Re: **Must-Carry Election**
KBCB, Bellingham, WA
Seattle-Tacoma DMA

Gentlemen/Ladies:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission (FCC), the undersigned licensee of television station KBCB, licensed to Bellingham, WA, has elected must-carry status on your cable system(s) serving the communities within the Seattle-Tacoma DMA for the period beginning January 1, 2018 and ending December 31, 2020.

This will further advise that, pursuant to § 76.57(e) of the FCC rules, our station elects to be carried on cable channel 24 on your system. This is the “major channel” identified in KBCB’s PSIP stream, which allows television receivers to tune to the channel that the station uses over-the-air.

We will be pleased to cooperate with you to help provide the best possible service for your subscribers. Please do not hesitate to contact me if you have any questions on this matter.

Very truly yours,

Signature
