The following are some but not all of the local issues addressed by WGHR’s aggressive schedule of Public Service Announcements.

1) ISSUE: Community organizations

DESCRIPTION: WGHR makes public service time available to a wide variety of organizations that serve the community including local schools and churches that provide services and outreach to the surrounding communities. As this quarter includes the summer festivals and event window, WGHR paid special attention to organizations and municipalities hosting free events, street fairs and expos.

2) **ISSUE: Charities benefiting children & families**

DESCRIPTION: The impact of the Nature Coast's challenging economy has dramatically affected area families. WGHR works closely with numerous service organizations to raise awareness and funds for programs to benefit these families. WGHR's audience includes many grandparents who have found themselves with the responsibility of raising their grandchildren, due to difficulties (health, incarceration, drug dependency) experienced by their adult children.

3) **ISSUE: Veteran's Services**

DESCRIPTION: Returning veterans face a myriad of challenges, from PTSD to securing employment in this recovering economy. WGHR works closely with Stand Down Pasco, Veteran's Alternative Center and other support organizations to provide assistance to these veterans. In addition WGHR provided information via Public Service Announcement to inform Veterans of special offers extended to them as Stand Down Pasco gets under way.

(4) **ISSUE: Stray Animal Care and Rescue**

DESCRIPTION: As citizens and organizations dedicated to the prevention of cruelty to animals continue their efforts so does WGHR. By providing services to these organizations WGHR maintains its commitment to preserving the health and safety of the Nature Coast communities.
