TIME: 9:00am – 9:30am.

DURATION: 30 MINUTES.

TYPE: Broadcast on Multiplatform – You tube, twitter, facebook, Instagram etc/On Air.

DESCRIPTION: We talked about the Trump administration published its long-anticipated final “public charge” rule, a policy change carrying enormous implications for communities across the United States. The administration’s proposal would radically expand the government’s ability to deem legal immigrants who are not yet citizens as public charges — individuals considered financially dependent on the government. Medicaid, along with cash assistance, food stamps, and public housing, is the type of public benefit that can cause someone to be labeled a public charge.
