| Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3. | One or more episodes of children's programming that was preempted during the quarter was not rescheduled. The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary. |

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

"WILD ABOUT ANIMALS" is hosted by the Emmy-award winning actress Mariette Hartley. Mariette has committed herself to fighting for the rights of animals for over 20 years. This series is produced for children 16 and under (specific target audience is 13-16). The objective is to educate and inform children, specifically in the target age group, by bringing them entertaining and interesting stories about the world's most fascinating animals. Each episode will consist of four different stories designed to teach children about both exotic and unique animals, as well as to educate them further about animals they see everyday. Airs on main signal.
