

**Quarterly Issues for Station: FM 90.3 WJTL**  
**January - March 2023**  
**Placed in the Public File on:**

The station has identified the following as significant issues facing our community in this quarter:

A. **Travel Delays:** News stories alerting listeners to road closures and detours that could affect their commutes.

B. **Dietary Health and Concerns:** News reports and programs related to diet and nutrition

C. **Physical Fitness:** News stories and programs related to physical activity and health

D. **Avian Flu and Poultry Monitoring:** News stories highlighting concerns surrounding avian flu and poultry

E. **Seasonal Health Concerns:** News reports and programs providing info and tips specific to the season

F. **Scams:** News stories alerting listeners to prevalent scams

G. **Human Trafficking:** Guests, News stories and programs related to human trafficking awareness

H. **Meeting Special Needs:** A variety of news stories, programs and guest features addressing various special needs in the community and organizations/initiatives helping to meet them.

I. **Theft and Vandalism:** News stories alerting listeners to risks involving theft, vandalism and security breaches

**J. Unclaimed Property** A series of news reports and recordings were aired to bring awareness to how to claim unclaimed property in the PA Treasury

**K. Recalls** Important product recall information

---

## **A. Travel Delays**

**News** reports on January 2, lasting 25 seconds at 1635 and 1835 and on January 3 at 635, 735 and 835 shared about a bridge replacement project on Stevens Road in East Cocalico Township that will require a detour for the next eight months. The replacement is expected to be completed Oct. 5, 2023, Lancasteronline.com.

**News** reports on January 11 at 605, 735, noon, 1535, 1635 and 1835 lasting 25 seconds reported that PennDOT is performing night work on Centerville Road and Route 30 at the Centerville Road Interchange. During the work, there will be lane restrictions with flaggers who will be providing traffic control from 7 p.m. to 6 a.m. The contractor is expected to work through tomorrow night January 12th. abc27.com.

On January 11 we aired 36 second **news** reports at 1535 and 1735 - The Federal Aviation Administration has lifted the ground stop on flights across the U.S. following a computer outage early today that resulted in thousands of delays and hundreds of cancellations at airports nationwide. WGAL.COM

On January 13, 32 second **news** reports at 1535 and 1735 - If you travel Route 272 in West Earl Township plan for stop-and-go traffic weekdays through February 1st. A contractor is working on Oregon Pike to install water and sewer service to a home near Kenneth Drive. Work is scheduled to take place weekdays

between 9 a.m. and 3 p.m. and will affect traffic on Route 272 on some but not all days of the project. LANCASTERONLINE.COM

January 18 we shared 31 second **news** reports at 635, 735, 835, noon, 1535 and 1735 announced blasting operations along the “goat path” in East Lampeter Township are expected to disrupt traffic on Route 30 and Route 23 starting Friday. The disruptions are scheduled to take place between 1 and 2 p.m. on weekdays through Feb. 3, weather permitting. Work on the extension project is expected to be completed by November. LANCASTERONLINE.COM.

**Local news** on January 25 aired a 28 segment story at 735 that PennDOT has put some vehicle restrictions into place due to winter weather moving across Pennsylvania. Here's a of few the restrictions for today: No empty commercial vehicles for the following routes – I-80 from I-79 to I-180 and I-99... Pennsylvania Turnpike I-70/I-76 from New Stanton Exit # 75 to Breezewood Exit # 161. Beginning at 12:00 PM Pennsylvania Turnpike I-476 (Northeast Extension) from Lehigh Valley Exit # 56 to Clarks Summit Exit # 131. A complete list can be found at WGAL.com.

January 27 - 29 second **local news** segments at 635 and noon: yesterday the state Department of Transportation announced an emergency closure of part of Route 441 south of Columbia. Water Street (Route 441) is closed between Blue Lane and Front Street in Manor Township due to a retaining wall that is creating a hazard to the roadway. A detour is in place using nearby routes 999, 741 and 30. PennDOT expects the closure to last several days. Motorists can check for updates to road closures at 551pa.com.

On February 6, 18 second **news** stories at 705 and 835: PennDot says to expect nighttime lane restrictions this week on the Route

30 Wrights Ferry Bridge. The bridge spans the Susquehanna River between Hellam Township in York County and Columbia Borough in Lancaster County. Lane restrictions will be in place from 7:00 p.m. to 5:00 a.m. today through Thursday Feb. 9.  
[abc27.com](http://abc27.com)

February 14 we aired 31 second **news** stories at 635, 735, 835, noon, 1635 and 1835: Nighttime lane restrictions will continue this week along the Wrights Ferry Bridge over the Susquehanna River. PennDOT said the restrictions will be in place from 7 p.m. to 5 a.m. today through Thursday between Hellam Township in York County and Columbia in Lancaster County. The right lane and right shoulder will be closed in both eastbound and westbound directions. The left lane will remain open. Only one direction will be restricted at a time. The restrictions will allow workers to install strain gauges, which measure stresses to the bridge due to weight and movement. [WGAL.com](http://WGAL.com)

**Local News** 20 second segments February 21 at 1535 and 1735  
An inspection lasting through February 28 begins today on the Wrights Ferry Bridge on Rte 30 between York and Lancaster counties. PennDot reports the lane restrictions will be in place on the bridge weekdays from 9am to 3 pm and during daylight hours Feb 25 and possibly February 26. Traffic will be restricted one direction at a time beginning eastbound before moving westbound. The right lane and shoulder will also be closed. As always stay alert and drive with caution through work zones.  
[local21news.com](http://local21news.com)

**Local News** 22 second segments February 24 at 635,735, 835 and 12:00  
A paving project in downtown Lititz that began last year will resume next month, and take about 10 weeks to complete, according to PennDot. Starting March 6, PennDOT contractors will continue a \$1.2 million project to resurface Route 772 (East Main Street) from Route 501 (Broad Street) east to Lititz

Run Road. The project also includes repaving Water Street from Route 772 north to the borough limits. The work will require lane closures and traffic shifts, but PennDOT said none will take place between 6 a.m. and 8:30 a.m. There will also be no lane closures on Fridays from 3:30 p.m. to 6 p.m. LancasterOnline.com

**Local News 21 second segments** February 24 705 and 805 River Road in Manor Township will be closed on weekends in March as contractors replace large pipes. Road closures will take place the weekends of March 10-13, 17-20 and 24-27, according to PennDot. Detours will begin at 10 p.m. Friday and continue through 5 a.m. Monday. The posted detour route follows Penn Street, Central Manor Road and Letort Road. The work is part of a \$3 million project to repave and repair River Road between Letort Road and Penn Street, which is expected to be completed June 30. Pennsy Supply Inc. of Harrisburg is the contractor for the project. LancasterOnline.com

**Local News 12 second segments** March 2 at 1635 and 1835 A stretch of State Route 322 is closed in Dauphin County after a water main break. Governor Road is closed between Elm Avenue and Cocoa Avenue. Officials say both lanes are closed, and all traffic will be re-routed. Repairs may take up to 24-48 hours. Traffic will most likely be detoured for the next couple of days. LOCAL21NEWS.COM.

**Local News 19 second segments** March 16 at 1535 and 1735 A series of weekend closures for a road in Manor Township, Lancaster County have been scheduled for a three-mile resurfacing project on River Road. PennDOT tells LNP, weather permitting, the first closure will be from 7:00 Friday night, March 24th, through 5:00 p.m. Monday, March 27th, and will continue during the same hours the weekends of March 31-April 3, and April 14-17. There will be no closure the Easter weekend. A

detour will be in place using Penn Street, Central Manor & Letort Roads. ABC27.COM.

## **B. Dietary Health & Concerns**

January 5 at 12:22 pm the 1 minute **Youth Culture Today** program addressed how nighttime eating can affect teens. CPYU.org

**Family Health Check Up** one minute program at 12:05 on January 6 talked about knowing the difference between late night hunger and what could actually be dehydration, stress or boredom. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

**Family Health Check Up** one minute program at 12:05 on January 10 addressed getting the necessary vitamins our bodies need. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

31 second **Local news** on January 17 at 1635 and 1835 and January 18 at 605 reported Pennsylvania is adopting new regulations regarding drinking water and harmful PFAS chemicals. PFAS are manmade chemicals used since the 1940s to make non-stick cookware. PFAS have been linked to health complications. The new regulations will set a maximum level for two forms of the chemicals in drinking water. ABC27.COM

35 second **News** reports on January 19 at 1635, 1835 and January 20 at 605 shared that Penn State Extension is launching a weight management webinar in time to help support those New Year's resolutions. That virtual webinar is January 24th at 1. The webinar is part of the "Let's Cook at Home" series of cooking classes, and will go over how to make healthy meals to help manage weight. To register visit the Penn State Extension

website, [extension.psu.edu/lets-cook](http://extension.psu.edu/lets-cook).  
[LANCASTERONLINE.COM](http://LANCASTERONLINE.COM)

33 second **Local news** stories on January 30 at 1535 and 1735 Pennsylvania Department of Human Services officials are reminding you of upcoming changes to the Supplemental Nutrition Assistance Program benefits. ABC27 reports, starting in March, SNAP recipient households will no longer receive the Emergency Allotment addition payment created during the COVID-19 health emergency and will resume receiving one SNAP payment at a time. This change will occur for all SNAP recipients. Household will receive letter in the mail regarding the changes. [ABC27.COM](http://ABC27.COM)

The **Family Health Check Up** 1 minute program on February 10 at 12:05 hosted by Doug Chamberlain discussed Food as fuel for the body. He suggested some foods to potentially eliminate from your diet. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

### **C. Physical Fitness**

On February 6 during the 1 minute program at 12:06, Doug Chamberlain from the **Family Health Check Up** reminded listeners that it's never too late to start exercising and get active. Benefits include reducing the risk of cardiovascular disease and reversing cardiac damage. [familyhealthcheckup.org](http://familyhealthcheckup.org)

February 23 **news** segments at 1535 and 1735: Youth sports across the Commonwealth could see new safety measures to protect heart health. Legislation was introduced requiring all coaches and supervisors of after-school activities to become CPR certified and learn how to use an AED. More at [FOX43.COM](http://FOX43.COM).

## **D. Avian Flu and Poultry Monitoring**

43 second **news segments** on January 5 at 1635 and 1835 shared that The Game Commission is asking Pennsylvanians to report any sightings of turkey flocks from now until March 15. The sightings are part of ongoing population monitoring as well as a large-scale turkey study. The organization will trap the turkeys in order to place leg bands before releasing them. The birds will not be moved from where they are found. Hunters who harvest one of those turkeys, or people who find one dead, are asked to report the band number by either calling the toll-free number or emailing the Game Commission using the email address on the band. FOX43.COM.

A 35 second local **news** segment on January 12 at 635 and 805 reported that Pennsylvania's state veterinarian is recommending that all poultry be maintained indoors to help prevent the spread of the avian flu. Dr. Kevin Brightbill said poultry producers are encouraged to implement strict biosecurity practices and monitor bird health. Any unexplained mortality and morbidity should be reported to the Department of Agriculture. Wgal.com

On January 12; 30 second local **news** at 705, 835 and noon shared that there have been no new cases of avian flu in Pennsylvania since an outbreak in Lancaster County in October. However, the Pennsylvania Farm Bureau says the threat is still real. Poultry is absent to the farm show this year, although there have been no active cases of the avian flu, precaution is being taken. The Department of Agriculture released a recommendation to keep flocks inside. Over 52 million birds have been affected by avian flu in 47 states, including Pennsylvania. wgal.com

30 second Local **news** on February 14 at 605, 705, 805, 1535 and 1735 reported that avian influenza has infected a twenty thousand bird farm in Clay Township, Lancaster County,

according to the USDA. The organic pullet farm is Pennsylvania's fourth domestic poultry premises to have the disease this year. The flock of young hens is very close to a Clay Township duck farm that tested positive Feb. 1. The other infected sites are a duck farm in East Earl Township, Lancaster County, and a small hobby flock near Allegheny County. For a summary of ways to protect birds, symptoms of avian influenza, and numbers to call, see [lancasterfarming.com](http://lancasterfarming.com)

Local **news** on 2/22/23 at 1535, 1735 and 2/23/23 at 605, 735 and 835 A chicken farm in Strasburg, Pennsylvania, has tested positive for avian influenza. The farm with 97,700 broilers is the fourth site in Lancaster County to be infected with the virulent disease this year, according to USDA and the state Ag Department. It is the largest farm to get avian influenza since last May. The other three sites currently quarantined are in northern Lancaster County, meaning most of the county is now under some sort of zone for avian influenza. Lancasteronline reports that Lancaster County is the nation's fourth-largest poultry producer, generating more than \$580 million a year, according to USDA.

Local News 3/17/23 635 805 Pennsylvania has established new guidelines to help stop the spread of avian flu. So far this week, Lancaster County producers lost nearly 19,000 birds to avian flu. The hope is these guidelines will prevent the state from losing additional birds and millions of dollars in the poultry industry. This week, the state established a quarantine order covering a large portion of eastern Lancaster County and western Chester County. Wgal.com has the story

## **E. Seasonal Health Concerns**

On the one minute **Family Health Check Up** program on January 4 at 12:05, Doug Chamberlain talked about how changes in routine from holiday season can interrupt sleep habits. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

The January 5 -1 minute **Family Health Check Up** program talked about Winter fitness - Exercising in cold weather has health benefits like strengthening your heart, burning calories faster and boosting Vitamin D levels. Doug Chamberlain gave tips for outdoor activities [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

The **Family Health Check Up** one minute program at 12:05 on January 9th addressed Seasonal Affective Disorder (SAD). [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

The **Family Health Check Up** at 12:05 on January 11 talked about ways to boost the immune system this winter. [FamilyHealthCheckup.org](http://FamilyHealthCheckup.org)

**Family Health Check Up** one minute program at 12:05 on January 12 gave tips to slow down during the winter rest and reboot while our body is in a different rhythm. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

Local **news** 39 second segments on January 13 at 1535 and 1735 shared Code Blue alerts are up for Lancaster County this weekend. According to LNP, Code Blue alerts are generated when temps are expected to be 20 degrees or lower, wind chill temperatures zero degrees or less for two hours or more, or for snowstorms and major sleet or freezing rain events. People experiencing homelessness, or who are about to become homeless are urged to call 211. The Lancaster County Emergency Management Agency issues Code Blue alerts on behalf of the Lancaster County Housing Authority and the

Lancaster County Homeless Coalition.  
LANCASTERONLINE.COM.

January 23 one minute **Family Health Check Up** at 12:05 addressed concerns when temperatures are sub zero and frost bite is possible and how to respond. [FamilyHealthCheckUP.org](http://FamilyHealthCheckUP.org)

January 24 **Family Health Check Up** one minute program at 12:05 addressed dry skin in winter due to colder temps and remedies for that. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

On February 7 the Family Health Check Up at 12:05 talked about how Allergies/irritants in the home can affect allergies year round even in winter. Doug Chamberlain gave tips to prevent allergies and their symptoms. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

The February 13 - **Family Health Check Up** program at 12:05, Doug Chamberlain talked about Healthy habits to help reach Health Resolutions. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

On February 14 the 12:06 **Family Health Check Up** Doug Chamberlain shared about More Health Habits to help reach wellness goals [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

February 15 30 second **news** segments at 1635 and 1835 and Feb 16 at 635 and 805 announced that It's Heart Month and the American Red Cross needs more people to make and keep appointments to give blood or platelets in February. All who come to give this month will get a \$10 Amazon.com Gift Card by email, thanks to Amazon. Details at [RedCrossBlood.org/heart](http://RedCrossBlood.org/heart). Donors of all blood types – particularly type O blood donors, and platelet donors are needed. To donate visit [RedCrossBlood.org](http://RedCrossBlood.org), use the Red Cross Blood Donor App, or call 1-800-RED CROSS

The February 17th the one minute **Family Health Check Up** program at 12:05 talked about Seasonal Allergies and Air Quality: [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

**Local News** 15 second segments February 23 1635 1835 Feb 24 635 735 835 noon And doctors say they are expecting allergies to make an early return this year. This happens when mild temperatures cause plants and flowers to begin pollination. Finding over-the-counter treatment may be difficult due to supply chain issues. Doctors recommend buying just a generic anti-histamine. Traditionally spring allergies kick in, in late March and April when plants start blooming.

**Local News** 12 second segments 2/27/23 1635 1835 2/28 805 The FDA has approved the first combination test for flu and COVID-19 that can be used at home, giving consumers an easy way to determine if a runny nose is caused by either disease. The Home test can be purchased without a prescription and delivers results in about 30 minutes. This is the first home test for influenza A and B. More info at [PENNLIVE.COM](http://PENNLIVE.COM).

**Local News** 20 second segments 3/16/23 1635 1835 The seasons are changing, but the need for blood donors is constant. The American Red Cross is urging people to give blood or platelets this month to help avoid a spring blood shortage. Donors of all blood types, especially type O donors and platelet donors, are encouraged to make and keep appointments to donate. Book a time to give by visiting [RedCrossBlood.org](http://RedCrossBlood.org), downloading the Red Cross Blood Donor App, or calling 1-800-RED CROSS. And the Red Cross is offering gift card incentives to all who give by the end of the month. Learn more at [rcblood.org/help](http://rcblood.org/help).

## **F. Scams**

23 second **Local news** reports on January 6 at 735, noon, 1635 and 1835 alerted that If you receive a call from the Northern Lancaster County Regional Police Department's agency number, be cautious. They are warning the community of a scammer that has spoofed the agency phone number from the police department. If you receive a call from 717-733-0965 the dept is asking that you call their office. ABC27.com.

On January 18, 37 second **local news** reports at 1635 and 1835 shared that NEWS8 is warning you that scammers are using an email to target your computer and money. It's a paid invoice emailed to you and looks like it's from 'Geek Squad' for a 'protection total plus secure plan.' The invoice is not from the 'Geek Squad' but from a scammer. They want you to think you've paid for something that you didn't want. When you call to cancel, that is where the scam begins. The scammer wants to access your bank account to issue a refund, and that is the path to both your computer and your money. Never allow someone you don't know, to gain access to your computer. WGAL.COM

January 12, 41 second **local news** at 705 announced that Multiple residents in Upper Allen Township, Cumberland County received phone calls that turned out to be part of a scam. According to police, several people received phone calls from someone claiming to be with the United States Border Patrol working with the Upper Allen Township Police Department. The scam attempted to solicit personal or financial information. The police want to remind residents to never provide personal or financial information to any unsolicited caller. A government agency will never call demanding money or payment through gift cards. Police say if you receive a call similar to the one described above, immediately hang up. You are also urged to report the incident by calling 717-795-2445 and pressing option one to speak to an on-duty officer. abc27.com

January 27, 20 second **local news** at 635, 705, 805, and noon reported A skimming device was discovered on an ATM in York County. Northern York County Regional police say the ATM is located inside the Sheetz on Arsenal Road in Manchester Township. If you used this ATM, police advise you to check your cards and your statements often. If you see fraud, contact your bank and call police. WGAL.com.

**Local News** 3/10/23 635 805 noon Police in Lancaster County are warning residents to be wary of phone scammers after an elderly Penn Township resident nearly lost more than \$50,000 earlier this week. According to Northern Lancaster County Regional Police, the victim suffers from dementia and is a resident at a senior housing facility in Penn Township. His daughter contacted police after learning of the scammer's attempt to defraud him out of more than \$50,000. FOX43.com has the story

## **G. Human Trafficking**

On January 10 during our **morning show**, Hope Inspire Love joined us on the air for breaks at 705 lasting 3min 44 and 7:20 for 6 minutes 20 seconds. Amy Thurston, co founder and CEO, shared about their mission to empower trafficking survivors to flourish and thrive and also bring awareness leading to prevention. She shared that they were going to be talking to middle school and high school students in schools and churches to bring awareness. She also shared about a seminar happening March 11 at Victory Church. It's open to public and will be giving tips on how to keep kid safe from online traffickers and how pornography is fueling the industry. HopelnspireLove.org

Local **news** on January 11 reports lasting 39 second segments at 635, 735 and 835 According to AOPC, Lancaster led the state in the number of human trafficking offenses filed from January 2017 through December 2021. Lancaster reports the filing of 259 offenses, or about 24% of the statewide total. Lancaster #1, #3 Dauphin and York comes in at #10. Since 2007, the National Human Trafficking Hotline received over 7,700 reports in Pennsylvania alone. This day is specifically dedicated to awareness and prevention of the illegal practice. Dailylocal.com and abc27.com.

The one minute **Youth Culture Today** program with Walt Mueller on January 17 at 12:22 addressed how the pornography industry fuels sex trafficking. CPYU.org

January 20 - 32 second **local news** at 635, 805 and noon The conversation around human trafficking continued yesterday in Camp Hill, Cumberland County. The event was hosted by Greenlight Operations, which is based in Cumberland County. By hosting meetings like this one, organizers explain where and how trafficking occurs, and why Pennsylvania is a hot spot. A spokesperson says you can reach 70 percent of North America within a day's drive of Pennsylvania and because of that traffickers look for places where there's easy access and distribution. WGAL.COM.

**Local News** 3/1 18 seconds news segments at 705 and 835 - The Cumberland County District Attorney's Office conducted a Human Trafficking Enforcement operation in Cumberland County. This is the third time in the past nine months that an enforcement has been conducted. Eight men from around south-central Pennsylvania are now in custody after an undercover police officer arrested them in a Wormleysburg Borough hotel. The arrests are part of an ongoing initiative to reduce the demand for

human trafficking. To date, the operation has resulted in the arrest of twenty-five people. FOX43.com has the story.

## **H. Meeting Special Needs**

January 2 - 24 second **local news** at 635, 1535, 1835 and January 3 at 635,735, 835 and noon: American Red Cross says blood donors are still needed at this time of year. Three health care organizations have scheduled blood drives around Lancaster County for the first month of 2023. To see a list of the places and times when you can donate blood through the end of month visit [Lancasteronline.com](http://Lancasteronline.com).

On January 13 - 29 second **Local news** at 605,1635 and 1835 A new Harrisburg nonprofit is providing low-cost car maintenance, & repairs to those in need. According to Pennlive, Good Karma Garage started their nonprofit in 2021 out of a residential garage and today moved to a commercial facility in Harrisburg. The nonprofit held a ribbon cutting ceremony early today at 610 Division Street. The business aims to help those struggling financially in the area with car maintenance, services, and inspections at little to no cost. [PENNLIVE.COM](http://PENNLIVE.COM)

January 13 - 33 second **news** segments at 705 and 805 shared that Millersville University and Thaddeus Stevens College of Technology are combating student hunger with the help of \$60,000 from the state. The grants were created to build a coalition of colleges and universities focused on addressing hunger and other basic needs for their students. MU students can access the free Share Meals app to geolocate free meals at the university. The school also has a food pantry for students. Thaddeus Stevens will use its grant to establish an on-campus food pantry that is accessible to all students in need. [Lancasteronline.com](http://Lancasteronline.com).

On January 19 Night to Shine was our **morning show guest** sharing about the event happening on Friday February 10. Joell Ketcham, Coordinator shared during our 705 break for 7 minutes and the 722 break for 4 minutes 6 seconds. Night to Shine is a Prom experience for teens and adults with special needs. It's held at Spooky Nook Sports. They've been doing this for 7 years. Night to Shine happens all over the world on the same night... around 560 events in all 50 states. Guests are assigned a buddy for the night to help experience all of the fun. There is a sit down meal, ice cream, corn hole, a photo booth, karaoke, DJ'd dance, limo rides, red carpet, crowns, pictures, a goodie bag, a salon with stylists, sensory room, respite lounge for parents and care givers and raffle with gifts for parents. This is a free event. It's sponsored in part by Tim Tebow Foundation, many community partners and volunteers are involved to make it happen. It's attended by over 400 guests with special needs. For information about Waiting List, Volunteering, or to donate financially, or provide gift baskets/gift certificate and give away donations [lcbcchurch.com/nighttoshine](http://lcbcchurch.com/nighttoshine)

January 20 the 12:05 one minute **Family Health Check Up program** addressed tips for giving blood from the American Red Cross. [FamilyHealthCheckUp.org](http://FamilyHealthCheckUp.org)

On January 31, 32 second **local news** segments at 635, 805, 1635 and 1835 shared that The Catholic Harvest Food Pantry introduced its new mobile food pantry yesterday. The new unit will be used as a traveling food pantry for the organization to help reach more areas of south central Pennsylvania. A ribbon-cutting ceremony took place in York to celebrate. Fox43 reports the pantry will collect non-perishable food items along with healthcare products such as toothpaste and diapers. The pantry plans to officially open on Feb. 23. The organization is still looking for volunteers. To find out more about the program and how to help, visit [catholic harvest.org](http://catholic harvest.org)

On January 31, 53 second **local news** at 705 and 835 reported If there's a house fire, we all hope that we'll hear the smoke alarms, whether we're awake or asleep. But for someone who's deaf or hard of hearing, that's not possible. The Carlisle Sertoma Club thinks it's found a solution, It's called Lifetone Technology. The device, syncs with your home's smoke alarm. If the alarm goes off, it does too. The connected vibrating piece is designed to be placed under a pillow or bedsheet. "That vibrates with great intensity and it will wake you up," said president Roger Spitz. Thanks to fundraising efforts, the Sertoma Club is now giving these devices out to the community, free of charge. It goes along with their national mission, which is to improve the quality of life today for those at risk or impacted by hearing loss through education and support. All you have to do is prove that someone in your household has been certified as deaf or hard of hearing. To learn more, you can contact any Carlisle Sertoma Club member or call the organization at (717) 319-5153. [fox43.com](http://fox43.com)

On February 9 Wonders Within Reach was the **guest on the morning show** during breaks at 705 lasting 3 minutes and 720 for 3 minutes 30 seconds Jenn Allen founder and editor, a travel blog for families with disabilities. The organization exists to inspire and enable families with different needs to be able to get out and travel, also raising awareness/advocate showing that people with disabilities can be out in the world trying new things with their families. Inspired by journey after son was diagnosed with Spina Bifida. Sharing journey to help other families get out and try new things as a family (aka getting out onto an accessible beach). Also share about obstacles and ways to get around them. [WondersWithinReach.com](http://WondersWithinReach.com) or on Instagram

On February 14th, Salvation Army Lancaster was our guest during two breaks on the **morning show**: 704 for 2 min 6

seconds and 7:19 for 2 min 39 seconds Major Thomas Heinzman joined us on the air to give updates on what is happening with Salvation Army Lancaster. They have served over 1000 more families than anticipated this year. Hit goal providing everything needed for families that came for help. They have many programs that run throughout the entire year, over 1200 coats for kids given out this year, they provide utility and rent assistance, have mass food distributions every Friday, they are feeding 4 boarding homes each week, they have programs for kids learning instruments and more. Their scholarship program begins tomorrow, Can go to their facebook page to Scan QR code that will take them to application process. 15 students from Lancaster County will receive \$2000 or more toward their first year of college. They will have an awards banquet in April 27th at Eden Resort where scholarships are given out. Look for SalvationArmyLancaster on Facebook

February 8 We shared a **liner** for several days pointing to a blog post at our website with opportunities to provide aid to those affected by the earthquakes in Syria and Turkey.

**Local News** 31 second segments on February 20, 805 noon Penn State's THON has raised yet another jaw-dropping amount of money for pediatric cancer research and to support children and families affected by childhood cancer. This year's total was \$15,006,132.46. The final amount was revealed after a 46-hour dance marathon at PSU's Bryce Jordan Center in University Park. This was the 51st year for THON. Since it started, it has

raised more than \$200 million for the Four Diamonds Fund at Penn State Health Children's Hospital. THON's mission is to provide emotional and financial support, spread awareness and ensure funding for critical research in pursuit of a cure. The organization is the largest student-run philanthropy in the world, measured in revenue and volunteer participation. Each year, more than 16,500 student volunteers participate in fundraising efforts. Read more at [wgal.com](http://wgal.com)

February 20 23 second **Local News** at 1535 and 1835 Registration is open for the 2023 Pick Up Pennsylvania improvement initiative sponsored by Keep Pennsylvania Beautiful. While it's a year long initiative, events scheduled from March through May will be eligible, while supplies last, to receive free trash bags, gloves and safety vests provided by support from the PA Dept of Environmental Protection, PennDot and Keep America Beautiful. You must register your clean up event at [KeepPaBeautiful.org](http://KeepPaBeautiful.org) to receive those free cleanup supplies. Trash disposal for registered program participants will be free of charge at participating landfills in the month of April. More at [TownLively.com](http://TownLively.com) in their Greater Hershey edition or [KeepPABeautiful.org](http://KeepPABeautiful.org) choosing Pick Up PA under the Programs tab.

February 23 16 second **local news** at 1635 and 1835 and Feb 24 at 635, 735 and 835 Pennsylvania officials held a news conference today about a big change coming to PA, impacting nearly 2 million Pennsylvanians. NEWS8 reports, the Supplemental Nutrition Assistance Program (formerly known as the Food Stamp Program) will stop distributing extra payments, starting in March. The SNAP Emergency Allotments have been provided during the second half of each month since the COVID-19 pandemic started in 2020. Get the details at [WGAL.COM](http://WGAL.COM).

2/28 18 second **local news** segments at 635, 735, 805 and noon Construction is slated to break ground this spring in Harrisburg to build 15 transitional "tiny homes" and a community center for veterans. The project is part of a \$500,000 donation from the UPMC Pinnacle Foundation given to Harrisburg-based Veterans Outreach of Pennsylvania. Veterans will be able to receive health and wellness services, job training and meals at the community center to help them reach long-term stability. The future tiny home village will be located south of PennDOT's Riverfront Office Center. [Local21News.com](http://Local21News.com)

3/6/23 15 second **local News segment** Students at Harrisburg Academy in Lemoyne collected nearly 3,000 diapers in the past month. First and fourth-grade students spearheaded the drive. The diapers are going to the “Healthy Steps Diaper Bank” in Mechanicsburg where families in need can pick them up for free. The diaper bank says one in three Midstate families struggle to afford enough diapers for their children. ABC [27.com](http://27.com)

January 31 26 second **local news** at 735,1535 and 1735 The United Way of Lancaster County offers free tax-return preparation services through the nationwide Volunteer Income Tax Assistance program. Sponsored by the Internal Revenue Service, VITA prepares at no charge the federal, state and local income-tax returns of households (including individual filers) earning \$60,000 in gross income a year or less. The local United Way has offered the VITA program since 2007. The deadline for filing a federal tax return is April 18. For VITA assistance, call 211 or visit [FreeTaxPrepLancaster.org](http://FreeTaxPrepLancaster.org). VITA operates Monday through Saturday; evening hours are available. Hours vary by location. **Local News** 19 second segments on February 14 at 635, 735, 835 and noon and Feb 28 at 635, 805 and noon A new initiative by York city police hopes to help save lives. It was inspired by Damar Hamlin's rescue on the football field. The York Police Department is enrolling people in a one-day free training program for learning emergency rescue techniques. People who take the course will be certified in first aid, CPR and automated external defibrillator use. There are 30 slots in the training program for ages 14 and up. You can register for the Heroes for Hearts" Program by emailing [jhuncher@yorkcity.org](mailto:jhuncher@yorkcity.org) or by contacting York police headquarters.

## **I. Theft and Vandalism**

**Local news** 25 second segments on January 19 at 705 and noon reported that Police are investigating a vandalism case at Lititz Springs Park in Lancaster County.

It occurred sometime Sunday night or early Monday morning, according to Lititz Borough Police. A suspect or group of suspects spray-painted graffiti on portions of the band shell and other property inside the park, located on the first block of North Broad Street. Anyone with information on the incident is encouraged to call Lititz Police at 717-626-6393. [fox43.com](http://fox43.com)

January 19 - 30 second **local news** at 1635 and 1835 reported The York County Regional Police Department is asking for the public's help identifying an alleged porch pirate. Police say that the woman made an Instacart delivery on January 16 around 4:55 p.m. in York County. After the delivery was made, she allegedly stepped onto a neighbor's porch and stole a package

before leaving the area with the package in her vehicle. Everything was caught on video. If you recognize the suspect, or her car, please contact York County Regional Police. FOX43.COM.

38 second **Local news** on January 20 at 1535 and 1735 announced that Officers are searching for a pair of thieves who faked a heart attack to steal two televisions from the BJ's in Lower Allen Township. Police tell CBS21, the theft happened the night of January 15 around 6. Officials say one of the men faked a heart attack at the checkout line while the other pushed two TV's out of the store. Police believe both men escaped in a pick-up truck. Anyone with information on the crime, please contact the Lower Allen Township Police Department. LOCAL21NEWS.COM has the surveillance images and more information.

**Local news** on January 20 in 40 second segments at 1635 and 1835 we shared that U.S. wireless carrier T-Mobile announced today that an unidentified malicious intruder breached its network in late November and stole data on 37 million customers, including addresses, phone numbers and dates of birth. T-Mobile officials say the breach was discovered January 5. The company says the data exposed to theft — based on its investigation to date — did not include passwords or PINs, bank account or credit card information, Social Security numbers or other government IDs. T-Mobile officials say the investigation is ongoing, but the malicious activity appears to be fully contained at this time.

January 23 - 30 second **local news** segments at 605 and 835- Upper Allen Police say that two separate victims reported their vehicles had been entered and items were stolen from inside. According to police, the vehicles were in the parking lot across from the Upper Allen Township Dog Park on Gettysburg Pike.

Investigators believe the thefts occurred between 5 p.m. and 5:25 p.m. Friday, January 20. Police say one vehicle had the rear passenger window smashed, in order for the thief to gain access to a purse. Another purse was stolen from an unlocked vehicle. Anyone with information regarding this incident is asked to call police. Wgal.com

February 13- 25 second **local news** segments at 705 and 835  
Police are looking for a female suspect after a robbery at a Harrisburg Turkey Hill. The incident happened yesterday around 5:35 a.m. at the Turkey Hill at 4850 Union Deposit Rd. The suspect had already fled the store when officers arrived. It is unknown if she had a weapon with her. Anyone with any information is asked to call the Lower Paxton Township Bureau of Police at (717) 558 6900. WGAL has more information

## **J. Unclaimed Property**

2/27/23 **local news** report at 635 February is Unclaimed Property Month – and Pennsylvania Treasurer Stacy Garrity says her office is looking for the rightful owners of more than \$4 billion. Where does it all come from? Treasurer Garrity says there are a lot of sources.

[audio clip #1]

Checking to see if you have any unclaimed property is quick and simple, according to Treasurer Garrity. And if it turns out that you have a simple claim, you could get your money very quickly.

[audio clip #4]

One in 10 Pennsylvanians has unclaimed property, and the average claim is right around \$1,600. Treasurer Garrity says more than \$62 million is waiting for residents of Lancaster County alone. That website again is [ptreasury.gov/unclaimedproperty](http://ptreasury.gov/unclaimedproperty).

2/27/23 **local news** at 735, 1735 and 2/28 at 605 More than 1 million Pennsylvania residents have money just waiting to be claimed, according to Pennsylvania Treasurer Stacy Garrity. It's called unclaimed property, and Pennsylvania has more than \$4 billion worth. February is Unclaimed Property Month, and Treasurer Garrity says it comes to the Treasury from a variety of sources.

[audio clip #2]

Although most unclaimed property is money, Treasurer Garrity says that she especially loves working to return the hundreds of military medals that Treasury has received, mostly from abandoned safe deposit boxes.

[audio clip #7]

If you want to look and see if any unclaimed property is for you, visit [patreasury.gov/unclaimedproperty](https://patreasury.gov/unclaimedproperty).

**Local News** on 2/27/23 at 835 and 2/28 at 705, 1635 and 1735: In the basement of the Finance Building in Harrisburg, across the street from the state Capitol... That's where you'll find the Pennsylvania Treasury Department's vault. Treasurer Stacy Garrity says that if you see it, you'll be impressed.

[audio clip #5]

The vault is used to store unclaimed property – and some of that might belong to you. February is Unclaimed Property Month, and Treasurer Garrity is encouraging everyone to visit [patreasury.gov/unclaimedproperty](https://patreasury.gov/unclaimedproperty) to see if they have any money waiting to be claimed.

[audio clip #3]

That website again is [patreasury.gov/unclaimedproperty](http://patreasury.gov/unclaimedproperty).
