And if you think biblically, it makes a huge difference. Join me this week for The Christian Working Woman as I talk about THINK!

Grace to You Daily Program Titles and Scripted Promos

Series: Complete in Christ

Monday, April 4 – Complete in Christ (#1)

In 1858, William Boardman wrote a book titled *The Higher Christian Life*. The premise of the book was this: A genuine Christian will experience—a second blessing—a second blessing from God . . . a blessing that makes the person instantly holy, and even able to reach a state of sinless perfection. Do you need something extra—a second blessing—to truly be saved? Invite you to consider that today on GRACE TO YOU as John MacArthur looks to the book of Colossians.

Tuesday, April 5 – Complete in Christ (#2)

How exactly do you become more Christlike? Is it something God does to you, or do you play a role in your sanctification? And at the moment of salvation do you receive everything you need to grow in Christlikeness? John MacArthur's digging into those questions in his current study here on GRACE TO YOU.

Wednesday, April 6 – Complete in Christ (#3)

When Steve Jobs was thirteen, he confronted his pastor with a picture of two starving children on the cover of *Time* magazine. He then declared he wanted nothing to do with a God who would allow such an atrocity—and he never went back to church. Now, what if you had a child like Steve Jobs? How would you show him that God is far more loving, kind, and gracious than you or I could ever imagine? Well, John MacArthur gives you a great place to start today on GRACE TO YOU, as he looks at God's all-sufficient and amazing forgiveness.

Thursday, April 7 – Spiritual Intimidation, Part 1

Have you ever been at a party or eating lunch with coworkers and mentioned you were a Christian? Now, sometimes that goes great . . . but sometimes there are people who immediately bring up why they could never be a Christian. Perhaps they're ready to argue that every religion has at least a kernel of truth . . . and there are many paths to God. So in those situations, how should you respond . . . how can you make sure you're honoring the Lord? Consider that today with John MacArthur on GRACE TO YOU.

Friday, April 8 – Spiritual Intimidation, Part 2

You may know people who profess faith in Christ and who say they believe the Bible, but they think there is wiggle room in Scripture that allows for . . . broad definitions of marriage . . . and abortion . . . and not being part of a local church. Essentially, they set their own standards for what it means to be a Christian. Of course, when we trust in our own, sin-tainted thinking, the consequences are disastrous. John MacArthur drives that point home today on GRACE TO YOU.

Series: The Love God Hates

Monday, June 6 – The Love God Hates (#1)

You often hear that God is love. It's one of the most celebrated truths in Scripture. But the Bible also says a lot about the things God hates . . . and it may surprise you to learn that there even is a kind of love that He hates. That's John MacArthur's focus this week in his series called *The Love God Hates* . . . on GRACE TO YOU.

Tuesday, June 7 – The Love God Hates (#2)

On today's broadcast, John MacArthur continues his study titled . . . "The Love God Hates. Maybe you find that title shocking. Perhaps you're wondering how God, who is love, could possibly hate. What provokes a gracious, merciful God to hatred? And how can you be sure that you're loving the things God loves . . . and hating the same things He hates? Find out today on GRACE TO YOU.

Wednesday, June 8 – Why Christians Don't Love the World (#1)

It's if a stranger looked at your life . . . your checkbook . . . your calendar . . . how you spent your time . . . what would he say you loved most? What you love—what you devote yourself to—reveals vital truth about you . . . and your relationship with Christ. John MacArthur shows you why, as he looks at the lives of Judas and Demas . . . and how their ungodly examples show you how to think, live, and honor the Lord. That's today on GRACE TO YOU.

Thursday, June 9 – Why Christians Don't Love the World (#2)

John Piper has written, "Wimpy worldviews make wimpy Christians." That said, do you have the right kind of worldview . . . one that informs your decisions with biblical truth? One that keeps Christ as the focus . . . and that filters your thoughts on social and political issues through the grid of God's Word? A perspective that equips you to be in the world . . . but not of the world? John MacArthur helps you answer those questions today on GRACE TO YOU.

Friday, June 10 – The Cardiology of Worldliness (#1)

Heart disease . . . it's one of the top killers of our time. The good news? This epidemic is treatable . . . if you understand the diagnosis . . . the causes . . . and steps you can take to manage your condition. But even if you never have heart disease . . . you will face a more serious enemy . . . a heart problem that affects every human being. John MacArthur shows you the disease, and the only treatment, as he continues his series here on GRACE TO YOU called . . . *The Love God Hates*.

Series: The Love God Hates (Cont'd)

Monday, June 13 – The Cardiology of Worldliness (#2)

As humans, we tend to cling to sin even though we know it's deadly and unsafe. So what makes sin so alluring . . . and what can you do about its power? Find out today as John MacArthur helps you resist sin . . . continuing his brand-new series on GRACE TO YOU titled . . . The Love God Hates.

Series: God's Word to an Ungodly Society

Tuesday, June 14 – Isaiah: A Godly Man in a Nation in Crisis (#1)

When your nation seems to be experiencing great prosperity and blessing, and at the same time it's accepting—even promoting—all sorts of sin, you might wonder what God thinks of the situation . . . more important, what He might be prepared to do. Well, John MacArthur's going to show you God's clear and urgent answer in the study he begins today on GRACE TO YOU.

Wednesday, June 15 – Isaiah: A Godly Man in a Nation in Crisis (#2)

Some say that working to change society through political means is like giving a cancer patient a band-aid—it offers no cure for the real problem. But . . . where sinful behavior and agendas can be controlled by legal means, shouldn't Christians make a political stand? Or do we take different aim . . . and devote ourselves only to evangelism? It's never been more important to answer those questions. John MacArthur gives a timely, biblical perspective today on GRACE TO YOU.

Thursday, June 16 – Warning to an Apostate Nation (#1)

When you look at the TV, newspaper—even out your window—and think about how bad the world's become, it's worth noting that many great nations have gone down similar roads before. On today's GRACE TO YOU, John MacArthur considers the prophecies of Jeremiah . . . in a study dealing with ancient nations . . . and some frightening similarities we share. John calls this series . . . God's Word to an Ungodly Society.

Friday, June 17 – Warning to an Apostate Nation (#2)

9/11, Hurricane Katrina, the Covid-19 Pandemic, are just a few events that prompted many communities to revise their crisis plans. In contrast, remember what John MacArthur said yesterday on GRACE TO YOU: Though man automatically thinks of a program in the face of crisis, God "immediately thinks of a baby"—in other words, He thinks of specific people, the ones He providentially brings into the world to warn and prepare. Well, on the eve of Israel's darkest days, God used a man named Jeremiah to sound a warning—a warning the U.S. . . . and, really, every country needs to hear. God's Word to an Ungodly Society—that's John's focus today on GRACE TO YOU.
