Between October and December, KLGN several times was contacted by local law enforcement regarding road closures and severe traffic accidents. Several calls also involved lost children. We aired special public service announcements advising listeners to avoid the impacted areas and help find the missing children.

KLGN also continued to offer tours and spoke to groups interested in radio. These groups included Boy Scouts of America, church and school organizations.

KLGN always runs extra commercials and announcements to help in this period promoting fundraisers and events. Some groups running schedules were Child and Family Support Center, Cache Valley for Hope, Alzheimer's Coalition, Sub for Santa, Common Ground Outdoor Adventures, Chamber of Commerce, and other local groups having fund raisers to help ailing or needy people in our valley.

We also have a web site www.1069thefan.com and www.CacheValleyDaily.com which instantly updates sports, especially local sports, plus has local community events calendars, and free classified advertising, plus business links. We use social media sites Facebook and Twitter to also inform listeners.

We all live in our community and we believe in promoting all the good events and activities that our listeners are involved in, or could get involved in.
