00a 7:00a 8:00a	60 sec	FM	Kansas City Parks recently announced plans to revamp an under-utilized part of Ashland Square Park. Kansas City Parks and Rec teamed up with KC Current, the U.S. Soccer Foundation, and Target, to add a new mini-pitch to the park. The foundation said the mini-pitch will include lockable storage and benches for people from the community to watch the games, as well as lighting to allow people to play later into the evening.
RECREATION	Morning Show	May 27	6:00a 7:00a 8:00a	60 sec	FM	A makerspace style woodshop has reopened in Gardner for professionals, hobbyists, and beginners alike. It provides machines, power tools, and hand tools. You have the option of taking just one class or subscribing to a monthly membership. The woodshop also works with different schools and youth groups to introduce the craft and plans to partner with other organizations and charities.
RECREATION	Morning Show	June 7	6:00a 7:00a 8:00a	60 sec	FM	The Johnson County Museum is hosting sensory-friendly Mondays. The museum took to social media to say it is already a massive hit. The sensory-friendly sessions have been going on for about a year now and are designed specifically for children with sensory processing differences and Autism Spectrum Disorders, and their families.
RECREATION	Morning Show	June 10	6:00a 7:00a 8:00a	60 sec	FM	Summer has officially arrived, which means the start of the Mayor's Nights programs. The events are a way to provide secure, night-time, summer activity for youth at KC Parks community centers and facilities.
SENIOR CITIZENS	Morning Show	May 20	6:00a 7:00a 8:00a	60 sec	FM	Older adults in Johnson County will have more access to food, thanks to Federal funds from the American Rescue Plan Act. The funding will go toward the Shelf Stable Food Program for Older Adults which will deliver shelf stable foods, toiletries and cleaning supplies to residents in the county aging program.
SENIOR CITIZENS	Morning Show	June 8	6:00a 7:00a 8:00a	60 sec	FM	The Missouri Department of Health and Senior Services is helping families find free summer food programs this summer with a new online map and number.
SPORTS	Morning Show	Apr 18	6:00a 7:00a 8:00a	60 sec	FM	Kansas University's Basketball MVP, Ochai Agbaji is headed for the NBA. Agbaji initially went through the draft process last year but decided to come back to Lawrence for his senior year. This time around, he is looked at to be a top-20 pick.
