Re: KWTF(FM), Bodega Bay, CA, Facility ID 175619, June 2020 EEO Audit

Dear Mr. Pulley,

This is to acknowledge receipt of the notification that KWTF Radio has been selected for an EEO audit. KWTF Radio currently has no paid staff, has been a 100% volunteer-run organization for several years, and therefore is not required to have an EEO recruitment program.

There are no pending or resolved complaints involving KWTF Radio.

On behalf of KWTF Radio, I certify to the best of my knowledge and belief that the statements above are accurate and complete.

I can be contacted at [billy@kwtf.net](mailto:billy@kwtf.net) with any questions in regard to this matter.

Sincerely,

William F. Hawes  
President, Board of Directors  
KWTF Radio
