QUARTERLY ISSUES LIST

3. Needs of the Women's Crises Center

ISSUE – Needs at the Women's Crises Center

DATE – April, May and June 2019

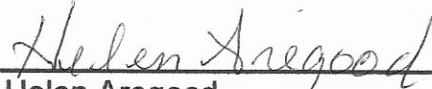

TIME - 24 Hour PSA Rotation

PROGRAM – PSA

LENGTH – 30 Second

The Women's Crises Center of South Arkansas is located and operated in the City of Camden. The Center services 4 South Arkansas Counties. The need for the Center is great in South Arkansas. There is a serious issue with Domestic Violence in South Arkansas. Many times women and children come to the Center with only the clothes on their back and can't contribute anything. The Women's Crises Center of South Arkansas runs on a shoestring budget. The Director sent the station a wish list of things the Center was in need of, things like basic toiletries, paper towels, trash bags, diapers, etc. The station ran a PSA on this and helped get the Center stocked back up on these very basic needs. When we run a PSA of this sort, the community steps up and helps get the Center stocked up.

PSA's included Times and Dates of City Council, Quorum Court and OPED Meetings, Area Church Activities and Civic Club Activities and meetings.
