PRESS RELEASE

City of Opa-locka's Commissioner Chris Davis and Crabman 305 to Host Youth Awareness March and Rally

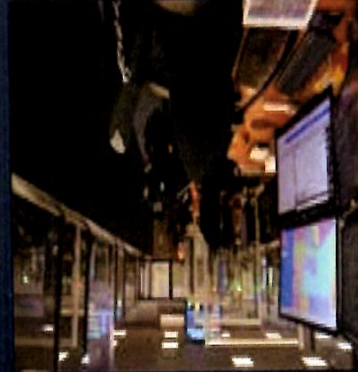

(OPA-LOCKA, FL. — July 2, 2021) — City of Opa-locka's Commissioner Chris Davis and Crabman 305 will host a Youth Awareness March and Rally. The event will take place Saturday, July 17, 2021, from 10 pm to 4 pm at Sherbondy park, 380 Bahman Avenue, Opa-locka 33054.

The Youth Awareness March and Rally will feature a peace walk, rally, music, live performances, bounce house, and fun activities for the entire community.

"We want to invite our entire community to the Youth Awareness March and Rally for a day full of food, fun, and interaction among community members and their public safety personnel, including police officers and firefighters," said Commissioner Davis. "In an effort to end gun violence, our goal is to raise awareness for the community that we shouldn't tolerate violence occurring throughout our neighborhoods. Also, we want to encourage our community to fellowship and work with law enforcement if they see or hear something. With greater interaction between the community and public safety personnel, we could ultimately help curb widespread crime."

This event is a partnership with the support of Crabman 305, Amiyah Boutique, C&C Auto Service, Foxx Hole Car Wash, and Clownin Cutz Barbershop.

PLEASE GIVE ELDER MARIETTA FREEMAN A COURTESY CALL WHEN YOU ARE HIRED!

Supervisor of Elections Kicks Off Annual High School Voter Registration Drive

Broward County, FL (March 25, 2022) - The Supervisor of Elections' Office will kick off the annual Spring High School Voter Registration Drive (HSVR) April 1st – April 30th 2022. The drive is presented in partnership with Broward County Public Schools to educate and get students registered to vote. All public high schools in Broward County will have the opportunity to register eligible students to become registered voters.

During the month of April 2022, Broward County Election officials are scheduled to visit approximately 40 local Broward high schools. Election Officials will be on hand to assist the high school students and staff as they conduct their voter registration drive. The school with the most registered students will receive an award from the Supervisor of Elections.

Florida law permits eligible students who are 16 and 17 years of age to pre-register to vote. High School students who are 18 years old are eligible to register to vote if they are U.S. Citizens and have no felony convictions without their rights being restored.

Please help us get the word out, the goal is to register at least 8,000 students this school year!

For further information, please visit our social media @browardvotes, our website browardvotes.gov or you may contact: Ivan Castro, 954-654-1611, Dadly Filius 954-654-2407.
