

The Homelessness Radio Project 3rd Quarter 2020

NOTE: This report is being filed on April 12, 2021 due to the effect of Covid on the operations of the radio station.

Homelessness in the Albuquerque and middle New Mexico area, including Grants and Santa Fe, is a severe community problem. Presently, it is estimated that at any point in time, about 1,500 people are homeless in the Albuquerque area alone.

Founded by Dr. Jeremy Reynolds, **Joy Junction** is an independent, non-government funded emergency homeless shelter that has provided services to the homeless since 1986. Each Sunday morning from 7 till 8, we interview Joy Junction CEO Elma Reynolds to educate listeners about issues of the homeless and solutions which Joy Junction and others are implementing.
