 6:30 a.m.
 Sunday-Saturday
 Each 30 minutes

Ever wish you could pause life long enough to figure out the answers to all your problems? Alma can! Follow her adventures in *Alma's Way*, as she learns to think for herself—making mistakes and decisions and finding solutions along the way!

WILD KRATTS

10/01/2023-12/31/2023
 7:00 a.m.
 Sunday-Saturday
 Each 30 minutes

Wild Kratts joins the adventures of Chris and Martin Kratt as they encounter incredible wild animals, combining science education with fun and adventure as the duo travels to animal habitats around the globe. Each adventure explores an age-appropriate science concept central to an animal's life and showcases a never-before-seen wildlife moment, all wrapped up in engaging stories of adventure, mystery, rescue, and the Kratt brothers' brand of laugh-out-loud-comedy that kids love.

CURIOUS GEORGE

10/01/2023-12/31/2023
 7:30 a.m.
 Monday-Saturday
 Each 30 minutes

The literary adventures of Curious George have charmed generations of young children. Based on the best-selling books by Margret and H. A. Rey, the daily series expands George's world to include a host of colorful new characters and original locales. Each half-hour episode includes two animated stories, followed by short live-action pieces showing real kids who are investigating the ideas that George introduces in his stories. The series aims to inspire kids to explore science, math and engineering in the world around them.

DANIEL TIGER'S NEIGHBORHOOD

10/01/2023-12/31/2023
 8:00 a.m.
 Monday-Friday
 8:30 a.m.
 Saturday & Sunday
 Each 30 minutes

Daniel Tiger's Neighborhood is an animated series with live-action interstitials. Fred Rogers' original Neighborhood of Make Believe is recreated in vibrant color and texture; his signature puppet Daniel Striped Tiger is transformed into a curious and playful 4-year-old joined by his friends O the Owl, Prince Wednesday, Katerina Kittycat and Miss Elaina. The series curriculum is school-readiness and social-emotional learning, and each preschool themed episode offers a musical strategy for children and parents to use together.

ROSIE'S RULES

10/01/2023-12/31/2023

11:00 a.m.

Monday-Friday

Each 30 minutes

The animated show encourages children to follow their curiosity, ask questions, figure out the answers, and learn about the natural world around them using their science inquiry skills. Elinor, the most curious and observant bunny rabbit in Animal Town, plays with her friends and finds out how things in nature work while investigating and even applying these concepts to her way of life.

NATURE CAT

10/01/2023-12/31/2023

11:30 a.m.

Monday-Friday

Each 30 minutes

Nature Cat follows Fred, a house cat who dreams of exploring the great outdoors. Once his family leaves for the day, Fred transforms into Nature Cat, “backyard explorer extraordinaire.” Nature Cat can’t wait to get outside for a day of backyard nature excursions and bravery, but there’s one problem: He’s still a house cat with no instincts for nature. Like many of today’s kids, Nature Cat is eager and enthusiastic about outside activities, but is at times intimidated by them. With the help of his animal friends, Nature Cat embarks on action-packed adventures that include exciting missions full of nature investigation, “aha” discovery moments and humor, all while inspiring children to go outside and “play the show.”

HERO ELEMENTARY

10/01/2023-12/31/2023
12:00 p.m.
Monday-Friday
Each 30 minutes

If you’re a kid with superpowers, you belong at Hero Elementary! It’s where young heroes in training can learn how to master their less-than-perfected powers and practice day-saving action. But when their superpowers aren’t enough for the job, they can always rely on an additional arsenal of powers: The Superpowers of Science! These kids may be superhuman, but it’s science that makes humans truly super.

XAVIER RIDDLE AND THE SECRET MUSEUM
