

KSEY FM AM  
ISSUES PROGRAMS

3<sup>rd</sup> quarter July August September 2015

1) We broadcast a show called THIS WEEK IN TEXAS produced by the Texas State Network. The show explores many different issues of concern to Texans. The show is a review of all major news stories in the state. The show is aired every Sunday from 5:00 till 5:30 am every Sunday morning. The show is broadcast on both KSEY FM and KSEY AM. An agenda for each show is attached at the end of this report.

2) Broadcast Live all regular meeting of the Seymour City Council. Meetings for the benefit of elderly residents in our community who might have a hard time attending meeting. In the Second Quarter meeting were broadcast on July 23, August 27 and September 24. The meeting time is 7:00pm is are broadcast on both KSEY FM and KSEY AM.

3) In Conjunction with the Seymour Chamber of Commerce KSEY produces a weekly 20 minute talk show called the CHAMBER CONNECTION. The shows focus is economic development, a serious issue in rural Texas. The show is broadcast every Friday at 9:15am, 12:20pm and 5:15pm. The shows are archived for review in the production computer in the control room. CHAMBER CONNECTION is broadcast on both KSEY FM and KSEY AM.

4) Baylor County and all of the KSEY listening area has a AG based economic and farm and ranch issues in the news are very important to our listeners. We broadcast 30 minutes of farm related news Monday thru Friday from 5:00 till 5:30am, 7:00am till 7:30am and 8:15am till 8:30am on KSEY AM and FM. An ag show is broadcast on KSEY FM Monday thru from 12:15pm till 1:00pm

5) KSEY broadcast a 3 minutes Community Bulletin board Monday thru Friday at 15 past the hour from 9:15am till 5:15pm Air time is offers for free to any and all now profit groups in the listening area. The community calendar is aired on both KSEY FM and AM

6) KSEY's EAS encoder-decoder has a telephone interface. The City of Seymour has access to the system to immediately broadcast local emergencies. We broadcast announcements informing listeners about the EAS system and how in works. Additional, we stock EAS monitors that we'll sell to the community at cost. We broadcast 5 EAS PSAs per day on both KSEY FM and AM explaining what EAS is and how the system works.
