2ND ANNUAL THANKSGIVING DINNER FOR CHILDREN

**JOIN US IN MAKING THIS
THANKSGIVING SPECIAL FOR
CHILDREN IN OUR COMMUNITY**

Give happily and know that your blessings will multiply as you share with those in need.

Your donation enables us to bring Thanksgiving dinner to families in our community. With your help, we can provide dinner to many children and their families.

From now until October 31st, we are collecting non-perishable Thanksgiving dinner food items at several locations in our area. Last year we provided dinners for 30 families, with your help we are hoping to feed even more!!
