

UNIVISION RADIO STATIONS POLITICAL SALES TERMS AND DISCLOSURES

Post to Station's FCC Public Inspection File> Political Files> Terms and Disclosures Folder

The following codes are used in the reports and contracts posted to this station's political files:

- P03: Non-Preemptible Time (NPT).** NPT spots are not preemptible by any other spot, even if a higher price is paid. They will air as scheduled, absent unforeseen program changes, breaking news or technical difficulties.
- P04: Preemptible with Notice, with Guaranteed Make Good (PN).** PN spots may be preempted by an NPT spot and certain other PN spots. The Station will endeavor to provide purchasers of PN spots with three days advance notice prior to preemption. If a PN spot is preempted, the Station will offer equivalent make good time to the purchaser.
- P05: Immediately Preemptible, with Likely Make Good (IP).** IP spots may be preempted by an NPT or PN spot and certain other IP spots. Purchasers of IP spots will NOT be provided with advance notice prior to preemption but the Station will endeavor to offer equivalent make good time to the purchaser.
