**Friday, April 1 – Philosophy or Christ (#2)**

As John MacArthur has been showing you here on GRACE TO YOU in Jesus Christ, you have everything you need for a vibrant spiritual life—from the moment of salvation. And John continues looking at that theme today, showing you why you—and any believer—can have a deep, abiding, powerful relationship with God.

### **Series: Complete in Christ**

#### **Monday, April 4 – Complete In Christ (#1)**

In 1858, William Boardman wrote a book titled *The Higher Christian Life*. The premise of the book was this: A genuine Christian will experience—after his conversion—a second blessing from God . . . a blessing that makes the person instantly holy, and even able to reach a state of sinless perfection. Do you need something extra—a second blessing—to truly be saved? I invite you to consider that today on GRACE TO YOU as John MacArthur looks to the book of Colossian.

#### **Tuesday, April 5 – Complete in Christ (#2)**

How exactly do you become more Christlike? Is it something God does to you, or do you play a role in your sanctification? And at the moment of salvation do you receive everything you need to grow in Christlikeness? John MacArthur's digging into those questions in his current study here on GRACE TO YOU.

#### **Wednesday, April 6 – Complete In Christ (#3)**

When Steve Jobs was thirteen, he confronted his pastor with a picture of two starving children on the cover of *Time* magazine. He then declared he wanted nothing to do with a God who would allow such an atrocity—and he never went back to church. Now, what if you had a child like Steve Jobs? How would you show him that God is far more loving, kind, and gracious than you or I could ever imagine? Well, John MacArthur gives you a great place to start today on GRACE TO YOU, as he looks at God's all-sufficient and amazing forgiveness.

#### **Thursday, April 7 – Spiritual Intimidation, Part 1**

Have you ever been at a party or eating lunch with coworkers and mentioned you were a Christian? Now, sometimes that goes great . . . but sometimes there are people who immediately bring up why they could never be a Christian. Perhaps they're ready to argue that every religion has at least a kernel of truth . . . and there are many paths to God. So in those situations, how should you respond . . . how can you make sure you're honoring the Lord? Consider that today with John MacArthur on GRACE TO YOU.

#### **Friday, April 8 – Spiritual Intimidation, Part 2**

You may know people who profess faith in Christ and who say they believe the Bible, but they think there is wiggle room in Scripture that allows for . . . broad definitions of marriage . . . and abortion . . . and not being part of a local church. Essentially, they set their own standards for what it means to be a Christian. Of course, when we trust in our own, sin-tainted thinking, the consequences are disastrous. John MacArthur drives that point home today on GRACE TO YOU.

**Series: Easter Through the Eyes of God**

**Monday, April 11 – Looking at the Cross from God’s Perspective (#1)**

If you’re standing on a busy street, and you ask 20 people to describe what they see . . . you’ll probably get 20 different answers. And while each perspective may be helpful . . . they’re not all equal. The reality is . . . the more you see . . . the better your perspective. That was never truer than at the crucifixion of Jesus. It can be helpful to see the cross from the disciples’ perspective, Pilate’s, even from those crucified with Jesus. But have you ever considered the perspective of God Himself? With that in mind, John MacArthur begins a series today titled . . . Easter Through the Eyes of God here on GRACE TO YOU.

**Tuesday, April 12 – Looking at the Cross from God’s Perspective (#2)**

The story’s told of three workers who helped build St. Paul’s Cathedral in London. Asked what they were doing, one said he was cutting stone . . . another said earning a wage. The third, though, said, “I’m helping build a beautiful cathedral.” Three men . . . three perspectives. Well, perhaps you’ve heard several takes on the Crucifixion over the years, like that of the apostles or the thief on the cross. But have you ever considered God’s perspective on the death of His Son? That’s John MacArthur’s focus today on GRACE TO YOU.

**Wednesday, April 13 – Resurrection: The Key to Everything (#1)**

In an era that emphasizes the wedding day more than the marriage itself . . . is it surprising that Jesus’ death and resurrection are remembered . . . and the real meaning of the events themselves are forgotten or misunderstood? Well, today on GRACE TO YOU, John MacArthur examines the truth behind the familiar Easter story as he continues his study titled Easter Through the Eyes of God.

**Thursday, April 14 – Resurrection: The Key to Everything (#2)**

Tomorrow—Good Friday—will be a day of sorrow for many, many people . . . as they mourn the shame and unspeakable suffering Jesus endured on the cross. Yet what followed His sacrifice is so remarkable—so monumental—only the sinless Son of God could accomplish it. You’ll see that today on GRACE TO YOU as John MacArthur continues his study called Easter Through the Eyes of God.

**Friday, April 15 – Convincing Testimony to the Resurrection**

Simon Greenleaf’s most important contribution to mankind was when he set out to examine the evidence for Christ’s Resurrection . . . and follow it wherever it led. After a thorough study, he concluded this: That there was more evidence supporting the Resurrection than just about any event in human history! Now what evidence did Greenleaf find . . .and what made it so persuasive? John MacArthur shows you today on GRACE TO YOU.

#### **Monday, April 18 – The Foolishness of God, Part 1 (#1)**

You know, doubts about the gospel’s relevance are nothing new. People have always struggled to believe the gospel . . . because it defies human wisdom and appears to be—in a word—foolish. But today on GRACE TO YOU, you’re going to see how God’s Word can meet your most profound needs, answer your deepest questions . . . and direct your steps . . . as John MacArthur launches his study called . . . The Foolishness of God.

#### **Tuesday, April 19 – The Foolishness of God, Part 1 (#2)**

These days it seems that people trust in science to answer life’s questions . . . hope that politics, will improve the world . . . see education as the path to ultimate fulfillment . . . or look inward, believing that inner voice is the best guide in life. The result? Human wisdom is elevated. God’s wisdom is considered foolish. So how can you be sure you’re trusting in God’s wisdom . . . not the world’s? John MacArthur answers that question today on GRACE TO YOU.

#### **Wednesday, April 20 – The Foolishness of God, Part 2 (#1)**

An actor says people need to love each other more . . . a writer says education can solve society’s problems . . . a politician says more government spending can put an end to society’s ills. Today, human wisdom has crept into some churches . . . staining pure doctrine. And that means many people are being led to trust what can’t be trusted. Take a close look at what God’s Word offers today on GRACE TO YOU, as John MacArthur continues his series . . . The Foolishness of God.

#### **Thursday, April 21 – The Foolishness of God, Part 2 (#2)**

In an effort to get more people into the church, many pastors have stopped preaching hard truths like sin and repentance. Now, what do you think? Is the trend toward deemphasizing sin a wise strategy for today’s evangelical church? ? Hear what John MacArthur has to say about human wisdom on this edition of GRACE TO YOU . . . as he continues his current series.

#### **Friday, April 22 – The Foolishness of God, Part 3**

When the Macintosh computer came out nearly 40 years ago, Apple had a simple strategy to revolutionize the industry. As one consultant put it, Apple wanted “to make Mac so unique and innovative that [people] would be romanced into using it.” Now, to be frank, some church leaders have been following the Macintosh approach for decades . . . romancing unbelievers with an easy, non-threatening theology. But how does that approach align with Scripture? Find out today as John MacArthur shows you the dangers of allowing such marketing strategies to override biblical principles on GRACE TO YOU.

Why does that happen? Why are so many people so reluctant to embrace the good news of salvation? John MacArthur answers that question today on GRACE TO YOU.

#### **Tuesday, April 26 – Understanding the Wisdom of God (#1)**

To what extent can human insight—even the greatest example if it—help you and your church minister to people's deepest spiritual needs? Under what conditions is human wisdom instructive and helpful . . . and at what point does it exceed its usefulness? John MacArthur helps you answer those questions today on GRACE TO YOU. He calls his series . . . The Foolishness of God.

George Santayana said, "Almost every wise saying has an opposite one, no less wise, to balance it." That's the world's philosophy for you. Learn how to spot human wisdom . . . make sure you know why God's wisdom is the only wisdom with life-changing power, both now and for eternity. Today, on GRACE TO YOU with John MacArthur.

#### **Thursday, April 28 – The Believer and Indwelling Sin, Part 1 (#1)**

One theologian has said that holiness starts where justification ends . . . and if it doesn't start, you can suspect that justification never started either. What does that mean for you and me? Well, if you don't see holiness in a professing believer, it could be that person really is not a Christian. But does being holy mean a that you never sin . . . or hardly ever do? John MacArthur tackles that issue today, as he considers the question . . . Why Do I Still Sin?—here GRACE TO YOU.

#### **Friday, April 29 – The Believer and Indwelling Sin, Part 1 (#2)**

Every day you face a decision with eternal consequences. Of course, I'm not talking about deciding what to wear to work or what to eat for breakfast. Winston Churchill once said, “Success is not final. Failure is not fatal. It is the courage to continue that counts.” A good thought to keep in mind as you battle against sin. Sometimes you will defeat it . . . other times, sin will batter and bruise you. But the question is . . . do you have the drive to keep fighting your sinful flesh? If you don’t, what does that say about your spiritual condition? Questions to keep in mind today on GRACE TO YOU with John MacArthur.

#### **Series: Examine Yourself**

##### **Tuesday, May 3 – Examine Yourselves Whether You Be in the Faith, Part 1 (#1)**

If you have doubts that your salvation is genuine, what should you do — what’s the first step? Those are questions you need to be able to answer—questions that John MacArthur will help you with in a study he begins today on GRACE TO YOU. He calls it . . . Examine Yourself.

##### **Wednesday, May 4 – Examine Yourselves Whether You Be in the Faith, Part 1 (#2)**

John MacArthur will show you on this edition of GRACE TO YOU in a study he calls . . . Examine Yourself.

##### **Thursday, May 5 – Examine Yourselves Whether You Be in the Faith, Part 2 (#1)**

Matthew 7:23 may record the most terrifying words in Scripture. There Jesus warns that some people who believe they’re going to heaven will one day hear Christ say . . . “I never knew you; depart from Me, you who practice lawlessness.” How do you know if those words might apply to you? You may believe God exists . . . read your Bible regularly . . . serve your local church faithfully . . . but is that proof you’re truly saved? Bottom line, how can you be sure you’re a Christian? Consider that today on GRACE TO YOU with John MacArthur.

It's safe to say that every Bible-teaching lesson here on GRACE TO YOU accomplishes one of three things. Well, the study John continues today probably falls into that third category for many people. The subject, as well as the title . . . True Worship. It answers a simple yet profound question . . . What does it really mean to worship God?

#### **Thursday, May 12 – True Worship, Part 2 (#2)**

Today on GRACE TO YOU, John MacArthur helps you see why it's so important to make worship a priority.

##### **Tuesday, May 17 – True Worship, Part 4 (#2)**

It's natural to think of worship only in terms of religion . . . worshipping God. But fact is, people can—and often do—devote enormous time, money, physical effort, and mental energy to people and things . . . in effect, worshipping them as a way of life . . . instead of God— God alone. ##### **Wednesday, May 18 – True Worship, Part 5 (#1)**

Well . . . it could be there are plenty of people worshiping in the spirit in that very church. Today on GRACE TO YOU, John MacArthur looks at some of the myths about worshiping in the Spirit.

##### **Thursday, May 26 – True Worship, Part 8 (#1)**

Spurgeon, the great British pastor, put it this way: “My happiest moments are when I am worshiping God, really adoring the Lord Jesus Christ, and having fellowship with the ever-blessed Spirit. . . . To me it is the nearest approach to what it will be in heaven.” When you think about the great joys of the Christian life, that quote gets to the core issue: Worshiping God, in spirit and in truth—it’s the closest thing to heaven on earth. Today on GRACE TO YOU, John MacArthur helps you understand how to worship God the right way.

Here's an interesting exercise: Do an internet search for churches in your area. What do they emphasize—what do they say is their purpose? You'll probably find priorities like . . . building relationships, addressing emotional needs, having a contemporary style. Now those things are fine for a community center or support group . . . but have they found too high a place in the church? Join John MacArthur now on GRACE TO YOU in his series titled, *Why Is Preaching Worth Fighting For?*

**Thursday, June 2 – Why I Love the Church (#1)**

If you ask a handful of church leaders why people love being in their congregations, you'd probably hear answers like . . . great music, friendly people, an enjoyable atmosphere. It's fair to say, those are the main selling points for many churches today . . . the reasons their leaders think you'll love to attend each week. But are those the main reasons to love a local church? John MacArthur looks at those reasons today on GRACE TO YOU in a message he calls . . . "Why I Love the Church."

**Friday, June 3 – Why I Love the Church (#2)**

Perhaps you know a professing Christian who says, "I'd go to church if it wasn't for all the hypocrites." Or maybe a member of a local church has mistreated or criticized you, even lied to you. Sadly, that happens. People in churches don't always act like—well—Christians. So that raises the question . . . Can you follow Christ and not be part of a church? Is that an option? Today's lesson on GRACE TO YOU can help you answer those questions . . . as John MacArthur explains why he loves the church, and why you should too.

##### **Monday, June 6 – The Love God Hates (#1)**

You often hear that God is love. It's one of the most celebrated truths in Scripture. But the Bible also says a lot about the things God hates . . . and it may surprise you to learn that there even is a kind of love that He hates. That's John MacArthur's focus this week in his series called *The Love God Hates* . . . on GRACE TO YOU.

##### **Tuesday, June 7 – The Love God Hates (#2)**

On today's broadcast, John MacArthur continues his study titled . . . *The Love God Hates*. Maybe you find that title shocking. Perhaps you're wondering how God, who is love, could possibly hate. What provokes a gracious, merciful God to hatred? And how can you be sure that you're loving the things God loves . . . and hating the same things He hates? Find out today on GRACE TO YOU.

##### **Wednesday, June 8 – Why Christians Don't Love the World (#1)**

It's If a stranger looked at your life . . . your checkbook . . . your calendar . . . how you spent your time . . . what would he say you loved most? What you love—what you devote yourself to—reveals vital truth about you . . . and your relationship with Christ. John MacArthur shows you why, as he looks at the lives of Judas and Demas . . . and how their ungodly examples show you how to think, live, and honor the Lord. That's today on GRACE TO YOU.

##### **Thursday, June 9 – Why Christians Don't Love the World (#2)**

John Piper has written, "Wimpy worldviews make wimpy Christians." That said, do you have the right kind of worldview . . . one that informs your decisions with biblical truth? One that keeps Christ as the focus . . . and that filters your thoughts on social and political issues through the grid of God's Word? A perspective that equips you to be in the world . . . but not of the world? John MacArthur helps you answer those questions today on GRACE TO YOU.

##### **Friday, June 10 – The Cardiology of Worldliness (#1)**

Heart disease . . . it's one of the top killers of our time . . . The good news? This epidemic is treatable . . . if you understand the diagnosis . . . the causes . . . and steps you can take to manage your condition. But even if you never have heart disease . . . you will face a more serious enemy . . . a heart problem that affects every human being. John MacArthur shows you the disease, and the only treatment, as he continues his series here on GRACE TO YOU called . . . *The Love God Hates*.

As humans, we tend to cling to sin even though we know it's deadly and unsafe. So what makes sin so alluring . . . and what can you do about its power? Find out today as John MacArthur helps you resist sin . . . continuing his brand-new series on GRACE TO YOU titled . . . The Love God Hates.

##### **Tuesday, June 14 – Isaiah: A Godly Man In a Nation in Crisis (#1)**

When your nation seems to be experiencing great prosperity and blessing, and at the same time it's accepting—even promoting—all sorts of sin, you might wonder what God thinks of the situation . . . more important, what He might be prepared to do. Well, John MacArthur's going to show you God's clear and urgent answer in the study he begins today on GRACE TO YOU.

##### **Wednesday, June 15 – Isaiah: A Godly Man In a Nation in Crisis (#2)**

Some say that working to change society through political means is like giving a cancer patient a band-aid—it offers no cure for the real problem. But . . . where sinful behavior and agendas can be controlled by legal means, shouldn't Christians make a political stand? Or do we take different aim . . . and devote ourselves only to evangelism? It's never been more important to answer those questions. John MacArthur gives a timely, biblical perspective today on GRACE TO YOU.

##### **Thursday, June 16 – Warning to an Apostate Nation (#1)**

When you look at the TV, newspaper—even out your window—and think about how bad the world's become, it's worth noting that many great nations have gone down similar roads before. On today's GRACE TO YOU, John MacArthur considers the prophecies of Jeremiah . . . in a study dealing with ancient nations . . . and some frightening similarities we share. John calls this series . . . God's Word to an Ungodly Society.

##### **Friday, June 17 – Warning to an Apostate Nation (#2)**

9/11, Hurricane Katrina, the Covid-19 Pandemic, are just a few events that prompted many communities to revise their crisis plans. In contrast, remember what John MacArthur said yesterday on GRACE TO YOU: Though man automatically thinks of a program in the face of crisis, God "immediately thinks of a baby"—in other words, He thinks of specific people, the ones He providentially brings into the world to warn and prepare. Well, on the eve of Israel's darkest days, God used a man named Jeremiah to sound a warning—a warning the U.S. . . . and, really, every country needs to hear. God's Word to an Ungodly Society—that's John's focus today on GRACE TO YOU.

##### **Monday, June 20 – The Glorious Return of Jesus Christ, Part 1 (#1)**

As you've heard about political turmoil and injustice around the globe . . . perhaps you've wondered why God allows so much evil . . . and when he's going to end it. Well, today on GRACE TO YOU, John MacArthur shows you when Jesus will judge the earth, and how you can prepare, in his study titled . . . When Jesus Comes.

##### **Tuesday, June 21 – The Glorious Return of Jesus Christ, Part 1 (#1)**

We don't know how long we have or when Christ will return. So that calls for a different approach to day-to-day life, a perspective the rest of the world doesn't embrace. You might call it . . . expectant living.

Today on GRACE TO YOU, John MacArthur's going to show you why living in expectancy of our Lord's return is crucial to living the life God desires. It's part of his current study titled . . . When Jesus Comes.

##### **Wednesday, June 22 – The Glorious Return of Jesus Christ, Part 2 (#1)**

It's been said that the difference between victory and defeat in battle is simple . . . it all comes down to which side you're on. Now that's an obvious oversimplification . . . but the truth is, when Jesus Christ returns . . . the difference between eternal agony and eternal bliss truly is as simple as which side you'll be on. With that in mind, John MacArthur continues his current study on GRACE TO YOU titled . . . When Jesus Comes.

##### **Thursday, June 23 – The Glorious Return of Jesus Christ, Part 2 (#2)**

It's long been said there are only two certainties in life: death and taxes. Of course, where the certainties of life are concerned, far better to focus on the two that have eternal consequences . . . namely, death . . . and the return of Christ. Indeed, the Lord's return, and all the end-time events you read about in Scripture, are certainties you need to prepare for. Question is, how do you prepare? And why should you not want to be around when Christ returns? Questions to keep in mind today on GRACE TO YOU as John MacArthur continues his study called When Jesus Comes.

##### **Friday, June 24 – The Glorious Return of Jesus Christ, Part 3 (#1)**

Stories of conflict fill the annals of human history . . . as mankind battled for power . . . fought for freedom . . . and struggled for change. So, what will history's final battle be like? And will you be on the winning side? Find out today on GRACE TO YOU as John MacArthur continues his study . . . When Jesus Comes.

The tests are in, they came back positive, and, I'm sorry . . . you have only a month to live." How would a call like that change your choices? Your priorities? The way you live day-to-day? Well, John MacArthur's current study from Revelation could be that kind of priority-changer. Join him for a look at . . . When Jesus Comes . . . on GRACE TO YOU!

**Tuesday, June 28 – The Earthly Kingdom of the Lord Jesus Christ, Part 1, (#1)**

In the last decade we've witnessed some of the most devastating hurricanes, tornadoes, and wild fires in recorded history. Yet as terrifying as these events have been, they did come with some warning . . . at least a little. Well, there's an event coming that, for many, will be the ultimate disaster—an event with not so much as a minute of warning. The question for you is, what have you done to prepare . . . are you ready for the imminent return of Jesus Christ? That's John MacArthur's focus today on GRACE TO YOU as he continues his study called . . . When Jesus Comes.

**Wednesday, June 29 – The Earthly Kingdom of the Lord Jesus Christ, Part 1, (#2)**

You can still probably remember when 1999 wound to a close, many people were caught up in a craze that became known as "Y2K" . . . preparing for everything from computer software glitches to possibly the end of the world. The year 2000 came and went without much real change . . . but a millennium is coming that will change everything. I'm talking about the thousand-year reign of Christ. Question is, when will it begin? And will you be around for it? John MacArthur helps you sort out those issues . . . in his study titled *When Jesus Comes* . . . on GRACE TO YOU.

**Thursday, June 30 – The Earthly Kingdom of the Lord Jesus Christ, Part 2, (#1)**

When and how will Satan be bound? What's more . . . whose job will it be to bind him and what affect will that have on the earth . . . and on you? John MacArthur will help answer those fascinating questions today on GRACE TO YOU . . . as he continues his prophecy series from Revelation called . . . *When Jesus Comes*.

**Friday, July 1– The Earthly Kingdom of the Lord Jesus Christ, Part 2, (#2)**

Well, if there's one area of Bible knowledge you've never mastered, it may be . . . figuring out the order of end-times events. Really, though, keeping the events straight is within your reach—the chronology is there in the book of Revelation, and you can get a handle on it. John MacArthur is showing you that in his current study, here on GRACE TO YOU. The title . . . *When Jesus Comes*.
