DESCRIPTION: CHILDHOOD SLEEP DISORDERS

REPORTER: MARIA CELESTE

A good night sleep is essential for a child’s performance at school. For that reason it is important to know if your child has a sleeping disorder, like apnea. Experts say parents must be attentive if the child snores and seems tired during the day, if they urinate in their sleep and constantly have a headache. These symptoms may indicate a sleeping disorder and need medical attention.

ISSUE: IMMIGRATION

PROGRAM: "AL ROJO VIVO"

DATE:12-18-14 TIME: 5:00 PM E.T. TOPIC DURATION: 00:32

DESCRIPTION: AZ-IMMIGRANT MOTHER RELEASE

REPORTER: CARMEN DOMINICCI

After spending almost a year and half in an immigration detention center in Arizona, a single mother was released and will be able to spend Christmas with her children. Her nightmare began on August 2013 when she was arrested during a raid at a car wash where she worked. Although her co-workers were released, she was not because she had a previous arrest warrant for crossing the border, something she said she had to do to escape from her abusive husband.
