Topic: The Coronavirus pandemic has resulted in stay at home orders across the country and unfortunately these orders that are meant to keep us all safe from a deadly virus have also created a perfect powder keg situation for people who are living in homes with an abuser. Paige Fllink the CEO of The Family Place the leader in family violence prevention in North Texas joined me to talk about how the coronavirus pandemic and stay at home orders have led to an increase in the number of victims of abuse at area hospitals. Family violence and child abuse calls may be decreasing because there is no safe way to reach out to authorities but hospital visits are on the rise which means the victims of abuse are at more risk during stay at home orders and we want to make sure that we are providing information to those who need it.

We talked about food insecurity and how schools have become not only places of education but also places that help families with their child care needs and with feeding their children and how school districts mobilized to make sure that families were getting school breakfast and lunch during the stay at home orders. He talked about what school in the fall would look like and how districts around the metroplex are looking at a combination of onsite and online learning and how districts are planning to keep students and faculty safe. We talked about the summer brain drain and how the stay at home orders have actually led to an increase in the brain drain because it is difficult for teachers to stay on top of where their students are academically.

June 7, 2020

Aired 10am to 10:30am

30 minute program

Issue Covered: Racial Justice and Police Brutality

Guest: Jerry Hawkins the Executive Director of Dallas Truth, Racial Healing and Transformation

Topic: Over the last several weeks there have been protests around the country with people taking to the streets to let their voices be heard over police brutality and racial injustice as a result of the Memorial Day murder of George Floyd at the hands of police in Minneapolis. Jerry Hawkins joined me to have a conversation about racism in America and to talk about the work that Dallas Truth, Racial Healing and Transformation does in our area as an anti-racist nonprofit in North Texas. We talked about what people of color are feeling at this time and how the coronavirus pandemic and its economic impact made the situation a perfect storm for tensions to come to a head and for people to take to the streets to call for justice for George Floyd and for all people of color who have been killed by police for seemingly inconsequential crimes. We talked about defunding police and bridging the gap between police and the communities they serve and how the nonprofit works with city leaders, state leaders, faith leaders and community activists to find a way forward to a more perfect union where racism is faced head on.

June 14, 2020

Aired 8am to 8:30am and 10:30am to 11am

30 minute program

Issues Covered: Home Ownership, Housing, Economic Issues.

Guest: Tosha Herron Bruff the Vice President of Government Relations for Dallas Area Habitat for Humanity.

Topic: The month of June is National Homeownership Month. It is a time to reflect on the impact that home ownership has on a family, a neighborhood and on the economy as a whole but for many the dream of homeownership seems beyond their reach and that is where nonprofits like Habitat for Humanity can help. Habitat for Humanity works with families to find a path to home ownership with the clients of Habitat putting in their own sweat equity to get in to a home but also they need to prove that they have good credit and that they make enough to sustain a home. Habitat has education classes for families even those who don't qualify to get a home can learn how to take steps to get in to a home and how to maintain a home and during Covid 19 the classes have gone virtual and coming up on Saturday, June 27th Habitat will have a virtual Home Ownership Meeting for anyone in the metroplex looking to purchase a home. We also talked about the advocacy that Habitat does with lawmakers at the state level and the national level to make sure that there is affordable housing in cities and how the issue of affordable housing impacts the economy with many companies deciding not to move to an area if there isn't enough affordable housing for their workforce.

Aired 8am to 8:30am and 10:30am to 11am

30 minute program

Issues Covered: Support for Law Enforcement

Guest: Sgt. Mike Mata the President of the Dallas Police Association

Topic: It is the Sunday before the 4th of July and as we all get ready to celebrate our nation's independence we also need to reflect on the freedoms we enjoy thanks to the sacrifices that our military and their families have made but we are also faced with a new reality in the age of Covid 19 and in the age of racial injustice protests that have been taking place over the past month around the country. Sgt. Mata joined me to talk about the measures that police are taking to make sure that they are doing their part to end police brutality and the work that they are doing to make sure that communities are safe. We talked about the grievances that people have with police and we talked about the ways that police are bridging the gap. We also talked about policing in the age of phone video and the defund police movement which he says police are for if it means that they will not have to deal with social issues like mental health crisis calls or calls to deal with a child who isn't doing their homework. He talked about how police are being asked to do to much instead of protecting the community and law enforcement. We talked about working with social service agencies but the cost and how communities need to do their part as well.

### KFXR Appearances and events for Non Profits

KFXR's Russ Martin Show hosts the non profit Paws in the City, an agency that aims to end the overpopulation, abuse, neglect of North Texas dogs and cats, every Friday for a segment that encourages animal adoptions.

As a result of the Coronavirus Pandemic I Heart Media stations suspended all in person appearances and events were canceled but we took to the airwaves and to our websites to let listeners know they were not alone and we shared information about resources available to them through United Way and through Communities Foundation of Texas as well as the North Texas Food Bank and the Tarrant Area Food Bank.

April 2- May 25 KFXR has shown support for the Healthcare Heroes in the community fighting on the frontlines of COVID-19 by recognizing them on-air by name, title and place of work. KFXR recognized a healthcare hero per jock shift. 5 shifts per day.

April 2- May 25 KFXR has shown support for the local businesses in the community that are still open or considered essential during the pandemic. KFXR did so by recognizing local business on-air by name and location. KFXR recognized local businesses in every day part every day.

April 20-May 31 KFXRsupported the North Texas Food Bank with a virtual food drive. The North Texas Food Bank has seen an increase in people seeking food banks for food during the pandemic. KFXR supported with recorded mentions, live mentions, homepage exposure, inclusion in e-blasts and on social media.

May 2<sup>nd</sup> KFXR supported the American Cancer Society Relay for Life. Relay For Life, the American Cancer Society's signature event, celebrates cancer survivors. Traditionally the family-friendly events were held on outdoor tracks with teams walking to support cancer research and programs. The American Cancer Society's free helpline received some 25,000 calls last month, with 80 percent of them related to cancer patients' needs related to Covid-19. KFXR was able to support the event with inclusion on our community events calendar to raise awareness of the cause and help generate donations for the virtual campaign.

May 2<sup>nd</sup> KFXR supported Staff Meals meal distribution campaign. Staff Meals is a non-profit that provides 2,400 free chef-crafted meals per weekend to hospitality industry members in-need. KEGL was able to support the event with inclusion on our community events calendar and on social media to help raise awareness about this campaign.

May 18<sup>th</sup> KFXRsupported Meals From AJ, a project from the Grand Prairie Police Department that passed out meals to those in need on behalf of fallen office AJ Castaneda.

May 22-May 24 KFXR supported Carter Blood Care with their blood drive held at the Galleria Dallas. KFXR supported the blood drive with recorded mentions, live mentions, inclusion in e-blast and social media posts.
