The following are some but not all of the local issues addressed by WGHR's aggressive schedule of Public Service Announcements.

1) ISSUE: Community organizations

2) ISSUE: Charities benefiting children & families

DESCRIPTION: WGHR works closely with numerous service organizations to raise awareness and funds for programs to benefit children and families. WGHR's audience includes many grandparents who have found themselves with the responsibility of raising their grandchildren, due to difficulties (health, incarceration, drug dependency) experienced by their adult children.

3) ISSUE: Veteran's Services

DESCRIPTION: Returning veterans face a myriad of challenges, from PTSD to securing employment in this recovering economy. WGHR works closely with Stand Down Pasco, Veteran's Alternative Center and other veteran support organizations to provide assistance to these veterans. In addition WGHR provided information via Public Service Announcement to inform Veterans of the services available to them.

(4) ISSUE: Disaster Relief:

The Naturecoast was active in the support of Organizations providing relief and assistance for the Residents of Texas impacted by Hurricane Harvey. Then, WGHR moved to provide continuous on air coverage during Hurricane Irma, and worked with numerous businesses, charities and other organizations to raise needed funds and provide necessary supplies to those impacted.
