**INTERVIEW WITH MARIANA SALAZAR.**

**TITLE : The Census Influence.**

**DATE: 04/05/2020**

**TIME: 6:00AM**

**DURATION: 30 minutes.**

**TYPE: RECORDED INTERVIEW.**

**DESCRIPTION: Interview With Mariana Salazar from Non Profit Organization, United Way in Austin.**

We talked about the results of the 2020 Census, how will help to determine hundreds of billions of dollars in federal funding flow into communities every year for the next decade. We talked about how the Census results influence highway planning and construction, as well as grants for buses, subways, and other public transit systems.

We wanted to help especially Hispanic community to understand the importance of being counted for our local schools: Census results help determine how money is allocated for the Head Start program and for grants that support teachers and special education, we also focused the interview talking about the census even without a Legal Status for most of the Hispanic communities, we have noticed that Hispanic community was kind of scare of participating first, because of the Legal Status, second the private information that they would be sharing, Hispanic community was misunderstanding the importance of the census.
